

# El Paso County Sheriff's Office

The El Paso County Sheriff's Office believes in supporting our retired law enforcement officers. As a result we offer, free of charge, a monthly HR218 qualification session, which is listed on the El Paso County Sheriff's Office website ([www.epcsheriffsoffice.com](http://www.epcsheriffsoffice.com)). Our range is located at 7796 Route 1, Fort Carson, Colorado 80913 (I-25 Exit 132B).

Range qualification dates are subject to cancelations due weather, medical evacuations and other circumstances out of our control, as we must adhere to Fort Carson policies with respect to operating procedures. If a range date is cancelled, please refer to next month or the following list of individuals or businesses which offer qualification opportunities. The El Paso County Sheriff's Office will not make any specific recommendation with respect to these alternative opportunities, but is simply providing them as a convenience to our retired officers.
