CSI

On Sunday, May 24, 2020, at 12:58 pm, I, Detective Jon Price #02034, was contacted by Detective Sergeant Jacob Abendschan. He directed me to respond to [REDACTED] Ashgrove Street to assist in a Deadly Force Investigation (DFIT) involving Officers of the Colorado Springs Police Department. (CSPD)

The initial information provided by Sgt. Abendschan was that the suspect had menaced a neighbor with a knife. When the involved officers confronted him, a physical struggle ensued, and the suspect was tazed. The suspect apparently went into cardiac arrest. Medical treatment was provided; however, the suspect died as a result of the incident.

CSPD Lt. Patrick

I arrived on scene at approximately 1:53 pm. I contacted CSPD Lieutenant David Patrick who provided the following information:

Four CSPD Officers were dispatched to this address this morning reference a neighbor dispute the suspect had committed felony menacing with a baseball bat and a knife. During contact with the Officers, the suspect went in and out of his home several times. Eventually the officers attempted to take the suspect into custody by grabbing before he could go back inside his house. This led to a physical struggle. The suspect was tazed and the officers were able to gain control of him. They placed handcuffs and leg shackles on him. The suspect went into cardiac arrest and CPR was initiated. Medical personnel were called to the scene provided aid for a considerable amount of time before terminating life-saving efforts.

Lieutenant Patrick advised CSPD has a significant previous history at this address with the suspect. A safety sweep has been conducted and no one else was located inside the home. It is unknown as if the suspect lives alone or not. There is a dog inside the home. There are multiple surveillance cameras located within the cul-de-sac which may have captured video footage of the incident. Lt. Patrick identified [REDACTED] as the home of the victim of the menacing. [REDACTED] is address of the suspect. He is laying on the floor near the front door.

The four involved officers have been transported to the Police Operations Center (POC). There is a fifth officer who arrived when the leg shackles were being applied who has also been transported to the POC. There are books and clothing on the driveway which may be part of what the dispute was over.

The associated CSPD case number is 20-18512.

Detective Whitehead conversation

At 2:38 pm I spoke with Detective Brad Whitehead via telephone. I gave him a description of [REDACTED] Ashgrove Street and an overview of the incident as relayed to me from Lieutenant Patrick so that he could compose the Search Warrant.

[REDACTED] Interview

At approximately 2:53 pm, I interviewed [REDACTED] [REDACTED] [REDACTED] [REDACTED] at her home, [REDACTED] Ashgrove St. I was accompanied by CSPD Detective Chris McCleary. I made an audio recording of the interview. The following is not a word per word transcription, but a summary of the information she provided:

[REDACTED] [REDACTED] was Mr. Burnett's closest friend in the neighborhood, but she did not know him well. She has only known him for the past couple of years. She described him as having a lot of demons and as being disturbed. He previously told her husband he had a troubled life in high school. His personality / [REDACTED] state is erratic, switching between friendly to aggressive very quickly. She has been hoping he would seek [REDACTED], but he never did. CSPD's crisis team has made contact with Mr. Burnett.

He moved in a couple of years ago. The house belonged to his [REDACTED] His [REDACTED] died, and then his [REDACTED] shortly thereafter. He told her he had difficulty living in his [REDACTED] house. In January he spoke of selling the house, and moving to Texas.

[REDACTED] [REDACTED] came over this morning with Mr. Burnett's dog which had gotten loose. The dog was originally collected by a neighbor named [REDACTED] [REDACTED] had gone to [REDACTED] house, and obtained the dog which is named Abby. [REDACTED] and [REDACTED] went to Mr. Burnett's house to return Abby to him. They encountered him near the cu-de-sac. He didn't understand they were returning his dog. He stated, "I'm [REDACTED] [REDACTED] He had a bible and a stack of books in his hands. He attempted to hand the books to [REDACTED] and [REDACTED]. He threw the books to the ground. He started using profanity. He went to the window of a [REDACTED] [REDACTED] house and looked in.

Mrs. [REDACTED] husband began to pick up the books. Mr. Burnett approached him. He took out a pocketknife and threatened [REDACTED] "I'm going to kill you." [REDACTED] responded, "I thought we were friends?" [REDACTED] left at this point to go call law enforcement.

She did not witness what happened afterwards.

described the knife as being dirty and had a triangle shaped blade. She held out her fingers to indicate the blade was approximately six inches long.

did not watch or observe what occurred once the officers arrived. She does not have any video surveillance equipment which would have captured the incident.

did not smell it, but both John and smelled alcohol on Mr. Burnett during the incident.

recounted that Mr. Burnett had come over yesterday morning. He complained his Corvette had been stolen. Someone had broken into his house and taken it while he was asleep. Mr. Burnett knew the Corvette was on Lake Avenue. He had made arrangements for a friend named "Guillermo" to tow it. Mr. Burnett accused a man named Mark Sather of having stolen the Corvette. Mr. Burnett later stated Mark Sather was going to help him recover it.

went with Mr. Burnett and discovered the Corvette had a dead battery. went over a few minutes later. She stayed with the Corvette. Mr. Burnett offered her money and his credit card to give to either Guillermo or Mark Sather should they arrive. was able to jump start the Corvette, and they all returned home. While they were at the Corvette Mr. Burnett flipped off multiple other motorists as they drove past. These offensive gestures were unprovoked.

Later Mr. Burnett brought over a box of food which he left on their front porch. He also brought over his mother's wedding ring and pearls, and the title to the Corvette. He forced to take them. She gave him a note stating she had temporary custody of these items.

There was an additional incident yesterday where Mr. Burnett came over. He demanded his keys. He was very aggressive in his demands. She elaborated that he raised his voice and closed personal space.

She keeps her front door locked because she is afraid of Mr. Burnett. He frequently comes to her door and leaves things. He recently left legal papers at her door.

Recently his attorney had called her. She was surprised as she was unaware Mr. Burnett had given out her phone number. Mr. Burnett had listed her as a trusted neighbor. The attorney was attempting to get in contact with Mr. Burnett. went to his residence to relay this message. She went inside at which time he told her he was a Texas Ranger. Mr. Burnett spoke at length. He didn't seem to comprehend the attorney was waiting for a phone call. made a comment, "She was finally able to get out of there." She clarified she did not feel endangered during the conversation.

did not have any additional information.

and Interview

At approximately 4:02 pm, Detective McCleary and I interviewed and in their home, Ashgrove Street. I made an audio recording of the interview. The following is not a word per word transcription, but a summary of the information they provided:

was contacted by this morning, who had found Mr. Burnett's dog wandering the neighborhood. They attempted unsuccessfully to contact him by phone and there was no response at his door. asked Carolyn Shaw to accompany her as she was concerned by Mr. Burnett's recent behavior.

and encountered Mr. Burnett near the driveway. Mr. Burnett was saying, "Someone stole Abby." responded, "Abby is right here." Mr. Burnett was unable to comprehend that his dog was being returned to him. could smell alcohol on him.

Mr. Burnett told that is a Texas Ranger. went along with it, and agreed he was. Mr. Burnett stated "Tom" had given a Texas Ranger gun, and he wanted it returned now. Three weeks ago, he had accused of having stolen his gun. Mr. Burnett obtained a folding pocketknife from his pocket and opened it to expose the blade. After opening the knife he stated, "I want my gun." responded that they are friends, and Mr. Burnett dropped the knife down beside his leg.

Mr. Burnett had a bible and stack of books. He was attempting to force and and to take the items, which they refused. Mr. Burnett threw the items all over the flower bed.

Mr. Burnett went to the area in front of home, and kicked her window. He stated something like, "You bitch." He returned to the driveway, where was picking the books. He stood over with the knife in his hand and stated, "I'm going to kill you." described him as holding the knife with the blade extended from the pinky side in a dagger motion. The blade was only inches away from chest. remained calm, and diffused the situation.

was afraid for Mr. [REDACTED] safety.

[REDACTED] went inside to call 911. [REDACTED] stayed outside with [REDACTED] Mr. Burnett then stated he was a San Diego Policeman, and that he was going to read them their Miranda rights. At this point Mr. Burnett recited the Miranda Warning. He was also asking for a ring, which [REDACTED] later learned was his [REDACTED] wedding ring which the [REDACTED] had from the day before. [REDACTED] gave Mr. Burnett the note his [REDACTED] had written yesterday pertaining to the ring.

Mr. Burnett took something out of his pocket and threw it at [REDACTED] [REDACTED] window. He also threw a set of keys.

[REDACTED] went inside her home. She and her husband watched the police response from their windows. The officers were all in uniform. They thought the officers were, "very patient" with Mr. Burnett as they dealt with him. They attempted to speak with him as through his front door. They were attempting coax him outside. He was not willing to come out. Mr. Burnett stated he was the owner of the Broadmoor, and that he is [REDACTED] [REDACTED] noted his [REDACTED] was named [REDACTED] not [REDACTED] He threatened that the Broadmoor police would arrest them.

The CSPD Officers eventually told Mr. Burnett they needed him to come out so they could serve a ticket for breaking [REDACTED] [REDACTED] window. Mr. Burnett denied having done this. [REDACTED] had videoed the [REDACTED] incident on his cell phone.

Mr. Burnett came out of the house several times and threw things and yelled at the officers. He rolled a bicycle out the front door and into the lawn. He came out with a knife once. He was ordered to drop the knife, which he did.

On one occasion he had a short bat and on another he had a long stick. On the last time he attempted to run back into his house. He couldn't get the door shut. Three officers rammed the door, and were able to get inside.

At this time there was a female officer at the [REDACTED] house who was interviewing them. This female officer had a Taser, and began walking towards the Burnett home. She entered the house. They could not hear or tell that the Taser had been deployed.

He later came out the front door with handcuffs on. He was talking. They went back inside in the house, and [REDACTED] could hear things breaking at this time. She could also hear Mr. Burnett screaming. Later the ambulance came. He was on a stretcher at one point. The [REDACTED] view is obscured by trees, and they could not see much of what occurred.

Mr. Burnett is involved in a lawsuit with some family members. There is an aunt living in Texas. Abby belonged to his parents.

About a month ago the HOA cut some pine trees in front of his house. He was very angry, and stated these were \$60,000 bonsai trees from Japan. This was the beginning of his erratic behavior. He later accused [REDACTED] of having killed her husband and his mother. One day he can be friendly and on others he is aggressive. There are rumors that Mr. Burnett had drug problems in high school, and that classmates were afraid of him.

[REDACTED] & [REDACTED] have a Ring doorbell. The camera did not activate, and they did not capture footage of the incident. [REDACTED] later emailed the footage captured on his cell phone to me. [REDACTED] and [REDACTED] did not have any additional information.

[REDACTED] Interview

At approximately 4:12 pm, Detective McCleary and I interviewed [REDACTED] " [REDACTED] [REDACTED] [REDACTED] in her home, [REDACTED] Ashgrove Street. I made an audio recording of the interview. The following is not a word per word transcription, but a summary of the information she provided:

[REDACTED] friend, [REDACTED] (unknown last name) arrived this morning just before 9:00 am. Mr. Burnett came out and told her, "Don't shoot me, I didn't do it." He was not making any sense. [REDACTED] came inside, and relayed these statements to [REDACTED]

[REDACTED] recalled an incident which occurred two weeks ago on Wednesday. Mr. Burnett accused her of stealing his "Texas Ranger" gun. He also made the comment, "You killed my mother and you killed your husband." He was not making sense in these comments.

She also discussed a recent incident during which a man came to her front door with a gun. She confirmed this male was not Mr. Burnett. As a result of this incident, she installed a video camera which captures her front porch. [REDACTED] allowed me to view her system, and it caught an image of him briefly approaching her front door this morning at 8:36 am. He appeared to be taking a photo with his cell phone and talking to himself. He walked away without making contact. I made a recording of this footage on my cell phone. [REDACTED] did not have any additional information.

[REDACTED] Interview

After concluding the interview of [REDACTED] I walked to [REDACTED] Ashgrove Street to contact [REDACTED] [REDACTED] There was no response to the door, and I left a business card requesting contact.

At approximately 5:11 pm, I received a phone call from [REDACTED] [REDACTED] [REDACTED]. She stated this morning between 8:45 and 9:00 am she noticed "Abby", Mr. Burnett's dog was loose and roaming the neighborhood. She took control of Abby, and attempted to return her to Mr. Burnett. She knocked and rang the doorbell, but there was no response. She noted the small garage door was opened, exposing an approximate eight-inch crack on the bottom.

She returned to her residence where she contacted [REDACTED] [REDACTED] later came to her house, and took Abby to return the dog to Mr. Burnett.

[REDACTED] [REDACTED] did not have any interaction with Mr. Burnett today, and did not witness any of the incident. She is aware he has a history of angrily shouting, threatening and harassing people in the neighborhood. She did not have any additional information.

Scene Search

I assisted with the execution of the Search Warrant by searching the residence. I discovered the following which I pointed out to CSI Amanda Kimball of the Metro Crime Lab for processing and collection:

1. Cell phone (iPhone) on a dresser in the master bedroom.
2. Family Bibles stacked on the same dresser. (photographed only)
3. Note written by [REDACTED] [REDACTED] concerning the wedding ring on the master bed.
4. Dowel rod on master bed.
5. [REDACTED] base station from office.
6. Prescription medication bottles both in a kitchen cabinet and in the medicine cabinet of master bathroom. (Collected by Coroner's Office.)
7. Chad Burnett's wallet with ID cards on nightstand in master bedroom (Photographed only.)
8. Key and FOB to a Chevrolet under an area rug in the living room. (Photographed only.)
9. Damage to the drywall behind the front door. (Photographed only.)

This was the extent of my investigative activities. I cleared the call at 8:59 pm.

Supplement 20200524 1230 Mihalko, Mitchell 03026

CR 20-6021 / AOA - DFIT
Associated Case: CSPD 2020-18512
24 May 2020

On Sunday, 24 May 2020 at approximately 1230 hours, I, Lieutenant M. Mihalko of the El Paso County Sheriff's Office (EPSO) Investigations Division was alerted by the Colorado Springs Police Department (CSPD) Lieutenant Christine SHEPPARD that members of CSPD Patrol were involved in the use of force incident where the subject had died. CSPD requested EPSO assistance to investigate the circumstances surrounding the incident.

As part of standard procedure, a Deadly Force Investigations Team (DFIT) response is an agreement between the Colorado Springs Police Department, the El Paso County Sheriff's Office and the District Attorney's Office for transparency purposes. Based upon the aforementioned request by CSPD, the El Paso County Sheriff's Office accepted the request and became the investigating agency. The initial call for service came from a residence located at [REDACTED] Ashgrove Street. I was later told the address of [REDACTED] Ashgrove Street, Colorado Springs, CO which is within the County of El Paso, State of Colorado, was the location of occurrence.

INITIAL INFORMATION:

The initial information provided to me was that officers had been called to a weapons display / felony menacing call. While in contact with the suspect in the call, they attempted to effect an arrest when he physically resisted. During the attempt to arrest the suspect, a

Taser was deployed by an officer, but it appeared to be ineffective and the suspect continued to fight the officers. During the struggle, the suspect went limp and passed away on scene.

Decedent: Chad BURNETT, DoB 08/16/1970

Involved Officers:

1. Officer Caroline BARTH
2. Officer Matt FLEMING
3. Officer Joe DAIGLE
4. Sergeant Mike INAZU
5. Officer Jake CARROLL

No other details were provided to me at that time.

RESOURCE DEPLOYMENT:

Detective Sergeant J. Abendschan was assigned as the field supervisor during this investigation. Detective C. McCormack was assigned as the lead detective in the case.

Detective Sergeant Abendschan assembled the EPSO team assigned to the investigation. Detectives were assigned to the scene location for duties relating to scene processing and the CSPD Police Operations Center (POC) for various duties related to the investigatory activities.

Responding Lieutenant: DET LT M. Mihalko

Field Supervisor: DET SGT J. Abendschan

Lead Detective: DET C. McCormack

Scene Detective: DET J. Price / DET C. McCormack

Witness Detective: N/A

Officer Processing: DET D. Glenn

CSPD Liaison to EPSO DFIT Team: DET M. Lehmkuhl

CSPD Lead Investigator: DET M. Kerr

DETECTIVE STATEMENT:

I responded to the CSPD POC at approximately 1400 hrs to communicate information to on scene detectives, facilitate interviews and coordinate investigative efforts as well as allocation of resources. During this time, I remained in contact with the Sergeant Abendschan conducting the investigative efforts and helping to compile and share information as necessary.

I coordinated contact between the EPSO Public Information Officer (PIO) and the CSPD PIO for any public information release.

Detective Glenn was tasked with conducting the officer processing in conjunction with the Crime Scene Investigator A. Kimball. I learned all officers identified were involved in the use of force.

I worked with the CSPD Liaison to set officer interview times.

Following my duties at the POC, I responded to the outer perimeter of the scene at 1627 hrs. I spoke with SGT Abendschan and then left the scene at approximately 1643 hours.

I did not enter the scene. I conducted no further investigative activity at that time. I have no evidence or items to attach to this report.

Case Status: CBA

Supplement 20200526 0800 Montville, Lisa 01060

Case Supplement, 20-6021

Detective Statement:

On Tuesday, May 26, 2020, at about 8:00 a.m., I, Detective Montville responded to the El Paso County Coroner's Office, located at 2741 East Las Vegas Street, in El Paso County, Colorado to attend an autopsy. The decedent was identified by Detective Courtney McCormack as Chad Burnett DOB:8/16/70.

The autopsy was performed by Dr. [REDACTED]. At the conclusion of the autopsy Dr. [REDACTED] stated the preliminary manner of death was homicide. Dr. [REDACTED] stated the cause of death was underlying heart disease and being tased. Toxicology on the decedent is pending.

The autopsy was complete at about 9:30 a.m.

Nothing Follows.

Case Status: ACT-INV

Supplement 20200526 0800 McCormack,Courtney 13150

**Supplement For Case: 20-6021
INCIDENT: DFIT
Detective C. McCormack
Supplement #2**

On Tuesday, May 26, 2020, at approximately 8:00 am, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division was present for the autopsy of Mr. Chad Burnett.

The autopsy was conducted by Dr. [REDACTED] [REDACTED] at the El Paso County Corners Office located at 2741 E. Las Vegas Street. The autopsy was observed CSPD Detective Matthew Kerr, EPSO Detective Lisa Montville, and Metro Crime Lab Crime Scene Investigator (CSI) Brooke Havoko were present for the autopsy.

Photographs were conducted during the autopsy by the EPSO Corners office and CSI Havoko.

Mr. Burnett's death was ruled a preliminary homicide with contributing factors of an enlarged heart with heart disease, use of a taser device, and the physical altercation. The death is pending decision based on Mr. Burnett's toxicology screening.

I have nothing further at this time.

Case status- Active Investigation

APPLICATION AND AFFIDAVIT FOR SEARCH WARRANT		

The undersigned, a peace officer as defined in 16-2.5-101 Colorado Revised Statutes, as amended, being first duly sworn on oath moves the Court to issue a Warrant to search those person(s) and/or premises known as:

██████████ Ashgrove Street, Colorado Springs, CO 80906, a single family residence located in El Paso County, State of Colorado. ██████████

██

The undersigned states that there exists probable cause to believe that the following person, property or thing(s) to be searched for, and if found seized, will be found on the aforementioned person(s) and/or premises and are described as follows:

See Attachment "B" which is hereby incorporated in reference

The grounds for the seizure of said person(s), property or thing(s) are that probable cause exists to believe that it:

- Is designed or intended for use in committing a criminal offense, or
- Is or has been used as a means of committing a criminal offense, or
- Is illegal to possess, or
- Is stolen or embezzled, or
- Would be material evidence in a subsequent criminal prosecution, or required, authorized or permitted by a statute of the State of Colorado, or
- Is a person, property or thing the seizure of which is expressly required, authorized or permitted by a statute of the State of Colorado, or
- Is kept, stored, transported, sold, dispensed, or possessed in violation of a statute of the State of Colorado under circumstances involving a serious threat to the public safety, or order, or to the public health, or
- That would aid in the detection of the whereabouts of or in the apprehension of a person for whom a lawful arrest order is outstanding. (Mark "X" according to fact);

The facts submitted in support of this application are set forth in the accompanying attachment designated as Attachment A which is attached hereto and made a part hereof.

In support of a request for the issuance of a Search Warrant to search the location as described as

██████████ Ashgrove Street, Colorado Springs, CO 80906, a single family residence located in El Paso County, State of Colorado. ██████████

██

Your Affiant, Detective **Bradley Whitehead / #05071**, a Deputy Sheriff for the El Paso County Sheriff's Office, currently assigned to the Investigation's Division, state under oath that I have personal knowledge of the following facts:

On Sunday, May 24, 2020, at about 1:15 pm, I, Detective Bradley Whitehead, #05071, of the El Paso County Sheriff's Office Investigations Division, was contacted by Detective Sergeant Jacob Abendschan; in reference to a deadly force incident involving the (CSPD) Colorado Springs Police Department. The incident occurred at ██████████ Ashgrove Street, located in El Paso County, State of Colorado.

Officers were dispatched on this date at about 9:58 am to ██████████ Ashgrove Street, Colorado Springs, CO 80906, in reference to neighbor disturbance involving a knife. The reporting party stated the suspect pulled a knife out of his pocket, threatened him, and was going in and out of his house. The suspect was identified Chad Barnett, a 49 to 50 year old male, wearing sweatpants, and a tie dye red shirt, who lived in the area. Upon officers arriving on scene they made contact with Mr. Barnett who was walking in and out of his house, which was identified by officers as ██████████ Ashgrove Street.

Officers reported to dispatch they were in contact with Mr. Barnett at the aforementioned address and he was holding a knife. Mr. Barnett went back inside of his residence and then came back out of the residence with a club. At about 11:03 am, Officers reported to dispatch

they were in verbal contact with Chad who was again back outside, and everything was "code 4" or calm. At about 11:40 am, officers reported to dispatch a taser was deployed.

I was advised by detectives on scene the suspect was in and out of the house and held various weapons to include a knife, and a bat or a club, or another article of wood fashioned to be used as a bat. At one point when Mr. Barnett exited the residence, the opportunity presented itself for the officers to attempt to detain Mr. Barnett. While they attempted to gain control of Mr. Barnett, one of the officers deployed their taser. Furthermore, as officers attempted to take Mr. Barnett into custody, they landed inside of the residence.

Mr. Barnett became unresponsive and officers began life saving measures. Medical was requested to respond emergent; however, paramedics were unable to resuscitate Mr. Barnett. Mr. Barnett was not transported to the hospital and remains in the house.

The facts set forth within this affidavit are based upon information Your Affiant has gained from this investigation, Your Affiant's personal observations, Your Affiant's training and experience, and/or information related to Your Affiant by other law enforcement officers. Since this affidavit is being submitted for the limited purpose of securing a Search warrant, Your Affiant has not included each and every fact known to him concerning this investigation, but has set forth only the facts that are necessary to establish probable cause to believe that evidence of a crime has occurred.

2020-00006021 (1) Initial report:

On Sunday, May 24, 2020, at about 1:15 pm, I, Detective Bradley Whitehead, #05071, of the El Paso County Sheriff's Office Investigations Division, was contacted by Detective Sergeant Jacob Abendschan; in reference to a deadly force incident involving the (CSPD) Colorado Springs Police Department. The incident occurred at [REDACTED] Ashgrove Street, located in El Paso County, State of Colorado. Sgt. Abendschan asked me to respond to the OTS (Office of The Sheriff) located at 27 East Vermijo Avenue, Colorado Springs, CO 80903, and complete a search warrant for [REDACTED] Ashgrove Street.

At about 3:59 pm, I made contact with the on-call duty judge via telephone, who identified herself to me as Judge Gomez. I advised Judge Gomez I had a search warrant for her review. After Judge Gomez swore me in over the phone, I signed the search warrant, scanned it, and emailed it to her.

At about 4:18 pm, I received an email from Judge Gomez with the signed search warrant. I notified Sgt. Abendschan the warrant was signed, and he asked me to respond to the scene to assist with the search warrant.

At about 5:01 pm, I arrived on scene. After the scene was documented by the Metro Crime Lab, I assisted with the collection of evidence by noting items seized on the scribe sheet. I responded to the El Paso County Sheriff's Office Evidence Facility, located at 2749 East Las Vegas Street, Colorado Springs, CO 80906, and secured the scribe sheet and items give to me by Detective McCormack, in Locker #102, to be processed at a later date.

I have attached a copy of the signed search warrant and scribe sheet to this supplement.

I have nothing further at this time.

Date Reported: Sunday May 24, 2020
Case Title: Assist Outside Agency
Detective Nickolas Brklich # 05007

This is a supplement to Case # 2020-6021 Supp 1 Thursday May 28, 2020

Follow-up Investigative Activity

On Wednesday May 27, 2020, at approximately 8:00 am, I, Detective N. Brklich was asked to follow-up with the Broadmoor Security and Information section as information had been gathered indicating this unit had responded to calls for service in reference to Mr. Chad Burnett.

At approximately 4:05 pm, I arrived at building 1659, located on the Broadmoor hotel complex., Colorado Springs, CO. While at the security office I spoke with [REDACTED] [REDACTED] (Chief of Security).

[REDACTED] had previously been talked to about the situation with Mr. Burnett and had their reports (daily logs) printed out. Ms.

[REDACTED] stated she knew of previous contacts with Mr. Burnett but nothing specific. She was able to tell me she believed Mr. Burnett's

[REDACTED] had passed away in June 2019 and his [REDACTED] had passed away approximately 2 - 3 weeks later. She stated Mr. Burnett inherited the property from his [REDACTED]

The reports from the Security unit begins on 5/4/2020 with a call for service of Mr. Burnett pointing a gun at his neighbor at [REDACTED] Ashgrove. The remainder of the reports vary in complaints but are all associated to Mr. Burnett. The reports consist of the following dates: 5/4/20, 5/5/20, 5/6/20, 5/11/20, 5/12/20, 5/13/20, 5/18/20, 5/19/20, 5/22/20 and 5/24/20.

A copy of the reports is attached to this supplement.

On May 27, 2020, I, Detective Jon Price #02034, performed the following investigation:

Officer Daigle Interview

From 10:45 am - 11:27 am I conducted an interview of CSPD Officer Joseph Daigle in Interview Room #4 of the Office of the Sheriff. He was accompanied by his attorney, John Newsome. A video recording was made of the interview, and the recording will be transcribed. I offer the following summary:

Officer Daigle was dispatched to [REDACTED] Ashgrove Street to investigate a weapons display call. He interviewed the victim, [REDACTED]. While conducting the interview, Officer Daigle the suspect come in and out of his home several times. Officer Fleming interviewed [REDACTED] and an additional neighbor, Mrs. [REDACTED] was interviewed. It was determined probable cause existed to arrest the suspect on a Felony Menacing charge.

Officers Daigle, Fleming, and Sgt. Inazu rushed towards the suspect, who attempted to run into his house, and close the front door. They were able to force the door open before he locked it. The suspect ended up face down in the entry way with his arms underneath him. He was told he was under arrest and to comply. He refused to be handcuffed. The suspect is physically larger and stronger than even the four combined officers, who had difficulty throughout the incident taking control of him. Officer Barth deployed her taser, with a probe strike which was only partially effective. She made a second arc activation, and the Officers were able to place the suspect into handcuffs.

They stood the suspect up and began to walk him out of the house. The suspect resisted, and flung them down onto the front porch. They stood him up a second time, and attempted to walk him to a patrol car in the driveway. He resisted again, and was able to move backwards to the entry way floor. Leg restraints were applied. Officer Daigle controlled the suspect's left shoulder. He ceased to struggle and eventually lost consciousness. The Officers performed life saving measures until paramedics arrived and took over. Officer Daigle did not use any force such as a choke hold which would have directly contributed to the suspect's death. He did not use any force outside of CSPD's policy. He was surprised when the suspect passed away.

See the transcript for complete details.

Evidence Processing

I prepared and entered the following items into evidence:

- #10 - DVD containing video recording of Officer Daigle interview
- #11 - CD containing audio recording of [REDACTED] interview
- #12 - CD containing audio recording of [REDACTED] & [REDACTED] interview
- #13 - CD containing audio recording of [REDACTED] interview
- #14 - CD containing video recording of [REDACTED] video surveillance footage
- #15 - CD containing recording of [REDACTED] cell phone video recording

Pamela [REDACTED] Interview

At 1:15 pm, I, spoke with [REDACTED] via telephone. She was dating [REDACTED] who passed away on the night of May 23rd. She came to [REDACTED] residence on the morning of May 24th to visit. [REDACTED] opened her garage door to meet her. As Mrs. [REDACTED] arrived, Mr. Burnett came out of his house and began to yell. He initially asked if she ([REDACTED]) was dead. He then went on to say something to the effect, "Don't mess with me, I have a gun," or something about a gun. [REDACTED] stated he wasn't making any sense. She and [REDACTED] went inside the garage and closed the garage door to get away from him. [REDACTED] had never met Mr. Burnett before, but has been warned that he has [REDACTED] issues. His behavior confirmed to her he was suffering from some type of [REDACTED] issue. She had no additional information.

CRIMINAL PROCEEDINGS NO. 2020-00006021

CLERK OFFICE CASE NO. 20-1552

Report of Execution of Search Warrant

On the 25th day of May, 2020, a search warrant was issued by the County Court for El Paso County and State of Colorado directing that a search may be made of the following described premise, location, or person:

telephone, at [REDACTED] I told her I was looking into Chad's medical history and asked her if she would be able to provide me with any information. She told me his primary care physician was Dr. [REDACTED] and he was seeing a [REDACTED] but she didn't know the [REDACTED] name. [REDACTED] identified Chad's dentist as Dr. [REDACTED] but thought he was seeing a new dentist. I asked her if she could talk to me about Chad's [REDACTED] to include any medical issues he might have had. [REDACTED] said he had [REDACTED] issues due to how tall he was, but that was only speculation and wasn't something he was diagnosed with. She said it was an observation and something Chad told her. [REDACTED] said he was secretive about some of his health. [REDACTED] said he was diagnosed with [REDACTED] and thought there was [REDACTED] She thought his newest [REDACTED] was only treating him for [REDACTED] and felt that wasn't enough. [REDACTED] didn't know what type of medication Chad was on. She said with [REDACTED] [REDACTED] were possible. I asked her if Chad had [REDACTED] and she said "yeah." [REDACTED] said he hasn't been seeing his therapist due to [REDACTED] and he did not want to pay the amount needed for the [REDACTED] to come to his house for [REDACTED] Therefore, he wasn't seeing his [REDACTED] and [REDACTED] was afraid he wasn't taking his medication and isolated himself. [REDACTED] felt he wasn't in a good state of mind. I asked her how often they spoke, and she said it varied. [REDACTED] said "I blew up on him" a couple of weeks ago and he unfriended everyone on social media. [REDACTED] said he ceased contact with her two weeks ago. She said he did call her, but she did not return his phone call because he did not leave a message. I asked her what his state of mind was the last time she talked to him and she said "not good." [REDACTED] again said it wasn't good and talked about an issue Chad told her he was having with a neighbor. [REDACTED] said he told her "if he had to he would take a knife out there." [REDACTED] said she doesn't remember who he said the neighbor was, but it's the woman who he confronted on Sunday. I asked her if she could repeat what Chad told her about the knife. [REDACTED] said Chad told her two and a half weeks ago, he had an issue with a neighbor and "he told me he felt she made it difficult for his [REDACTED] and ahm, had murdered his [REDACTED] Chad told [REDACTED] if he had to, he would take a knife out when he went and talked to her. I asked [REDACTED] what his [REDACTED] died from and she said his [REDACTED] died from a [REDACTED] and said his [REDACTED] stopped working. She described Chad's [REDACTED] as being [REDACTED] in a wheelchair and bed ridden. [REDACTED] wasn't certain what she died from, but said she was tall like Chad, but not as tall. [REDACTED] said she doesn't remember an autopsy being done on Chad's [REDACTED] [REDACTED] said his [REDACTED] would know more about it because they were closer. I asked her if Chad's [REDACTED] was [REDACTED] and she said it was. [REDACTED] said recently there was an issue between Chad and [REDACTED] and he hasn't talked with [REDACTED] I asked her what the issue was and she said Chad thought [REDACTED] was using him for money. [REDACTED] said he didn't like the living conditions at [REDACTED] house, so he returned home. I asked her if there was anything else she thought I needed to know about Chad that would help in the investigation. [REDACTED] talked about [REDACTED] and when they go " [REDACTED] they can have [REDACTED] think they are bullet proof, and have grandiose ideas and illusions. I asked her if Chad was [REDACTED] and she talked about an incident in June when he tried to [REDACTED] Chad was admitted into [REDACTED] on a [REDACTED] [REDACTED] said she didn't know if he was [REDACTED] recently. [REDACTED] said Chad saw things in a negative way and wasn't ok with the world to include where he lived, the people around him, Covid-19, or anyone to include herself. [REDACTED] talked about Chad being a member of [REDACTED] and didn't know if he had a recent relapse. I asked her if he did any type of drugs. She said many years ago Chad was using Meth. [REDACTED] said in 2012 he "really fell off the wagon" and was using Cocaine. [REDACTED] asked about the autopsy and said she found out through Chad's [REDACTED] who spoke with a security guard that Chad "convulsed and then went limp." I asked her if Chad any [REDACTED] and she said she didn't know. She said Chad was healthy and talked about how active Chad was. [REDACTED] asked questions about the process and how she found out about the incident. I allowed [REDACTED] to continue to talk as it seem like she just wanted to talk to someone. I told her if she has any questions, she could call me. At about 10:21 am, I received a voicemail from [REDACTED] who said she remembered Chad was seeing a [REDACTED] but she doesn't recall their name. [REDACTED] phone interview: At about 10:50 am, I activated my digital recorder and made contact with [REDACTED] [REDACTED] via telephone, at ([REDACTED]). I told her I was calling in reference to Chad Burnett. I asked her if she was Chad's [REDACTED] and she said she was and was his only living relative. I asked her about the [REDACTED] she called in on Chad. She said the first one she called in was on April 23, 2020. She explained she was a key holder to his house, and she was listed as someone the alarm company could call if they could not make contact with Chad. When [REDACTED] received a call from the alarm company, she would request a [REDACTED] [REDACTED] on Chad and then try to call him herself. I asked her if the first time she called a [REDACTED] [REDACTED] was on April 23, 2020, and she said it was. There was an audible alarm and she called in the [REDACTED] because nobody could make contact with him. Police arrived on scene and were invited in and everything was apparently normal. Chad told police he was a priest and his house was a church. [REDACTED] said that was "a huge red flag." I asked her how many [REDACTED] she called in on Chad and she recounted calling in 4 times. Once on April 23, and then on May 17, 18, and 19. [REDACTED] said on the 17th, the alarm company received a trouble alarm and wasn't able to make contact with Chad. She called in the [REDACTED] and when officers knocked on the door, Chad put a chair up against the doorknob. Chad didn't let the officers in the house and told them his neighbors were trying to get in. Officers were able to look into the residence through the windows on the sides of the front door. From what the officers saw everything appeared to be ok. On the 18th, the alarm company received another trouble alarm and couldn't make contact with Chad, so she called in another [REDACTED] [REDACTED] Upon officers arrival, Chad came to the door and then walked off after looking out of the window. [REDACTED] later found out Chad called dispatch and asked if officers actually came to his house. [REDACTED] didn't understand why he would call and ask because the officers would have been in uniform. [REDACTED] thought Chad must be going through some [REDACTED] [REDACTED] said the [REDACTED] ([REDACTED]) [REDACTED] also responded during this incident, but he wouldn't speak with them either. On the 19th, the alarm company received another trouble alarm at about 10:30 pm. [REDACTED] again called in a [REDACTED] and upon officers' arrival the house was dark and there wasn't any sign of a break in. [REDACTED] said Chad got up early and he might have gone to

bed. Additionally, the dog doesn't bark and would have stayed in bed with Chad. [REDACTED] said if he didn't want to get up all he had to do was pet the dog and the dog would have stayed and not ran to the door.

[REDACTED] said she did call in a [REDACTED] on the 20th, but after the dispatcher spoke with a supervisor, [REDACTED] was advised they were not going to send an officer out to the residence to check on Chad. [REDACTED] said she talked with Broadmoor Security Officer [REDACTED] who told [REDACTED] about the problems they have been having with Chad. [REDACTED] said she did not know Chad was causing so many problems. I asked [REDACTED] when the last time she spoke with Chad was and she said April 23rd. She said she left messages with Chad, but he did not get back to her. [REDACTED] said he did answer the phone on time, but he set the receiver down. She tried again him again and that time he answered. She told him she was about to call the cops for a [REDACTED] because she was worried about him. Chad told her she could call anyone she wanted. [REDACTED] was bothered by the way he said that, and she told him it was [REDACTED]. Chad told her 'no it isn't.' She told him she was [REDACTED] his [REDACTED] and again he told her she wasn't and hung up on her. [REDACTED] said that was the last time she talked to him.

[REDACTED] said he lived with her in Texas and was going to live with her until the Covid-19 settled down. She talked about how small of a town she lived in and there weren't many cases being reported there. After about a week he returned to Colorado the first week of April. She said he was picking a fight with her and felt she couldn't say anything right to him.

[REDACTED] talked about Chad's [REDACTED] and [REDACTED] dying within a week of each other in January of 2019. Since then, she estimated they talked about twice a week and said he had a lot of [REDACTED] regarding the neighbors. [REDACTED] thought he quit taking his medications before he left her house. I asked her what the medication was and what it was for. She said she didn't know what medication he was taking, but thought it was for [REDACTED]. I asked her if Chad was diagnosed with anything and she said Chad told her he was diagnosed with [REDACTED]. [REDACTED] said Chad was in Aspen Pointe about a year ago and thought that was when he was put on medication.

I asked her if she had access to the home security system and she said the home security was only on the garage and she had a key to the house. She said she was leaving tomorrow to come to Colorado Springs and asked if she could stay in Chad's house. I told her I didn't know if she could stay there or not and that would be a civil issue. She said she would follow up with Chad's attorney. I told her we secured the house that night when we were done and whoever was allowed to be at the house could be. I asked her about the video camera on the front porch and if it recorded. She said she didn't know, but Chad was able to view the camera from his phone. I asked her if there was anything else she thought I should know about Chad's [REDACTED] physical health, that would aid in the investigation. She said in the last 6 to 8 months he was training for bicycling events, he was eating well and was a good cook. [REDACTED] said she didn't know if he was taking care of himself during this last month or not. I asked her if she was aware of any medical conditions and she said she wasn't, other than he had a skin condition on his feet from playing hockey.

I thanked her for her time and told her she could contact me anytime if she had any questions, or if she thought of anything else I should know. [REDACTED] had questions about the investigation and when Chad's body would be released. I told her it could take several months, and I didn't know when the body would be released. She told me [REDACTED] had [REDACTED] issues and Chad met her at Pikes Peak [REDACTED] about 25 or 30 years ago.

[REDACTED] said she didn't know what [REDACTED] issues were and said [REDACTED] wasn't taking any medication for it. She advised me to take what [REDACTED] told me with a "grain of salt" and she liked "to be in on things." [REDACTED] said when [REDACTED] found out what happened Sunday on the news, so she went to Spring Grove, but she couldn't get in because she didn't have a code to get in the gate. Spring Grove is the name of the gated community where Chad lived.

[REDACTED] said [REDACTED] went around the community to where the trees were and climbed the fence. [REDACTED] said [REDACTED] told her what she did. I asked her if [REDACTED] did that while officers were there, and she didn't know. [REDACTED] said [REDACTED] did speak with neighbors and thought the officers weren't there any longer. [REDACTED] said Chad and [REDACTED] have been [REDACTED] for 7 years.

I asked [REDACTED] if she could call me back with [REDACTED] phone number if she found it and she said she would. [REDACTED] did not have any further information for me and I ended the call.

I downloaded both phone interviews to a CD and placed it into Evidence Locker #INV1 as Item # 9.

At about 1:54 pm, I contacted Dr. [REDACTED] office. I asked the call taker who I needed to address the search warrant to in order to get a copy of Chad's medical records. The call taker did not know and put me on hold to find out. Moments later she told me she contacted an administrator named [REDACTED] who would call me back with an answer.

I have nothing further at this time.

Supplement 20200524 1305 McCormack,Courtney 13150

Supplement for Case: 20-6021

INCIDENT: DFIT

Detective C. McCormack

Supplement #1

Call Out Information

On Sunday, May 24, 2020, at approximately 1:05 pm, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division was notified by Detective SGT. Jacob Abendschan of a DFIT occurring at [REDACTED] Ashgrove Street, located in the City of Colorado Springs, CO. I was advised the DFIT was involving Colorado Springs Police Department (CSPD) Officers. The officers were identified as Officer Fleming, Officer Daigle, Officer Inazu, Officer Jacob Carroll, and Officer Caroline Barth.

SGT. Abendschan advised the individual involved was involved in a physical altercation with the officers where a taser was utilized.

Arrival on Scene

When I arrived on scene I was met by SGT. Abendschan, EPSO Detective John Price, CSPD Detective Kerr, CSPD Detective McCleary, and CSPD Detective Exley.

I informed a physical altercation ensued between an individual identified as, Mr. Chad Burnett, DOB: 08/16/1970 and the CSPD Officers while they were attempting to take him into custody. During this altercation Mr. Burnett was tased by Officer Barth.

Mr. Burnett became unresponsive during the altercation and stopped breathing. It was unknown what caused for this to occur. Lifesaving measures were attempted by the officers and paramedics on scene for Mr. Burnett but were unsuccessful.

I was advised the house where the incident occurred was located in the cul-de-sac, with several surrounding neighbors whom witnessed the disturbance resulting in the law enforcement contact. There were several books and sealed dress shirts located in the yard and driveway of the property. A bicycle was also laying on its side in the front yard of the home. There was blood located on the front porch area of the home and an open knife located in the grass of the home.

I was informed several items sitting on the front porch of the home were removed from the entry way of the home to allow for paramedics to conduct life saving measures. This included a table, a container with several knives, and 2-3 small black holders with knives inside them.

Blood was located on the front porch of the home from the altercation. A used taser wire was located in the cul-de-sac, in front of the CSPD vehicles.

Neighborhood Canvas

At approximately 2:45 it was determined a neighborhood canvas would be conducted by two groups of detectives. Detective Price partnered with Detective McCleary conducted interviews at [REDACTED] Ashgrove Street, [REDACTED] Ashgrove Street, and [REDACTED] Ashgrove Street.

Detective Exley and I conducted interviews at [REDACTED] Ashgrove Street, [REDACTED] Ashgrove Street, and [REDACTED] Ashgrove Street. All interviews were recorded with my office issued cellular phone to be placed into evidence.

[REDACTED] Ashgrove Street ([REDACTED] [REDACTED])

At approximately 2:54 pm, I spoke with Mr. [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] resides at [REDACTED] Ashgrove Street. [REDACTED] stated his interactions with Mr. Burnett began on Saturday, May 23, 2020. On that day he came over around late morning and said his Corvette had been stolen by Mr. [REDACTED] [REDACTED] (UNK DOB). Mr. Mr. Burnett stated he found it over on Lake near Berthe Circle. Mr. Burnett had called a tow truck for the vehicle but was worried, Mr. [REDACTED] also had called a tow truck for the vehicle. Mr. Burnett claimed the steering column was broken on vehicle and asked [REDACTED] to go to wait for the tow truck. Mr. Burnett pulled out his billfold have [REDACTED] some money for the tow.

The tow truck never came. [REDACTED] used the key Mr. Burnett had given him and attempted to start the vehicle. No damage was apparent to the steering column and it appeared the vehicle only had a dead battery.

[REDACTED] drove back to Ashgrove Street and told Mr. Burnett what he learned. He then offered to take him to jumpstart the car. Mr. Burnett agreed to this and brought over a frozen meal to [REDACTED] thanking him for his help in advance.

Mr. Burnett and [REDACTED] went over and jump started the Corvette and Mr. Burnett drove it back. Mr. Burnett parked the vehicle in the garage and then came back over to [REDACTED] address. Mr. Burnett accused [REDACTED] of having his keys to his house at this

At approximately 8:56 pm, Mr. Burnett's cousins residing at 3 Lake Avenue, Colorado Springs, CO were notified of his death.

Evidence

The following items were placed into the El Paso County Evidence Facility.

- Item #4- (1) Page of Notes from [REDACTED]
- Item #5- (1) Metal Disk thrown through [REDACTED] window
- Item #6- Search Waiver for [REDACTED] Ashgrove Street (Maytag Residence)
- Item #7- Disk with Neighborhood Canvas Recordings
- Item #8- Scribe Sheet from [REDACTED] Ashgrove Street

I have nothing further at this time.

This is a supplement to EPSO case #20-6021

Case Information:

EPSO Case #20-6021

CSPD Case #20-18728

On Tuesday, May 26, 2020, at approximately 1030 hours, I, Detective Glenn, of the El Paso county Sheriff's Office Criminal Investigations Division, conducted follow up on this case.

I collected a paper printout of the data collected from the download of Officer Caroline Barth's Taser X2 deployment on May 24, 2020, from Detective Lehmkuhl at the Colorado Springs Police Operations Center, located a 705 S Nevada Avenue in Colorado Springs, Colorado.

I entered the original document into evidence as Item 2.

Case Status: SOA

Supplement 20200524 1240 Abendschan,Jacob 02020

Case Supplement

EPSO Case number 20-6021

Sergeant Jake Abendschan #02020

INITIAL INFORMATION

On May 24, 2020 at approximately 1240 hours, I Sergeant Jake Abendschan received a phone call from Lieutenant Mitch Mihalko. Lt. Mihalko explained several Colorado Springs Police Department (CSPD) officers were involved in a use of force while trying to arrest a suspect. The suspect had died suddenly. The address of the incident was [REDACTED] Ashgrove Street in El Paso County, Colorado. The CSPD response was due to a report of a menacing with a weapon. The suspect, Mr. Chad Burnett (081670), was throwing possessions into a neighbor's yard. When the neighbor tried to return the items, Mr. Burnett presented a knife and threatened them, holding the knife over his head and bringing it forward in a cutting motion.

As a result of the incident, the Deadly Force Investigation Team was activated.

Lt. Mihalko further explained there were five involved CSPD officers. The officers were transported to the Police Operations Center.

DEPLOYMENT OF RESOURCES

I immediately began notifying El Paso County Sheriff's Office detectives of the incidents and assigning tasks related to the incident.

Detective Brad Whitehead was initially assigned to the Office of the Sheriff for warrants and data gathering.

Detectives Jon Price and Courtney McCormack were assigned to the Ashgrove address and the neighborhood canvas. Detective McCormack was designated as the lead detective for this case.

Detective David Glenn was assigned to contact the officers and lab at the Police Operations Center.

I contacted the on-call crime lab technician, and requested she respond to the POC to process the involved officer prior to reporting to the scene.

SCENE RESPONSE

I arrived on scene at the Ashgrove address at approximately 1410 hours. I contacted CSPD Sergeant John Garza who provided an additional brief.

During this incident, my role was the assignment, supervision and prioritization of the work of the detectives involved. Each detective will produce specific supplementation to their specific tasks and activities. Please refer to each detective's report for detailed information about their work.

Once the crime lab was nearly complete with processing the scene, I contacted the on-call deputy coroner to respond to assume custody of Mr. Burnett's body.

RELEASE OF THE SCENE

Once all processing was complete at the address, I ensured the residence was secured prior to leaving the area.

NEXT OF KIN NOTIFICATION

During the investigation, a [REDACTED] of Mr. Burnett's was identified as [REDACTED], living at [REDACTED] nearby. I responded to that address with Detective McCormack and CSPD Detective Matt Kerr. We contacted [REDACTED] stated he did not feel Mr. Burnett was truly family. [REDACTED] explained Mr. Burnett had a long history of [REDACTED] drug abuse and alcohol abuse issues. [REDACTED] stated Mr. Burnett had been particularly threatening to the [REDACTED] family for the previous four to six weeks. [REDACTED] expressed his condolences for the officers involved and asked we pass on to them Mr. Burnett was a "powder keg" and it was only a matter of time.

I have nothing further.

CASE STATUS: Same as previous.

Supplement 20200604 0738 Montville,Lisa 01060

Case Supplement, 20-6210

Detective Statement:

On June 4, 2020, at about 7:38 a.m., I, Detective Montville was conducting follow-up on this case. On this date, I prepared and emailed a memo to Justine Yanez with American Medical Response at [REDACTED]. I requested any and all records held by AMR in reference to this incident. A copy of the memo is attached to this supplement.

Nothing Follows.

Case Status: ACT-INV

Supplement 20200524 1352 Glenn,David 13076

This is a supplement to EPSO case #20-6021

Case Information:

EPSO Case #20-6021

CSPD Case #20-18728

Suspect: Chad Burnett DOB: 08/16/1970

Address: [REDACTED] Ashgrove Street

Colorado Springs, Colorado 80906

Detective Information

I, Detective David Glenn Jr #13076, am a sworn Deputy with the El Paso County Sheriff's office (EPSO) I have been a sworn deputy for 7 years and I am currently assigned to the Criminal Intelligence Unit (CIU) as a Detective. My main job function is to look at pattern crimes that involve but not limited to, Theft, Burglaries, Criminal Trespass Auto and Motor Vehicle Thefts, with a focus on the apprehension of prolific offenders.

DETECTIVE STATEMENT

On 05/24/2020 at approximately 1352 hours, I, received a telephone call from Detective Sergeant Jacob Abendschan in reference to a use of force resulting in death involving five Colorado Springs Police Officers (CSPD). Detective Sergeant Abendschan asked me to respond to the Police Operations Center (POC), located at 704 S Nevada Avenue.

Once on scene there I met with (EPSO) Commander Andy James and (EPSO) Lieutenant Mitch Mihalko. I was advised by Lt. Mihalko that the address of the OIS was [REDACTED] Ashgrove Street in Colorado Springs, Colorado. I was also told that the five officers involved were CSPD Officer Caroline Barth #5568, CSPD Officer Jacob Carroll #6156, CSPD Officer Matthew Fleming #6164, CSPD Officer Joseph Daigle #3609 and CSPD Sergeant Michael Inazu #2413.

PUBLIC SAFETY STATEMENT

At approximately 1515 hours, Sergeant John Garza #1758 gave a Public Safety Statement in reference Officer with the following information:

On May 24, 2020, at approximately 0958 hours, Officers Barth, Fleming, Daigle and Sergeant Inazu were dispatched to [REDACTED] Ashgrove Street in reference to a Felony Menacing that just occurred. At the time of dispatch, the officers were advised the incident began as a dispute between two neighbors. The reporting party, [REDACTED] [REDACTED] indicated to CSPD dispatchers she lives at [REDACTED] Ashgrove Street and her neighbor, Chad Burnett, DOB: 08/16/70, described as a white male, 6' 7" and 260lbs, who lived at [REDACTED] Ashgrove Street, dumped

several books onto her driveway earlier in the morning. When [REDACTED] attempted to return the books, Chad displayed a knife and made a slashing movement toward [REDACTED] with the knife. At that point, [REDACTED] retreated to her residence and called law enforcement.

At approximately 10:09 hours, the officers arrived on scene and contacted Chad at his residence. Throughout the contact, Chad left his front door and went back inside his residence. Chad repeated this type of behavior on multiple occasions. At one point, Chad came back to the door brandishing a wooden dowel large enough for Officer Fleming to air over the radio he was carrying a club. Chad went back inside and then came out again holding a box of knives. During their interaction with Chad, the officers determined he was likely mentally ill and would not comply with their efforts to detain him outside the residence. At that point, the officers decided to enter the house to arrest Chad for Felony Menacing.

As Sergeant Inazu, Officers Daigle and Fleming attempted to arrest Chad, he became physically resistive. During the struggle, Officer Barth deployed her Taser but it was ineffective and Chad continued to actively resist arrest. Eventually, the officers ended up on the ground with Chad as they fought to gain control of him. Shortly afterward, Officer Carroll arrived on scene and attempted to restrain Chad's legs. At that point, Officer Carroll noticed Chad's body go limp and immediately began performing emergency lifesaving measures while other officers requested an emergent medical response to the scene.

When medical personnel arrived on scene, they took over lifesaving efforts but pronounced Chad deceased a short time later.

CSPD METRO CRIME LAB

At approximately 1455 hours Crime Scene Investigator (CSI) Amanda Kimball #4867 began the process of documenting information from all five officers. This information consisted of photos of any Tasers deployed during the incident. Also taken were swabs and photos of any blood on the officer's uniforms, including gloves. General photos were taken of all the officers to consist of front, left side, right side back, hands, injuries, and footwear.

The following is a synopsis of evidence collection for each officer:

Officer Caroline Barth 5568

The first officer was Caroline Barth 5568. Officer Warren said she discharged her Taser X2 (Serial # [REDACTED]) during the incident, deploying one cartridge.

Officer Barth did not have any injuries and did not wear gloves during the incident.

CSI Kimball collected the Taser and placed it in temporary storage until the data reflecting the discharge could be downloaded for analysis.

Officer Jacob Carroll 6156

The second officer was Jacob Carroll 6156. Officer Carroll did not deploy a Taser during the incident. Officer Carroll's uniform trousers were dirty around the knees, indicating he had been in a ground struggle. Officer Carroll was wearing black leather and fabric gloves during the incident and they were swabbed and photographed by CSI Kimball before being returned to him. Officer Carroll did not have any injuries.

Sergeant Michael Inazu 2413

The third officer was Sergeant Michael Inazu 2413. Sergeant Inazu did not deploy a Taser during the incident. Sergeant Inazu's uniform trousers were dirty around the knees, indicating he had been in a ground struggle. Sergeant Inazu was not wearing gloves during the incident. Sergeant Inazu did not have any injuries.

Officer Matthew Fleming 6164

The fourth officer was Officer Matthew Fleming 6164. Officer Fleming did not deploy a Taser during the incident. Officer Fleming's uniform trousers were dirty around the knees, indicating he had been in a ground struggle. Officer Fleming was wearing black latex gloves during the incident and they were photographed before being collected by CSI Kimball. Officer Fleming had a scratch across the outside of his left forearm, and he complained of soreness around his knees. There was also some blood on Officer Fleming's left forearm near the outside of his wrist. CSI Kimball collected a swab of the blood on Officer Fleming's wrist and photographed his injuries.

Officer Joseph Daigle 3609

The fifth officer was Officer Joseph Daigle 3609. Officer Daigle did not deploy a Taser during the incident. Officer Daigle's uniform trousers were dirty around the knees, indicating he had been in a ground struggle. Officer Daigle was wearing black leather and fabric gloves during the incident and they were swabbed and photographed by CSI Kimball before being returned to him. Officer Daigle had a small scratch on his left wrist. There was a small spot of blood on the front of Officer Daigle's vest carrier. CSI Kimball collected a swab of the blood on Officer Daigle's vest carrier and photographed his injuries. Officer Daigle noticed some blood on his left forearm upon his arrival to the POC and he washed it off to prevent the transmission of any bloodborne pathogens.

Additional Info

While I was at the POC, I was notified by Detective Marcus Lemkuhl 1867 that, during the incident, Chad dialed 911 and contacted the EPSO Communications Center, complaining of "fake police" being present on his property before he disconnected the call. I contacted the EPSO Communications Center and requested a digital copy of the 911 call.

Detective Lemkuhl also provided digital copies of the 911 calls to the CSPD Communications Center in reference to this incident, as well as the digital recordings of all radio communications.

I entered a disc containing the CSPD 911 calls and radio transmissions into evidence as Item 1.

I entered a disc containing the EPSO 911 call into evidence as Item 2.

Case Supplement, 20-6021

Detective Statement:

On Thursday, May 28, 2020, at about 3:15 p.m., I, Detective Montville was observing Detective Courtney McCormack's interview with Colorado Springs Police Officer Caroline Barth, at the Office of the Sheriff, located at 27 East Vermijo Avenue, in Colorado Springs, Colorado.

During the interview, Officer Barth mentioned bruising and injuries to arm from the struggle with Burnett. At the conclusion of Officer Barth's interview, I took several digital photographs of Barth's upper right arm and elbow with and without scale. I noted at least three bruises in various states of healing on her arm and elbow.

I copied the photographs on a CD, and I entered the CD into the El Paso County Sheriff's Office Evidence Facility under item number 45. A copy of the evidence voucher is attached to this supplement.

Nothing Follows.

Supplement 20200527 0930 Glenn,David 13076

This is a supplement to EPSO case #20-6021

Case Information:

EPSO Case #20-6021

CSPD Case #20-18728

On Wednesday, May 27, 2020, at approximately 0930 hours, I, Detective Glenn, of the El Paso county Sheriff's Office Criminal Investigations Division, conducted follow up on this case. I interviewed Officer Matthew Fleming at the Office of the Sheriff, located at 27 East Vermijo Avenue, in reference to a use of force resulting in the death of Chad Burnett. The interview was conducted in Interview Room #4, which was outfitted with audio and video recording equipment. Officer Fleming was accompanied by Attorney John Newsome.

The following is a summary of the interview. However, it is not a verbatim account and additional details can be found in the video recording of the interview which was entered into evidence by Detective Courtney McCormack:

I began by establishing a timeline of events from May 23, 2020, the day prior to the use of force. Officer Fleming indicated he was off that day and spent his time doing yardwork. Officer Fleming went to sleep that night at a reasonable hour and had plenty of rest prior to waking up on May 24, 2020. Upon waking up, Officer Fleming ate breakfast and went to work.

At approximately 0900 hours, Officer Fleming arrived at the Colorado Springs Police Department Gold Hill Division Substation, located at 955 West Moreno Avenue, and began his workday by donning his duty uniform and locating his marked patrol vehicle in the parking lot outside the substation. Afterward, Officer Fleming attended his daily pre shift briefing, known as a "Lineup," which lasted approximately twenty minutes.

Upon leaving the Gold Hill Substation, Officer Fleming requested to be paired up on any calls for service with Officer Joseph Daigle. Officer Fleming then met Officer Daigle at a nearby coffee shop. When they got to the coffee shop, both officers were immediately dispatched to [REDACTED] Ashgrove Street in reference to a Felony Menacing call for service.

When Officers Fleming and Daigle arrived on scene, they realized [REDACTED] Ashgrove Street was inside a gated community at the end of a cul de sac. Officers Daigle and Fleming met with the security guard on duty, who provided some background information on Chad in reference to ongoing issues Chad had been causing throughout the neighborhood, including casing several disturbances, due to [REDACTED] over the past several months. During their conversation, Officers Fleming and Daigle learned Chad threatened to kill one of his neighbors, who lived at [REDACTED] Ashgrove Street, with a knife and then threw an item through the front window of another neighbor's house, at [REDACTED] Ashgrove Street, before going back inside his residence. Officers Fleming and Daigle were also made aware of Chad's physical characteristics, that he was a white male and was 6'07" weighing approximately 270lbs, and that he was known to have several firearms inside the residence and was hostile toward law enforcement.

During that time, Sergeant Michael Inazu arrived on scene and attempted to contact Chad at his residence with Officer Fleming while Officer Daigle interviewed the victims. After a few minutes, Chad opened the front door of his house and appeared to dump books and other items into the front yard before going back inside. Chad repeated this behavior for several minutes.

When they approached the house, Officer Fleming noticed a large red sports jersey covering most of the inside of the front window, which made it difficult to view the interior of the house. Officer Fleming attempted to peer inside the house through a small window next to the front door while Sergeant Inazu contacted Chad at the front door. Officer Fleming noticed Chad was holding a knife in one hand and a Guinness Stout beer in the other hand while they spoke with him. Additionally, Officer Fleming noticed several other knives laying inside the house within Chad's reach. During the contact, Chad refused to open the front door but did speak through the door with Sergeant Inazu for a few minutes. Officer Fleming indicated he could not hear most of the conversation between Chad and Sergeant Inazu but did hear enough of what Chad was saying such as, he was the Pope and they needed authorization from Rome to get him to come outside, to determine he was likely suffering from a [REDACTED] crisis. Sergeant Inazu spoke to Chad in calm tones to de-escalate the situation and obtain a statement from Chad. After several unsuccessful attempts to obtain a statement from Chad, Sergeant Inazu and Officer Fleming decided to follow up with Officer Daigle to determine the extent of any criminal charges arising from the investigation before continuing to attempt contact with Chad.

During that time, Sergeant Inazu assisted with interviewing the victims while Officer Fleming remained in the cul de sac and kept a visual eye on Chad's house. At some point, Chad came out of the front door holding a large wooden dowel, approximately 2' long and walked toward Officer Fleming while threatening to kill him, who calmly verbally challenged Chad, telling him to drop the dowel and relax. Chad complied and went back into the house. Officer Fleming indicated he was scared Chad might try to hurt him and placed his hand on his duty weapon as he spoke to Chad but he did not unholster it at that time because Chad complied with his order and did not continue to advance toward him. Afterward, Chad began repeatedly coming out of his house and going back inside. On some occasions, Chad came out of the house holding other objects such as knives and threw them into the front yard.

As the investigation continued, Sergeant Inazu relieved Officer Fleming in the street so he could assist with interviews. Chad continued to go in and out of the front door of his house and he also threatened to kill Sergeant Inazu.

After the interviews were complete, Sergeant Inazu met with Officers Fleming and Daigle, as well as Officer Caroline Barth who arrived on scene during the investigation, to discuss what they learned from the interviews. During the conversation, it was determined there was Probable Cause to arrest Chad for Felony Menacing and that the appropriate action was to book him into jail out of safety concerns due to his escalating aggressive behavior toward the other residents of Ashgrove Street.

At that time, Chad was in his yard in front of his house and the officers determined it was the best and most tactically sound opportunity to take Chad into custody at that time. Additionally, the officers believed it was necessary to restrain Chad right away, due to his size and irrational behavior and that they would not be able to verbally articulate to Chad he was going to be arrested without him attempting to flee into his home. The officers approached Chad and attempted to restrain him in handcuffs, but he pulled away from them and ran into his house. Officer Fleming ran inside after Chad and grabbed his right arm to keep him from fleeing further into the house. Officer Daigle and Sergeant Inazu joined Officer Fleming in trying to restrain Chad. During the struggle, Officer Barth deployed her Taser, but it was not effective. However, the officers were able to bring Chad to the floor and place him in handcuffs. The officers assisted Chad to his feet and began walking with him toward the front door. However, Chad began kicking and then bracing his feet to keep the officers from taking him through the front door. As Chad attempted to prevent the officers from getting through the door, he fell through the front door and struck his face on the front steps outside the house. The three officers fell on top of him as Chad continued to flail his feet and resist arrest. Officer Jacob Carroll arrived on scene while Chad flailed his legs on the floor and assisted the other officers by restraining Chad's legs with a leather strap.

A few moments later, the officers noticed a significant change in Chad's behavior, noting his breathing became shallow and he was no longer resisting arrest. The officers rolled Chad onto his back and one of the officers checked Chad's pulse and determined he still had a pulse. As Chad appeared to become unresponsive, his pulse was checked again, and the officers realized he no longer had a pulse. One of the officers began performing chest compressions on Chad while another requested an emergent response from medical personnel through their dispatchers. As one officer became fatigued from performing chest compressions, another took over, resulting in most of the officers on scene having performed chest compressions on Chad until medical personnel arrived on scene and took over treatment. After several more minutes of lifesaving efforts by medical personnel, including using an AED defibrillator, they pronounced Chad deceased.

<p>SEARCH WARRANT</p>	

Whereas **Detective Robert Sirois/13025** has made an Application and Affidavit to the Court for the issuance of a Search Warrant, and;

Whereas the application is in proper form and probable cause is found for the issuance of a Search Warrant to search the person(s) and or premises specified in the application.

THEREFORE, the applicant, and any other peace officer into whose hands this Search Warrant shall come, is hereby ordered, with the necessary and proper assistance, to enter and search within the next fourteen (14) days the person, premises, location and any appurtenances thereto, description of which is:

HP (Hewlett-Packard) laptop (model 15-DY1751MS, S/N [REDACTED] seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-16, from 4/23/20 to and including 5/24/20.

The following person(s), property or thing(s) will be searched for and if found seized:

See Attachment 'B' which is hereby incorporated in reference

as probable cause has been found to believe that it:

- Is designed or intended for use in committing a criminal offense, or
- Is or has been used as a means of committing a criminal offense, or
- Is illegal to possess, or
- Is stolen or embezzled, or
- Would be material evidence in a subsequent criminal prosecution, or required, authorized or permitted by a statute of the State of Colorado, or
- Is a person, property or thing the seizure of which is expressly required, authorized or permitted by a statute of the State of Colorado, or
- Is kept, stored, transported, sold, dispensed, or possessed in violation of a statute of the State of Colorado under circumstances involving a serious threat to the public safety, or order, or to the public health, or

- That would aid in the detection of the whereabouts of or in the apprehension of a person for whom a lawful arrest order is outstanding.

Furthermore, a copy of this warrant is to be left with the person whose premises or person is searched along with a list of any and all items seized at the time of its execution. If said person cannot be located or identified, a copy of the Search Warrant and the list of property seized shall be left at the place from which the property was taken.

Further, a return shall be promptly made to this Court upon the execution of this Search Warrant along with an inventory of any property taken. The property seized shall be held in some safe place until the Court shall further order.

So ORDERED this 5 day of June, 2020 at 1:59 A.M./P.M.

BY THE COURT:

Judge/Magistrate: Shannon Herbert

EP SO
08/25/20

DISTRICT COURT, EL PASO COUNTY COLORADO Court Address: 270 South Tejon Street, Colorado Springs, Colorado 80903		
RE: Search Warrant of HP (Hewlett-Packard) laptop (model 15-DY1751MS, S/N [REDACTED] seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-16, from 4/23/20 to and including 5/24/20.		▲ COURT USE ONLY ▲
El Paso County Sheriff's Office Case Number: 20-6021		Case/File Number:
		Division: Criminal Ctrm:
APPLICATION AND AFFIDAVIT FOR SEARCH WARRANT		

The undersigned, a peace officer as defined in 16-2.5-101 Colorado Revised Statutes, as amended, being first duly sworn on oath moves the Court to issue a Warrant to search those person(s) and/or premises known as:

HP (Hewlett-Packard) laptop (model 15-DY1751MS, S/N [REDACTED] seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-16, from 4/23/20 to and including 5/24/20.

The undersigned states that there exists probable cause to believe that the following person, property or thing(s) to be searched for, and if found seized, will be found on the aforementioned person(s) and/or premises and are described as follows:

See Attachment "B" which is hereby incorporated in reference

The grounds for the seizure of said person(s), property or thing(s) are that probable cause exists to believe that it:

- Is designed or intended for use in committing a criminal offense, or
- Is or has been used as a means of committing a criminal offense, or
- Is illegal to possess, or
- Is stolen or embezzled, or
- Would be material evidence in a subsequent criminal prosecution, or required, authorized or permitted by a statute of the State of Colorado, or
- Is a person, property or thing the seizure of which is expressly required, authorized or permitted by a statute of the State of Colorado, or

- Is kept, stored, transported, sold, dispensed, or possessed in violation of a statute of the State of Colorado under circumstances involving a serious threat to the public safety, or order, or to the public health, or
- That would aid in the detection of the whereabouts of or in the apprehension of a person for whom a lawful arrest order is outstanding.

The facts submitted in support of this application are set forth in the accompanying attachment designated as Attachment A which is attached hereto and made a part hereof.

RE: Search Warrant of HP (Hewlett-Packard) laptop (model 15-DY1751MS, S/N [REDACTED] seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-16, from 4/23/20 to and including 5/24/20.		▲ COURT USE ONLY ▲
El Paso County Sheriff's Office	Case Number: 20-6021	Case/File Number: Division: Criminal Ctrm:
ATTACHMENT A		

In support of a request for the issuance of a Search Warrant to search the location as described as

HP (Hewlett-Packard) laptop (model 15-DY1751MS, S/N [REDACTED] seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-16, from 4/23/20 to and including 5/24/20.,

Your Affiant, **Detective Robert Sirois/13025**, a Deputy Sheriff for El Paso County Sheriff's Office, currently assigned to the Investigations division, state under oath that I have personal knowledge of the following facts:

On 5/24/20 at about 1315 hours, El Paso County Sheriff's Office (EPSO) detectives responded to a deadly force incident involving the Colorado Springs Police Department (CSPD). The incident occurred at [REDACTED] Ashgrove Street, located within the city limits of Colorado Springs, El Paso County, State of Colorado.

CSPD officers were initially dispatched on 5/24/20 at about 0958 hours to [REDACTED] Ashgrove Street, where [REDACTED] reported her neighbor, Chad Burnett (DOB 8/16/70), pulled a knife out of his pocket and threatened her husband John Shaw. Carolyn described Chad as a 49 to 50 year old male, wearing sweatpants, and a tie dye red shirt, who lived in the area.

At about 1033 hours, CSPD officers arriving on scene reported to dispatch they were in contact with Chad at 2749 Ashgrove Street and he was holding a knife. Chad went back inside and then came back out of the residence with a club.

At 1058 hours, EPSO Dispatch received a 911 call from [REDACTED] and the caller stated the "fake police" were telling him to evacuate. He confirmed his address as [REDACTED] Ashgrove, but did not give a name. He screamed at the call taker to "get off his property" before hanging up.

At about 1133 hours, officers reported to dispatch they were in verbal contact with Chad who was again back outside, and everything was "code four", meaning "ok". At about 1140 hours, officers reported to dispatch a taser was deployed.

Statements taken from the involved officers later revealed the suspect went in and out of his house (█████ Ashgrove) multiple times. At one point when Chad exited the residence, the opportunity presented itself for the officers to attempt to detain him. While they attempted to gain control of Chad, one of the officers deployed their taser. Chad continued to fight with the officers for several minutes.

Chad eventually became unresponsive and officers began life saving measures. Medical was requested to respond emergent; however, paramedics were unable to resuscitate Chad.

A search warrant (20-1552) was issued for the home to assist in the investigation. During the search, the following devices were seized:

- An ██████ home surveillance system) base station (model VMB4000, S/N ██████)
- An HP laptop (model 15-DY1751MS, S/N ██████)
- A red Apple iPhone cell phone with a blue case

While on scene, EPSO detectives observed a surveillance camera mounted near the exterior of the front door by the porch light, which is overhead of where the incident occurred.

On 5/27/20, Detective Whitehead spoke with Chad's ██████ who told him, among other things, that she had spoken with Chad recently about issues he had with neighbors. ██████ said she could not remember which neighbor Chad had an issue with, but that it was a woman whom he had previously confronted. Earlier in May 2020, Chad told ██████ he believed a neighbor murdered his mother, and would "take a knife out there if he had to". ██████ further explained Chad's ██████ died from a heart issue, and Chad suffered from ██████

CSPD records showed there were 16 calls for service prior to the incident on 5/24/20 beginning on 4/23/20, which shows Chad had a significant amount of police contact leading up to the incident on 5/24/20.

Surveillance systems are often connected to other devices in order to store data as well as allowing the user to access that data. These devices include cell phones and computers, such as the seized cell phone or laptop computer. Arlo base stations, which connect to the cameras, are also capable of having additional storage attached to them, and can contain a copy of the surveillance data as well.

Based on the location of the front door camera and presence Arlo home surveillance equipment in the residence, I believe video evidence may be obtained from the Arlo base station, attached storage to the Arlo base station, the cell phone, and/or the laptop computer. The scope of the search will be for photographic and video evidence on the Arlo, cell phone, and laptop from the onset of cluster CSPD calls for service. This includes any data associated with the Arlo iPhone application or Arlo files located on the laptop computer.

I also believe further evidence located on the cell phone is material to the investigation regarding prior conversations about neighbors and police contact. Based on my experience, I know that people often talk to friends and family about their experiences with law enforcement, including any complaints they may have had from law enforcement contact. The seized cell phone likely includes relevant phone calls and any text messages, whether SMS, MMS, or via other phone applications designed for communication.

The facts set forth within this affidavit are based upon information Your Affiant has gained from this investigation, Your Affiant's personal observations, Your Affiant's training and experience, and/or information related to Your Affiant by other law enforcement officers. Since this affidavit is being submitted for the limited purpose of securing a Search warrant, Your Affiant has not included each and every fact known to him concerning this investigation, but has set forth only the facts that are necessary to establish probable cause to believe that evidence of a crime has occurred.

Whereas the application is in proper form and probable cause is found for the issuance of a Search Warrant to search the person(s) and or premises specified in the application.

THEREFORE, the applicant, and any other peace officer into whose hands this Search Warrant shall come, is hereby ordered, with the necessary and proper assistance, to enter and search within the next fourteen (14) days the person, premises, location and any appurtenances thereto, description of which is:

Arlo (home surveillance system) base station (model VMB4000, S/N [REDACTED]) seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-18, from 4/23/20 to and including 5/24/20.

The following person(s), property or thing(s) will be searched for and if found seized:

See Attachment 'B' which is hereby incorporated in reference

as probable cause has been found to believe that it:

- Is designed or intended for use in committing a criminal offense, or
- Is or has been used as a means of committing a criminal offense, or
- Is illegal to possess, or
- Is stolen or embezzled, or
- Would be material evidence in a subsequent criminal prosecution, or required, authorized or permitted by a statute of the State of Colorado, or
- Is a person, property or thing the seizure of which is expressly required, authorized or permitted by a statute of the State of Colorado, or
- Is kept, stored, transported, sold, dispensed, or possessed in violation of a statute of the State of Colorado under circumstances involving a serious threat to the public safety, or order, or to the public health, or

- That would aid in the detection of the whereabouts of or in the apprehension of a person for whom a lawful arrest order is outstanding.

Furthermore, a copy of this warrant is to be left with the person whose premises or person is searched along with a list of any and all items seized at the time of its execution. If said person cannot be located or identified, a copy of the Search Warrant and the list of property seized shall be left at the place from which the property was taken.

Further, a return shall be promptly made to this Court upon the execution of this Search Warrant along with an inventory of any property taken. The property seized shall be held in some safe place until the Court shall further order.

DISTRICT COURT, EL PASO COUNTY COLORADO Court Address: 270 South Tejon Street, Colorado Springs, Colorado 80903		
RE: Search Warrant of [REDACTED] (home surveillance system) base station (model VMB4000, S/N [REDACTED]) [REDACTED] seized during the execution of search warrant 20-1552 at 2749 Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-18, from 4/23/20 to and including 5/24/20.		▲ COURT USE ONLY ▲ Case/File Number:
El Paso County Sheriff's Office	Case Number: 20-6021	Division: Criminal Ctrm:
APPLICATION AND AFFIDAVIT FOR SEARCH WARRANT		

The undersigned, a peace officer as defined in 16-2.5-101 Colorado Revised Statutes, as amended, being first duly sworn on oath moves the Court to issue a Warrant to search those person(s) and/or premises known as:

Arlo (home surveillance system) base station (model VMB4000, S/N [REDACTED]) seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-18, from 4/23/20 to and including 5/24/20.

The undersigned states that there exists probable cause to believe that the following person, property or thing(s) to be searched for, and if found seized, will be found on the aforementioned person(s) and/or premises and are described as follows:

See Attachment "B" which is hereby incorporated in reference

The grounds for the seizure of said person(s), property or thing(s) are that probable cause exists to believe that it:

- Is designed or intended for use in committing a criminal offense, or
- Is or has been used as a means of committing a criminal offense, or
- Is illegal to possess, or
- Is stolen or embezzled, or
- Would be material evidence in a subsequent criminal prosecution, or required, authorized or permitted by a statute of the State of Colorado, or
- Is a person, property or thing the seizure of which is expressly required, authorized or permitted by a statute of the State of Colorado, or

- Is kept, stored, transported, sold, dispensed, or possessed in violation of a statute of the State of Colorado under circumstances involving a serious threat to the public safety, or order, or to the public health, or
- That would aid in the detection of the whereabouts of or in the apprehension of a person for whom a lawful arrest order is outstanding.

The facts submitted in support of this application are set forth in the accompanying attachment designated as Attachment A which is attached hereto and made a part hereof.

RE: Search Warrant of [REDACTED] (home surveillance system) base station (model VMB4000, S/N [REDACTED]) [REDACTED] seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-18, from 4/23/20 to and including 5/24/20.		▲ COURT USE ONLY ▲
El Paso County Sheriff's Office	Case Number: 20-6021	Case/File Number: Division: Criminal Ctrm:
ATTACHMENT A		

In support of a request for the issuance of a Search Warrant to search the location as described as

Arlo (home surveillance system) base station (model VMB4000, S/N [REDACTED]) seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-18, from 4/23/20 to and including 5/24/20.,

Your Affiant, **Detective Robert Sirois/13025**, a Deputy Sheriff for El Paso County Sheriff's Office, currently assigned to the Investigations division, state under oath that I have personal knowledge of the following facts:

On 5/24/20 at about 1315 hours, El Paso County Sheriff's Office (EPSO) detectives responded to a deadly force incident involving the Colorado Springs Police Department (CSPD). The incident occurred at [REDACTED] Ashgrove Street, located within the city limits of Colorado Springs, El Paso County, State of Colorado.

CSPD officers were initially dispatched on 5/24/20 at about 0958 hours to [REDACTED] Ashgrove Street, where [REDACTED] reported her neighbor, Chad Burnett (DOB 8/16/70), pulled a knife out of his pocket and threatened her husband [REDACTED] Carolyn described Chad as a 49 to 50 year old male, wearing sweatpants, and a tie dye red shirt, who lived in the area.

At about 1033 hours, CSPD officers arriving on scene reported to dispatch they were in contact with Chad at [REDACTED] Ashgrove Street and he was holding a knife. Chad went back inside and then came back out of the residence with a club.

At 1058 hours, EPSO Dispatch received a 911 call from [REDACTED] and the caller stated the "fake police" were telling him to evacuate. He confirmed his address as [REDACTED] Ashgrove, but did not give a name. He screamed at the call taker to "get off his property" before hanging up.

At about 1133 hours, officers reported to dispatch they were in verbal contact with Chad who was again back outside, and everything was "code four", meaning "ok". At about 1140 hours, officers reported to dispatch a taser was deployed.

Statements taken from the involved officers later revealed the suspect went in and out of his house ([REDACTED] Ashgrove) multiple times. At one point when Chad exited the residence, the opportunity presented itself for the officers to attempt to detain him. While they attempted to gain control of Chad, one of the officers deployed their taser. Chad continued to fight with the officers for several minutes.

Chad eventually became unresponsive and officers began life saving measures. Medical was requested to respond emergent; however, paramedics were unable to resuscitate Chad.

A search warrant (20-1552) was issued for the home to assist in the investigation. During the search, the following devices were seized:

- An Arlo (home surveillance system) base station (model VMB4000, S/N [REDACTED])
- An HP laptop (model 15-DY1751MS, S/N [REDACTED])
- A red Apple iPhone cell phone with a blue case

While on scene, EPSO detectives observed a surveillance camera mounted near the exterior of the front door by the porch light, which is overhead of where the incident occurred.

On 5/27/20, Detective Whitehead spoke with Chad's [REDACTED] who told him, among other things, that she had spoken with Chad recently about issues he had with neighbors. [REDACTED] said she could not remember which neighbor Chad had an issue with, but that it was a woman whom he had previously confronted. Earlier in May 2020, Chad told [REDACTED] he believed a neighbor murdered his mother, and would "take a knife out there if he had to". [REDACTED] further explained Chad's mother died from a heart issue, and Chad suffered from [REDACTED]

CSPD records showed there were 16 calls for service prior to the incident on 5/24/20 beginning on 4/23/20, which shows Chad had a significant amount of police contact leading up to the incident on 5/24/20.

Surveillance systems are often connected to other devices in order to store data as well as allowing the user to access that data. These devices include cell phones and computers, such as

the seized cell phone or laptop computer. [REDACTED] base stations, which connect to the cameras, are also capable of having additional storage attached to them, and can contain a copy of the surveillance data as well.

Based on the location of the front door camera and presence [REDACTED] home surveillance equipment in the residence, I believe video evidence may be obtained from the [REDACTED] base station, attached storage to the [REDACTED] base station, the cell phone, and/or the laptop computer. The scope of the search will be for photographic and video evidence on the [REDACTED] cell phone, and laptop from the onset of cluster CSPD calls for service. This includes any data associated with the [REDACTED] iPhone application or [REDACTED] files located on the laptop computer.

I also believe further evidence located on the cell phone is material to the investigation regarding prior conversations about neighbors and police contact. Based on my experience, I know that people often talk to friends and family about their experiences with law enforcement, including any complaints they may have had from law enforcement contact. The seized cell phone likely includes relevant phone calls and any text messages, whether SMS, MMS, or via other phone applications designed for communication.

The facts set forth within this affidavit are based upon information Your Affiant has gained from this investigation, Your Affiant's personal observations, Your Affiant's training and experience, and/or information related to Your Affiant by other law enforcement officers. Since this affidavit is being submitted for the limited purpose of securing a Search warrant, Your Affiant has not included each and every fact known to him concerning this investigation, but has set forth only the facts that are necessary to establish probable cause to believe that evidence of a crime has occurred.

El Paso County Sheriff's Office	Case Number: 20-6021	Case/File Number:
		Division: Criminal Ctrm:
ATTACHMENT A		

In support of a request for the issuance of a Search Warrant to search the location as described as

A red Apple iPhone with a blue case seized during the execution of search warrant 20-1552 at [REDACTED] Ashgrove Street on 5/24/20, currently located at Colorado Springs Police Department Metro Crime Lab, identified as item #S-22, from 4/23/20 to and including 5/24/20.,

Your Affiant, **Detective Robert Sirois/13025**, a Deputy Sheriff for El Paso County Sheriff's Office, currently assigned to the Investigations division, state under oath that I have personal knowledge of the following facts:

On 5/24/20 at about 1315 hours, El Paso County Sheriff's Office (EPSO) detectives responded to a deadly force incident involving the Colorado Springs Police Department (CSPD). The incident occurred at 2749 Ashgrove Street, located within the city limits of Colorado Springs, El Paso County, State of Colorado.

CSPD officers were initially dispatched on 5/24/20 at about 0958 hours to [REDACTED] Ashgrove Street, where [REDACTED] reported her neighbor, Chad Burnett (DOB 8/16/70), pulled a knife out of his pocket and threatened her husband [REDACTED]. [REDACTED] described Chad as a 49 to 50 year old male, wearing sweatpants, and a tie dye red shirt, who lived in the area.

At about 1033 hours, CSPD officers arriving on scene reported to dispatch they were in contact with Chad at [REDACTED] Ashgrove Street and he was holding a knife. Chad went back inside and then came back out of the residence with a club.

At 1058 hours, EPSO Dispatch received a 911 call from [REDACTED] and the caller stated the "fake police" were telling him to evacuate. He confirmed his address as [REDACTED] Ashgrove, but did not give a name. He screamed at the call taker to "get off his property" before hanging up.

At about 1133 hours, officers reported to dispatch they were in verbal contact with Chad who was again back outside, and everything was “code four”, meaning “ok”. At about 1140 hours, officers reported to dispatch a taser was deployed.

Statements taken from the involved officers later revealed the suspect went in and out of his house (█████ Ashgrove) multiple times. At one point when Chad exited the residence, the opportunity presented itself for the officers to attempt to detain him. While they attempted to gain control of Chad, one of the officers deployed their taser. Chad continued to fight with the officers for several minutes.

Chad eventually became unresponsive and officers began life saving measures. Medical was requested to respond emergent; however, paramedics were unable to resuscitate Chad.

A search warrant (20-1552) was issued for the home to assist in the investigation. During the search, the following devices were seized:

- An █████ (home surveillance system) base station (model VMB4000, S/N █████)
- An HP laptop (model 15-DY1751MS, S/N █████)
- A red Apple iPhone cell phone with a blue case

While on scene, EPSO detectives observed a surveillance camera mounted near the exterior of the front door by the porch light, which is overhead of where the incident occurred.

On 5/27/20, Detective Whitehead spoke with █████ who told him, among other things, that she had spoken with Chad recently about issues he had with neighbors. █████ said she could not remember which neighbor Chad had an issue with, but that it was a woman whom he had previously confronted. Earlier in May 2020, Chad told █████ he believed a neighbor murdered his mother, and would “take a knife out there if he had to”. █████ further explained Chad’s █████ died from a heart issue, and Chad suffered from █████.

CSPD records showed there were 16 calls for service prior to the incident on 5/24/20 beginning on 4/23/20, which shows Chad had a significant amount of police contact leading up to the incident on 5/24/20.

Surveillance systems are often connected to other devices in order to store data as well as allowing the user to access that data. These devices include cell phones and computers, such as the seized cell phone or laptop computer. Arlo base stations, which connect to the cameras, are also capable of having additional storage attached to them, and can contain a copy of the surveillance data as well.

Based on the location of the front door camera and presence Arlo home surveillance equipment in the residence, I believe video evidence may be obtained from the Arlo base station, attached storage to the Arlo base station, the cell phone, and/or the laptop computer. The scope of the search will be for photographic and video evidence on the Arlo, cell phone, and laptop from the onset of cluster CSPD calls for service. This includes any data associated with the Arlo iPhone application or Arlo files located on the laptop computer.

I also believe further evidence located on the cell phone is material to the investigation regarding prior conversations about neighbors and police contact. Based on my experience, I know that people often talk to friends and family about their experiences with law enforcement, including any complaints they may have had from law enforcement contact. The seized cell phone likely includes relevant phone calls and any text messages, whether SMS, MMS, or via other phone applications designed for communication.

The facts set forth within this affidavit are based upon information Your Affiant has gained from this investigation, Your Affiant's personal observations, Your Affiant's training and experience, and/or information related to Your Affiant by other law enforcement officers. Since this affidavit is being submitted for the limited purpose of securing a Search warrant, Your Affiant has not included each and every fact known to him concerning this investigation, but has set forth only the facts that are necessary to establish probable cause to believe that evidence of a crime has occurred.

Supplement 20200605 1100 Sirois,Robert 13025

This is a supplement to El Paso County Sheriff's Office case 20-6021.

Initial Information

On 6/5/20 at approximately 1100 hours, I, Detective Robert Sirois/13025 of El Paso County Sheriff's Office (EPSO), assisted Detective McCormack/13150 in obtaining search warrants for three devices seized under search warrant 20-1552 in this case, identified at the following Colorado Springs Police Department Metro Crime Lab (MCL) evidence locations:

- ? MCL #S-18, [REDACTED] (home surveillance system) base station (model VMB4000, S/N [REDACTED])
- ? MCL #S-16, HP laptop (model 15-DY1751MS, S/N [REDACTED])
- ? MCL #S-22, red Apple iPhone cell phone with a blue case

I prepared warrants for the above devices from information provided by EPSO detectives and contained within case up to this point.

Obtain Search Warrants

At approximately 1345 hours, I arrived at 270 South Tejon Street (El Paso County Combined Courts), and presented Judge Gerhart (Division H) with the three search warrants. Judge Gerhart reviewed them, swore me to their facts, and signed them.

I took the search warrants to court records, and obtained the following court search warrant numbers for them:

- ? 20-1651, HP laptop
- ? 20-1652, [REDACTED] base station
- ? 20-1653, red Apple iPhone

The signed warrants are attached digitally to this report.

Case status: SAO.

23 May 04:28	2A88	2	
23 May 04:28	2A78	2	
23 May 04:46			OFFICERS CHECKED THE SURROUNDING AREA OF THREE LAKE AVENUE AND [REDACTED] WESTGATE ROAD FOR THE SUSPECT AND WAS UNABLE TO LOCATE HIM. OFFICERS DID LOCATE THE SUSPECT VEHICLE PARKED ON LAKE AVENUE JUST EAST OF BOTH RESIDENCES. THE RP STATED THAT LOCAL AREA SECURITY SAW THE SUSPECT IN THE AREA HOWEVER WITHIN 100 YARDS OF EITHER RESIDENCE THEREFORE THE SUSPECT WAS NOT IN VIOLATION OF THE PROTECTION ORDER. OFFICERS ADVISED BOTH THE RP AND RESIDENT AT [REDACTED] WESTGATE ROAD THAT THEY SHOULD GET EXTERIOR CAMERAS TO DOCUMENT IF THE SUSPECT CREATES A PATTERN OF ARRIVING IN THE NEIGHBORHOOD. OFFICERS PROVIDED THE CALL SCREEN NUMBER TO BOTH PARTIES. OFFICERS ALSO LEFT A VOICE MESSAGE WITH THE SUSPECT AT [REDACTED] RE-ADVISING HIM OF THE PROTECTION ORDERS THAT HE IS REQUIRED TO STAY AWAY FROM BOTH RESIDENCES. NO

Supplement for Case: 20-6021
INCIDENT: DFIT
Detective C. McCormack
Supplement #3

Follow Up Information

On Wednesday, May 27, 2020, at approximately 9:00 am, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division conducted follow up in reference to this case.

Several CSPD officers were scheduled to be interviewed on today's date to begin at approximately 9:30 am. The interviews scheduled were previously assigned to various detectives to complete. Supplements will be completed by those detectives.

Interview with Officer Jacob Carroll (Officer Carroll Interview)

At approximately 12:28 pm, I interviewed Officer Jacob Carroll. The interview was conducted in Interview Room #4, which is audio and video recorded. The following is a synopsis of the interview with Officer Carroll and should not be considered verbatim transcript.

I began the interview with Officer Carroll discussing how he prepares for work. Officer Carroll stated due to him working an early shift, he is usually asleep around [REDACTED] and awake around [REDACTED].

Officer Carroll is assigned to the Gold Hills division with Colorado Springs Police Department. His shift is [REDACTED]. He has worked for CSPD since July 2017. He was trained out of the Stetson Hills division then transferred to Gold Hills.

Uniform Information (Officer Carroll Interview)

Officer Carroll wears a traditional uniform, with black boots, navy pants, and French blue shirt with a badge attached to it. The shirt has emblems on the sleeves with the CSPD logo identifying him as a police officer. Officer Carroll wears a duty belt containing his duty gun, a taser, his body worn camera (BWC) remote, keys, spare magazines, a radio, a baton, and gloves. Officer Carroll also utilized leather gloves occasionally during calls for service. He was wearing these gloves during this incident.

Body Worn Camera Device (Officer Carroll Interview)

Officer Carroll is assigned a BWC device that fits into a sleeve attached to his uniform. There is a lens in the middle of the uniform to allow for it to see the incidents occurring. The device can be activated via the middle button on the remote attached to his belt, the lights and sirens of the vehicle, and the release button on the rifle rack. There is a mute button the remote for the device, however it must be held down to be activated. To stop the device from recording you have to press the button 3 times. There is also volume buttons and a status check button on the devices remote. The device was activated during the incident on May 24, 2020.

Vehicle Information (Officer Carroll Interview)

Officer Carroll was driving a marked Colorado Springs Police Department vehicle that is equipped with lights that are red and blue, a siren, a computer, and a dash camera. The dash camera was not in operation during this incident. Officer Carroll was asked during the interview if there was any way anyone in the community could mistake for not being a police officer. He stated they could not, that it was very obvious he was a law enforcement officer.

Day of Incident (Officer Carroll Interview)

Officer Carroll described his morning before responding to the incident occurring at Ashgrove Street. He explained he began his shift by running traffic in high traffic areas. He then responded to a few calls for service to include a check the welfare on an elderly individual and a proactive policing event at the Southgate Ross.

Ashgrove Incident (Officer Carroll Interview)

Officer Carroll advised he was not originally assigned to the call for service occurring at [REDACTED] Ashgrove Street. Officer Carroll was monitoring the call for awhile and was aware various officers had responded as the call was going on. He also was aware Officer Barth aired over the radio a taser was deployed.

More units were requested after this and Officer Carroll advised he would respond. He believed the officers sounded as though they had the situation under control and did not respond to the address Code 3, which is a lights and sirens response. It took approximately 5 minutes for Officer Carroll to get on scene.

When Officer Carroll got on scene, he identified Sergeant Inzau's vehicle parked in the cul-de-sac and Officer Barth's unmarked vehicle parked in the driveway of the home. Officer Carroll could hear screaming and yelling coming from inside the address.

However, he was unable to make out what was being said by any of the officers or Mr. Chad Burnett. Officer Carroll advised he was surprised by this because previously it was aired over the radio, they had Mr. Burnett detained.

When Officer Carroll got to the entrance of the home, he could see the officers struggling with Mr. Burnett attempting to subdue him to take him into custody. At that time, he identified a set of flex cuffs being utilized as leg restraints on Mr. Burnett. Officer Carroll had identified the leg restraints being utilized were not as good of quality as what was in his marked vehicle and offered to go get leg restraints. All officers on scene advised the leg restraints would be beneficial for them.

Officer Carroll responded back to his vehicle, retrieving leg restrains, and returned to the scene. Officer Carroll took over controlling Mr. Burnett's legs and placed the leg restraints on Mr. Burnett. He removed the flex cuffs off of Mr. Burnett with a pair of scissors.

Officer Carroll continued to control Mr. Burnett's legs to allow for Sergeant Inza to manage the scene. The officers continued to monitor Mr. Burnett while they awaited medical to check Mr. Burnett due to him being tased.

Officer Carroll advised he had no knowledge of Mr. Burnett's behavior and was not sure what he should be expecting from him. As they continued to monitor him, Officer Carroll was informed by the other officers, Mr. Burnett's behavior was now inconsistent with what was expected. They then became aware of his digression medically. Officer Carroll advised, none of the officers were on Mr. Burnett preventing him from breathing in any way.

Mr. Burnett was placed into a recovery position and medical was requested to respond quicker to the address. When Mr. Burnett's pulse and breathing stopped, he was placed onto his back and CPR compressions were started until AMR arrived.

Mr. Burnett was un-handcuffed to allow for AMR to access him and conduct lifesaving measures. Officer Carroll and other responding officers took turns delivering lifesaving measures to Mr. Burnett until the Colorado Springs Fire Department (CSFD) arrived on scene. CSFD took over lifesaving measures.

Officer Carroll advised he felt the AMR and CSFD response was slow, which had upset him during this incident. Officer Carroll also stated he felt that they had not responded adequately to understand the situation of what was going on.

While AMR and CSFD continued to work on Mr. Burnett, Officer Carroll assisted them in moving items out of the entry way of the home to the porch to allow them more room to work.

Officer Carroll was asked about injuries to himself and others on scene. Officer Carroll advised he did not sustain any injuries from the incident. He was aware Officer Fleming had abrasions to his arm and all officers appeared out of breath. Officer Carroll was aware Mr. Burnett had a laceration to his nose or mouth. He did not observe when this laceration occurred and believed the laceration may have been what left the blood on the front step of the entrance way to the home.

Weapon Information (Officer Carroll Interview)

Due to Officer Carroll responding later during the call for service he was only made aware of the knife, Mr. Burnett was in possession of. Officer Carroll did see several knives and tools that could be utilized as weapons in the entry way of the home.

Taser Information (Officer Carroll Interview)

Officer Carroll was not on scene when the taser was deployed by Officer Barth or during other portions of the use of force.

Officer Carroll's interview concluded at approximately 12:51 pm.

Calls to Nona Capace and Jack McGafery

Throughout the day I received several phone calls from individuals in regard to this case. I returned the calls to Ms. [REDACTED] and Mr. [REDACTED] for follow up. Both individuals advised they were friends of Mr. Burnett and were trying to obtain information in regard to the investigation. I advised this information would not be released.

Both individuals also advised Mr. Burnett was an alcoholic and had recently been in a downward spiral [REDACTED] Both indicated their conversations recently with Mr. Burnett were odd and felt Mr. Burnett was making irrational statements.

The phone calls were recorded on my office issued handheld device and placed into evidence.

Call Screens EPSO and CSPD

Call screens from this incident for CSPD and EPSO were retrieved and placed onto a disk for evidence. Prior calls for service involving Mr. Burnett were also retrieved at this time.

Evidence

Several items of evidentiary value were retrieved in reference to this case and placed into the El Paso County Evidence Facility. The following is the evidence entry information.

- Item # 16 - Phone calls to [REDACTED] [REDACTED] and [REDACTED] [REDACTED]
- Item #17- CSPD Call Screens
- Item #18- EPSO Call Screens
- Item#19- Call Screen History for Mr. Burnett
- Item #20- Officer Jacob Carroll Interview

Supplement #10

On Monday June 8, 2020 at approximately 8:32 am, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division conducted follow up in refence to this case.

While reviewing Officer Barth's interview I noticed the audio did not download correctly. Due to this, the interview was redownloaded and placed into evidence as a duplicate item.

The interview was placed into the El Paso County Evidence Facility as Item #81.

I have nothing further at this time.

Follow Up Information

On Thursday, May 28, 2020, at approximately 1:45pm, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division conducted an audio and video recorded interview in reference to this case.

Interview with Officer Caroline Barth

At approximately 2:00 pm I interviewed Officer Caroline Barth. The interview was conducted in Interview Room #4, which is audio and video recorded. The following is a synopsis of the interview with Officer Barth and should not be considered verbatim transcript.

Uniform/ Preparation

I began the interview with Officer Barth discussing her nightly routine and how she prepares for work. Officer Barth wakes up at [REDACTED] arrives to the station at [REDACTED] Officer Barth's line up for her shift occurs at [REDACTED].

Officer Barth is assigned to the Gold Hills Division with a daily shift of,

She wears a marked office issued CSPD uniform, with a light blue shirt and patches on the sleeves identifying her as a Colorado Springs police officer. Officer Barth wears a duty belt containing her duty gun, extra magazines for the gun, a taser, her handcuffs, OC Spray, Narcan, gloves, a radio, a Body Worn Camera (BWC) remote, and a flashlight.

Officer Barth is assigned an office issued BWC device that is worn under her uniform shirt on top of her cavalier vest. The uniform shirt has a gromet to allow for the BWC to see out. She explained the device's remote is kept on her duty belt and can be manually activated by a button on it. The device can also be activated by lights and sirens and being tapped several times. The day of the incident the device was activated manually by the remote. She explained the device can be muted by holding a button for a long period of time. The device can be deactivated by the remote.

Officer Barth does not have an assigned vehicle and was driving a black unmarked Dodge Charger on May 24, 2020. The vehicle is equipped with lights and a siren to symbolize she is a police officer. The lights are in the front and back dash and the taillights. The vehicle does not have a dash camera.

Day of Incident Information (Barth Interview)

Officer Barth explained on Sunday, May 24, 2020 she got up and did her normal daily routine. She went to work arriving around [REDACTED] to the Gold Hills Substation. She got dressed at the Substation then went to lineup room to be assigned a vehicle. When she located a vehicle, she loaded her daily equipment into the car for the day. She then attended line up for the day.

After line up, Officer Barth went to her assigned district and began going to calls for service.

[REDACTED] Ashgrove Street Response (Barth Interview)

Officer Barth explained her involvement in the use of force incident occurring on May 24, 2020. Officer Barth advised she was not initially dispatched to the address, however, was requested to respond when more units were requested. Officer Barth read the call screen and was aware there was a gentleman on scene whom threatened his neighbor with a knife. She knew he was coming in and out of the home with various items to include a club. The male had threatened someone with a club on scene.

When Officer Barth arrived on scene, she was briefed by the Sergeant on scene. The other officers were inside the menacing victim's house getting more information. Due to Mr. Burnett having a bat and knife and other various items it was determined they could no longer let him go in and out of the address with these items to prevent him from hurting anyone. Officer Barth was advised at this time, they may have to utilize a taser to take him into custody. It was unknown if Mr. Burnett had any other weapons inside the home.

Officer Barth noticed a ring doorbell on a neighbor's home and went to speak with them regarding possible video footage. While there she learned of a cell phone video of the incident. She was able to identify Mr. Burnett threatening the neighbor with a knife.

While inside the address, Officer Barth began hearing talking coming from outside. At this time, Officer Barth responded outside with her office-issued taser in hand, placed behind her back. Her Sergeant and Mr. Burnett were outside speaking. Mr. Burnett then turned going back into his home. Officer Barth reholstered the taser and again entered the neighbor's home to finish reviewing the video footage.

Officer Barth again began hearing talking coming from outside, causing for her to return to the location of the other officers. At that time, she identified Officer Fleming, Officer Daigle, and Sergeant Inazu speaking with Mr. Burnett. Officer Barth again unholster her taser, holding it behind her back. The officers began approaching Mr. Burnett to take him into custody. Mr. Burnett began stating things along the line of why you don't just kill me. The officers advised that was not what they wanted to do.

Mr. Burnett began getting agitated and ran into the house. Due to Mr. Burnett's odd behavior and the possibility of weapons being utilized by Mr. Burnett, it was determined that the officers would attempt to take him into custody. The officers followed Mr. Burnett into the home as he began attempting to flee from being taken into custody.

While inside the home, the officers attempted to gain control of Mr. Burnett but were unsuccessful due to Mr. Burnett's size. As the physical altercation was occurring, Officer Barth disengaged and deployed her office-issued taser, deploying a single cartridge from the taser.

Officer Barth advised the contact from the taser was not very effective due to it being a small span because of how close she was to Mr. Burnett and the other officers in the area.

All officers fell to the floor with Mr. Burnett still trying to take him into custody. Officer Barth advised during this time she put her taser aside attempting to help but was unsuccessful. At this time Officer Barth arced her taser approximately two times for one-second cycles in attempt to allow for the other officers to gain control of Mr. Burnett. Mr. Burnett did not have neuromuscular failure from the taser but appeared distracted from it. Mr. Burnett was able to be placed in handcuffs by Officer Barth at this time.

Officer Barth was unsure if both prongs contacted Mr. Burnett but could hear him responding by only saying, "Ow," however, did not feel the taser was successful. Officer Barth advised she did not feel the taser was successful due to Mr. Burnett not responding with neuromuscular failure which is typical with the utilization of a taser.

Mr. Burnett was stood to his feet and began being escorted by the officers out of the home. Mr. Burnett appeared to be temporarily compliant with the officer's orders. As they approached the entrance of the home, he again became noncompliant and began asking one of the officer's questions.

At this time, Mr. Burnett turned and lunged back falling on the front porch of the home. Mr. Burnett continued to struggle with officers. Mr. Burnett was able to get back into the entrance of the home.

As the officers were fighting with Mr. Burnett inside the entrance of the home several items in the home began falling over such as the table and a vase. During the physical struggle the officers gave several verbal commands to Mr. Burnett, but he was not compliant.

While on the floor of the entrance of the home, sergeant Inazu briefly left to get zip leg restraints for Mr. Burnett to prevent him from fighting further with officers. While this was occurring, Officer Carroll arrived with leg shackles and assisted in placing them on him.

Mr. Burnett became more compliant and the officers remained with him in the entrance awaiting medical due to the taser being activated. While this was occurring Officer, Barth cleared the home with Officer Elisabeth Ried.

When she returned, she was informed Mr. Burnett became unresponsive and lifesaving measures began.

Officer Ried and Officer Barth met AMR at the gate to the neighborhood to allow them in to assist with life saving measures. AMR and the fire department took over these measures from the officers.

Officer Barth could remember leaving during the altercation to mover her patrol car closer to the address to place Mr. Burnett in. She was unsure when she did this during the incident.

Taser Information (Barth Interview)

Officer Barth utilizes a yellow and black x26 taser. She keeps it on her left side utilizing a cross draw with her right hand. There are two red lights that illuminate when the taser is on.

During the incident Officer Barth attempted to aim the taser center line for deployment but advised due to close corridors, the taser did not have a good span. The arch switch on the taser was utilized on the right side of the device during this incident. Officer Barth described the taser to make a pop sound when it is deployed. Officer Barth did not believe the taser was successful because Mr. Burnett was continuing to stand and fight when it was deployed.

Officer Barth could not remember when she activated the device for deployment during the incident. She could not remember when she deactivated the device, but knew she removed the wires from the cartridge. The spent cartridge remained in the device and was removed during processing at the Police Operations Center.

Officer Barth stated once she removed the wires from the device it was reholstered on her belt.

Officer Barth is trained on the taser during the academy and yearly. During that training they deploy cartridges during scenario-based training. There is also Use of Force Policy they are trained on for the device.

The taser is downloaded quarterly by the agency. The battery and functionality of the taser is checked periodically by the officer. Officer Barth could not recall the last time she checked these items.

The taser is issued specifically to the Officer once completion of the academy.

Suspect Info (Barth Interview)

Officer Barth explained Mr. Burnett was a tall white male, larger in build. He was older in age with lighter color hair. His behavior was up and down being peaceful then agitated. Several times Mr. Burnett became agitated and aggressive by throwing things and fighting with him.

Injuries (Barth Interview)

Officer Barth was unaware of injuries to the other officers. She had several bruises located on her arms that were photographed the night of the incident.

She was aware Mr. Burnett had a cut to his forehead from falling on the cement.

The interview concluded with Officer Barth at approximately 2:45 pm.

A copy of the interview was burned and placed into evidence.

BIS Information

I was notified by Detective Nick Brklich he had contacted Broadmoor Security (BIS) and was provided a call history related to the address on Ashgrove Street. Detective Brklich will review the information and complete a supplement on what is found.

A copy of the call history was provided to me and placed into evidence.

Autopsy Information

A copy of the autopsy report was requested from the El Paso County Coroner Office as it comes available. It will be placed into evidence when it is received.

Colorado Springs Fire Department Information

A copy of the Colorado Springs Fire Department (CSFD) call history related to this incident was requested from CSFD as it comes available. It will be placed into evidence when it is received.

Evidence

The following items were placed into the El Paso County Evidence Facility.

Item # 46- Paper copy of BIS call history information for the Ashgrove address.

Item # 47- Disk with recording of Officer Barth's Interview.

Supplement 20200604 McCormack,Courtney 13150

Supplement for Case: 20-6021

INCIDENT: DFIT

Detective C. McCormack

Supplement #8

On Thursday, June 4, 2020, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division conducted follow up in reference to this case.

Body Worn Camera Review

A brief review of the body worn camera (BWC) footage was completed this time. During the review it appeared the officer interviews coincided with the footage of the incident.

During the review of Officer Caroline Barth's BWC device I was able to identify Officer Barth deploying her taser as the other officers are attempting to take control of Mr. Burnett whom is actively fighting them. The video shows a 5 second cycle consistent with the taser download report.

Mr. Burnett continues to try to fight off the officers despite the taser and two additional arch cycles can be heard for 1 second each. During this time, Mr. Burnett responds verbally to the taser and is able to be placed into handcuffs.

Mr. Burnett is then stood up and attempted to be walked out of the home. He is verbally and physically responsive to officers during this time. The wires from Officer Barth's taser are removed at this time, taking the device out of use during this incident.

As the other officers and Mr. Burnett approach the entrance to the address, Mr. Burnett begins applying his weight backwards against the officers. He appears to be doing so to stop them from walking him out of the home. Due to this, the officers and Mr. Burnett fall out the front door onto the cement steps. Mr. Burnett again begins to try to fight to get away from the officers. He is provided several verbal commands as the officer's attempt to take control of him. Mr. Burnett is able to be controlled and stood up. Mr. Burnett is still physically and verbally responsive to the officers.

At this time, Officer Barth leaves briefly to bring her patrol vehicle closer to the address to allow for Mr. Burnett to be transported.

When the officers attempt to bring Mr. Burnett to the vehicle he dives backwards into the home landing in the entrance way. Another physical altercation ensues, and Mr. Burnett is placed in leg restraints.

Shortly after this, Mr. Burnett appears to become unresponsive and life saving measures begin.

I have nothing further at this time.

AMR Report

On Monday June 8, 2020 at approximately 7:45 am, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division received a follow up email in refence to this case.

The email was from AMR and was in regard to a previous request for the incident report from May 24, 2020 involving Mr. Chad Burnett. Attached to the email was a link to a secure folder for the report to be downloaded.

I reviewed the report briefly and noted it stated coinciding information that was provided by Colorado Springs Fire Department and the officers on scene.

The report was printed and placed into evidence as Item #82.

I have nothing further at this time.

CASE STATUS- Active Investigation

Supplement 20200527 1129 Riley,Mark 02073

Case number: 2020-00006021
Offense: Att. Murder of Peace Officer
Date: 06/04/20
By: Detective Mark Riley #02073

On May 27, 2020, I, Detective Mark Riley #02073 of the El Paso County Sheriff's Office (EPSO), Investigation Division, conducted follow up on this case.

At approximately 11:29 a.m., I conducted an interview of Colorado Springs Police Department (CSPD) Sergeant Michael Inazu. This was completed in Interview Room #4 at the El Paso County Sheriff's Office Investigations Division. The full recording of the interview with Officer Aragon was later downloaded onto a CD and placed into evidence as Item #22 for this case.

The following is a synopsis of the recording and should not be considered a word for word transcription. For full details of the interview, the CD containing the recording should be watched in its entirety.

I begin the interview by obtaining Sergeant Inazu's full name from him. He has been employed with the Colorado Springs Police Department for 17 years.

He is currently a Patrol Sergeant with the CSPD Gold Hill Division on day shift. His normal work hours are [REDACTED]. His current work schedule is [REDACTED].

The day of this incident was a normal work day for him. He tells me he got normal sleep the night prior to this incident. Sergeant Inazu considers normal sleep to be between 5-6 hours.

I ask Sergeant Inazu about the normal duty uniform he wears during his shift.

During his shift, he wears the standard CSPD Patrol Uniform which consists of boots, navy blue 511 pants, dark blue slacks, a external vest carrier with his ballistic vest with a uniform polo style shirt underneath with CSPD patches. His badge and name plate is on the vest. He wears his duty belt as well. The vest carrier also has a body worn camera attachment.

Sergeant Inazu tells me he was wearing a body worn camera for this shift and believes he had it activated for most of this incident. He does remember shutting it off for a brief time when they were discussing specific statements from a victim.

I ask Sergeant Inazu how the body worn camera is activated. He tells me it is through a watch he wears on his left wrist. He explains the process used with the watch to shut off or to mute the camera.

I ask him to describe what is carried on his duty belt. On the right front is his sidearm in a drop holster, his pepper spray is attached to the holster attachment. Continuing around the belt, he has a set of handcuffs, a flashlight, his radio, and magazine pouches on the left front.

His duty weapon he was carrying was the Smith & Wesson M & P 2.0 9mm. He does not carry a backup weapon.

I ask Sergeant Inazu to explain what he did during his work on the day of the incident, in as much detail as he can remember from the beginning through this incident.

Sergeant Inazu describes normal administrative duties prior to leaving to assist in patrol duties.

At about 10:00 a.m., he was relieved of office duties so he could spend the remainder of his shift on patrol.

Once on patrol duty, he heard over the radio that there was a weapons display or weapons brandishing call. Sergeant Inazu was familiar with the address given due to a string of emails detailing an individual and his deteriorating state. The emails documented a increasing frequency of calls to the area reference "Chad".

After hearing the call and remembering the email string, Sergeant Inazu pulled up the call screen and decided to respond to assist officers.

As he arrived, he saw officers speaking with a lady as well as Broadmoor security personnel. After officers finished speaking, Sergeant Inazu was given a brief on what was going on.

He was given basic information that the female had a window broken out and was a witness to the knife display. Broadmoor security also relayed multiple contacts with the male and a general concern over the escalating behavior. They also believed the male had firearms inside the home.

Sergeant Inazu spent some time looking at previous call screens from responses to the home in order to get a better idea of what they were dealing with.

Further briefing from continuing interviews revealed neighbors had dealt with "Chad" several times in the past.

These interviews were to determine if legitimate criminal charges were warranted for this call.

Sergeant Inazu and another officer had interaction with Chad at this point. They spoke with him through the front door of the residence.

Several statements given by Chad was weird, like he was a priest and a ranger.

Sergeant Inazu asked Chad if he had threatened his neighbor with a knife. Chad denied doing that.

During the contact with Chad at the doorway, Sergeant Inazu observes two knives located on a table just inside the home.

At one point, Sergeant Inazu tells Chad that he needs to come out of the house to sign his ticket. Chad refuses.

Sergeant Inazu tells me at this time he still had a lot of concern over Chad's state of mind and the multiple interactions with neighbors.

Contact was made again with neighbors. During this contact, Sergeant Inazu is told about books Chad placed in a neighbors yard. Chad then went over to the neighbors yard when the neighbor was picking the books up and threatened them with a knife.

Based on this additional information, Sergeant Inazu determines there is probable cause for the Felony Menacing charge against Chad.

Sergeant Inazu sends officers into the victim's home in order to get individual statements from the husband and wife.

Sergeant Inazu calls for an additional unit to assist while officers are doing victim interviews.

Chad made numerous trips outside of the home and threw books, clothes and misc items into the front yard.

Chad brought out a wooden dowel. He spun the dowel while making threats. Another time he brought out a metal fireplace poker.

Sergeant Inazu tries to start a conversation about Hawaii. This only lasts a short time before Chad ran back into the house.

Sergeant Inazu estimates they asked Chad 50 times to come outside of the house.

Sergeant Inazu re-positioned his vehicle to provide cover due to the report from security about weapons in the home.

The officers completed the victim interviews and confirmed they had enough to arrest for menacing.

They continued trying to engage Chad with any type of conversation, in the hope he would come out where he could be taken into custody.

Chad came out of the house again, wearing different clothing. He was wearing a Toronto Maple leaves.

Chad comes out to a point where Sergeant Inazu believes they can rush Chad to take him into custody.

Sergeant Inazu tells me he sprinted toward Chad with the full intention of beating him before he could reach the door.

Chad reaches the door and begins to shut it. Sergeant Inazu pushes the door open and grabs Chad's left arm. Chad went to the ground. Chad is actively fighting officers at this time.

At one time during the fight, Sergeant Inazu sees Chad reach toward another officer's gun.

The taser was deployed but appeared to only be pain compliance.

At some point during the fight, Chad tells them he is finished and they get him handcuffed.

They stand him up and begin to walk him outside. Chad tells them he is not leaving the house. Chad starts struggling with the officers and uses his legs to push off something, making all of them fall to the floor a second time.

Sergeant Inazu ended up on Chad's legs. Chad was fighting actively with his legs. They determined they needed shackles put on his legs. Shackles could not be found so flex cuffs were put on his legs.

During this time, Chad stops all fighting. Medical personnel were on the way due to the Taser deployment and the decision was made to keep him where he was until medical arrived.

Sergeant Inazu asked if Chad was breathing. He, along with at least two other officers checked to make sure Chad was breathing. Sergeant Inazu checks for a pulse and couldn't find one. They rolled him to his side and then to his back. They begin to start chest compressions. They continue until medical arrives.

A short time after medical arrived, they indicated Chad was deceased.

Once the duty lieutenant arrived, the officers involved were taken to the Police Operations Center.

Sergeant Inazu confirms the knives he saw Chad holding and on the table were folding knives with approximately 3.5-inch blades.

I ask Sergeant Inazu about his earlier comment about Chad threatening him with the fireplace poker. He confirms Chad told him he was going to kill Sergeant Inazu.

I ask Sergeant Inazu about his statement "Beat him". He clarifies this is meant to beat Chad to the door so they can take him into custody.

Sergeant Inazu tells me they did not rush through this call and gave Chad numerous opportunities to comply and come out of the house.

Sergeant Inazu tells me when he was threatened by Chad, it confirmed his assessment of Chad and his state of mind and danger to neighbors.

Sergeant Inazu believes the Taser was activated two times.

Sergeant Inazu received a few scuffs during the fight but no injuries.

Sergeant Inazu confirms he did not see anything done during the fight which was outside of CSPD policy. He did not see any holds or chokes which could have been a contribution to Chad's death. Sergeant Inazu was surprised when Chad died during this altercation.

I take a break from the interview at approximately 12:12 p.m. I return at approximately 12:16 p.m.

I ask Sergeant Inazu about the photos on his work phone.

I ask him about ancillary duties he has done in his career. He confirms he was a crisis negotiator and went to multiple trainings throughout his time in law enforcement.

There are no further questions and the interview is ended at approximately 12:18 p.m.

INCIDENT: DFIT
Detective C. McCormack
Supplement #6

On Wednesday, June 3, 2020 at approximately 8:00 am, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division received a follow up email in refence to this case.

CSFD Patient Care Report

I received an email from Colorado Springs Fire Department (CSFD) with a copy of the patient care report for Mr. Chad Burnett from May 24, 2020. This care report is associated to the incident occurring at [REDACTED] Ashgrove Street.

The report advised AMR was on scene before CSFD arrived there. On their arrival there was blood on the ground to the front entranceway to the door. AMR was preparing to begin life saving measures and Colorado Springs Police Department (CSPD) officers were conducting compressions on Mr. Burnett.

CSFD took over compressions from the officer and began life saving measures for Mr. Burnett with AMR. A defibrillator was used on Mr. Burnett during this time frame however their efforts were unsuccessful.

The report advised Mr. Burnett had suffered from cardiac arrest.

The report provided by CSFD was placed into the El Paso County Evidence Facility under evidence Item #49. A copy is attached to this report.

I have nothing further.

Case status: Active investigation.

Supplement 20200529 1030 McCormack,Courtney 13150

Supplement For Case: 20-6021
INCIDENT: DFIT
Detective C. McCormack
Supplement #5

On Friday, May 29, 2020 at approximately 10:30 am, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division received the following email in refence to this case.

Email from Ms. [REDACTED]

All,,

I received your information from [REDACTED] [REDACTED] You visited him following the death of Mr. Burnett on Sunday evening.

The home at [REDACTED] Ashgrove is currently owned by an estate in which Mr. Burnett was the personal representative. In light of Mr. Burnett's death, my clients are the only interested persons in that estate, but do not have legal authority to take possession of the home without a court order. We have a hearing set on Tuesday to have a successor appointed.

However, given the recent press surrounding the incident (a "juicy" article on the front page of the Gazette today, ugh), I am quite concerned about securing the property. I have no idea "who" has the keys at this point or if the door was locked following your investigation.

Is your investigation completed with regard to the home? If so, we may take action to secure the home this afternoon unless you advise otherwise.

Thanks,

This is a supplement to El Paso County Sheriff's Office case 20-6021.

Initial Information

On 6/12/20 at approximately 0949 hours, I, Detective Robert Sirois/13025 of El Paso County Sheriff's Office (EPSO), examined EPSO evidence item #74, which was MCL #S-18, [REDACTED] (home surveillance system) base station (model VMB4000, S/N [REDACTED])

The device did not contain any local storage, according to [REDACTED] and required external storage to be plugged into the USB ports on the back, which did not have anything attached; therefore, there was nothing to examine. Arlo's primary means of storing data is via a "cloud" service.

Evidence

I entered the photos I took of the device into evidence, identified as item 85.

I placed the device back into evidence.

Case status: SAO.

Supplement 20200615 McCormack,Courtney 13150

Supplement for Case: 20-6021

INCIDENT: DFIT

Detective C. McCormack

Supplement #13

On Monday, June 15, 2020, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division conducted follow up in reference to this case.

Information from CSPD

Reports conducted by Colorado Springs Police Department (CSPD) in reference to this case were previously requested via Detective Matt Kerr with CSPD. However, on Monday, June 8, 2020, Detective Kerr advised there would be a delay in receiving these items due to their unit being temporarily reassigned for Protests occurring in Colorado Springs. Detective Kerr advised they would attempt to have the items to EPSO in a timely manner.

This supplement is for information purposes only.

I have nothing further at this time.

CASE STATUS- Active Investigation

Supplement 20200609 Price,Jon 02034

On June 9, 2020, I, Detective Jon Price #02034, received the transcript of my interview with Officer Joseph Daigle. I reviewed the transcript in comparison with the audio recording of the interview to insure its accuracy.

The transcript is attached to this supplement.

NFI / SAO

Daigle Interview Transcript

OTS room #4. May 27, 2020, 10:45-11:27 am, DVD=Evidence Item #10

INTERVIEW WITH OFC. JOSEPH DAIGLE Q=Det. Jon Price A=Ofc. Joseph Daigle

Q1=Attorney John Newsome

Q: (Unintelligible), right?

A: Yeah.

Q: Okay. How's it going? I know I already...

A: Pretty good.

Q: ...introduced myself but here's my card.

A: Appreciate it.

Q: My name is Jon I'm a detective here. I've been with the office for about 18 years. Um, my role today is strictly neutral. I'm just here to ask questions.

A: Sounds good.

Q: I'm sure you understand we're being recorded and all that.

A: Yep.

Q: Tell me a little bit about yourself as far as...

A: We - do you want the mask on or?

Q: It's up to you. Whatever you're most comfortable with.

A: Easier to talk with it off.

Q: Right, right.

A: If that's all right.

Q: Um, how long have you been with CSPD?

A: So I've been with CSPD, what is it? I started the academy July of 2017.

Q: Okay.

A: And then I was a cop in Commerce City for two years as well.

Q: So you have about four years experience?

A: Almost five.

Q: Have you had, uh, any specialized assignments so far or is it just patrol?

A: Just patrol.

Q: And what, uh, what district or substation are you assigned to?

A: Out of Gold Hill.

Q: Is that where you've been your entire career?

A: Yes. All the time. I like it so...

Q: Why do you like it?

A: Yeah. I grew up on that side of town so I know it the best, so I feel more comfortable over there.

Q: And which shift are you assigned?

A: [REDACTED].

Q: [REDACTED]?

A: [REDACTED].

Q: [REDACTED]

A: Mm-hm.

Q: And what days off do you have?

A: I have [REDACTED].

Q: Okay. So you work like [REDACTED] [REDACTED] like the [REDACTED] day of the week?

A: Yeah. [REDACTED] is my [REDACTED] day so...

Q: Had you had any other calls that morning, Sunday morning?

A: That was the first one.

Q: First one out of the box?

A: Yep.

Q: All right. And how did the call start? What did dispatch tell you?

A: So me and Officer Fleming were on our way to go grab coffee in the morning like we usually do and then run calls throughout the day and right before we did that, uh, dispatch called us for a weapon's display. So we skip the morning routine. We headed over there. When we got there Broadmoor Security had already done - had already responded to that - that house 'cause they're familiar with it. So, before we even started doing anything there was no one outside, nothing. Um, started talking to security. I forget his name. He said that the guy at the address was - the address was [REDACTED] I think. And, uh, he starts telling us he's been having - he had a lot of issues with (unintelligible) their disturbances and stuff like that. And then he also told us that it's known that that guy might have a lot of weapons inside the house, firearms and stuff like that. Um, so once we get that info some of the neighbors saw us there so they kind of started coming out. Um, we thought he was inside the house because the Broadmoor Security was telling us he's about 6'7", about 250 pounds and there was a jersey that was inside the, um, the - the front door's got windows on the side that are about six inches wide and we saw - I forget what team - but we saw a jersey that was hanging up in the window and we thought that was him just kinda watching us and what we were doing. So we just had one of us keep an eye on the house by this point. Sergeant Inazu has already arrived on scene. I go to one of the neighbors, I think it was at, uh, [REDACTED] and I start talking to them about what, you know, just get a rough story about what happened. They told me that the other - there was another neighbor at [REDACTED] and this is all in a cul-de-sac. 27 - not at - I - I can't remember the other neighbor's house but the other neighbor that lives next door to the deceased he, uh, she sees his dog walking around. She doesn't want any contact with that guy. So she goes to the neighbors at [REDACTED] and hooks the dog up on a leash and walks him over there. Well, when she gets there she goes inside, stands by the (unintelligible) and I think she had saw her walking the dog across the street because he was outside. And as she comes outside the neighbors at [REDACTED] come outside and he's got a bunch of items in his hands. He's got books and bibles and all this personal stuff. So they meet at the end of driveway at [REDACTED] and there's a flower planter box or whatnot at the end of the driveway that's on [REDACTED] property. So he's - according to the neighbors he's kind of oblivious that the dog is there and doesn't realize it. So, he starts trying to hand over the personal property to those neighbors. Well the neighbor is like, "No, I don't - I don't want - I don't want to take your stuff this is - this is yours." So he gets upset. Throws the stuff on [REDACTED]'s driveway and the witness John sbends over or kneels down to start picking up the items and as he's kneeling down Chad takes a - pulls out a knife and as he's pulling out the knife he flips the blade out. And the witness said it was probably about a six inch blade. And, you know, he's 6'7" so he's standing over him like this and he says, "Leave my stuff alone or I'm gonna kill you." So at first the neighbor thought, "Okay, maybe he's just threatening me." And then he kind of thought a little more and goes, "Actually, I think this guy might end up stabbing me." So he stood up and backed off and tried to engaged in conversation with him. Like, "Hey, I thought we were friends. I thought we were cool." Um, then he just kept yelling and then he ends picking up his stuff and running back inside. So gathering that story we had to go back to the house a few times, uh, because as I was interviewing those neighbors Chad would run outside and start hollering and throwing books and knives into the front yard, um, and then run back inside. So since Officer Fleming and Sergeant Inazu are out there I wanted to be in the parking lot - or in the cul-de-sac as well in case something happened. So when he'd run back inside I'd go back to the neighbors and try and talk to 'em. So I'm back there a second time. He runs back outside. Starts screaming and yelling at us. He starts threatening that he's gonna kill us. Um, Officer Fleming and Sergeant Inazu are trying to make - trying to contact him through the front door and I'm kind of standing kind of at the driveway where the front - driveway and the front, uh, sidewalk meet. I'm standing right there just trying to see if he's gonna come out the side of the house because if he's got a back door and all this, um, backyard connect. So we're trying to make conversation with him through the front door and I see - I would hear him say like, "Oh, he's got a knife in his hands." Or, "He's got a drink in his hands." And they're

just trying to come up with any conversation to get him to open up the door to come talk to us. That way we could at least get his side of the story and see what actually happened. Um, he never does, never opens up the door when we're trying to communicate with him. We just end up communicating with him through the front door, through the windows. So we ended up backing off and then I went to go talk to a neighbor because she had her window broken as well. And during that incident where he threw the books down and picked up his stuff to go back inside, he tossed an unknown object at her window and broke the first pane. It was a two-pane window and he broke the first one. So I went and talked to her to see what was going on and her story matched the guy at [REDACTED]. She saw him standing out with a knife threatening to kill him but she didn't really hear what words were exchanged. Um, so after talking with Officer Fleming and Sergeant Inazu we kind of - Inazu went over there and talked to the neighbors as well and got a story from them. It was a little conflicting to what I got. So Inazu stayed in the cul-de-sac and Officer Fleming and I went in there and separated the parties 'cause they were feeding off each other originally. So we separated them and got good statements of actually what happened and met - the three of us met up again. And we're like, "Okay, no we do have felony menacing charges." And criminal mischief charges as well. So now we got a felony. We can't just walk away from this. So Inazu had positioned his car since we knew that he potentially's got firearms in the house. He positioned his car in the middle of the cul-de-sac so we at least had cover in case he does come out with a gun 'cause he had come out once before with a baseball bat and starts walking toward me and Fleming who were sittin' - or standing in the cul-de-sac and he's raisin' it up and swinging it around and yelling at us, you know, "I'm gonna kill you guys." And we start slowly backing off and we're - we're about an hour into this now, you know, just trying to talk with this guy. We start backing off and he still is hollering and yelling at us and then he runs back inside. Comes back outside. He had already thrown books all over - scattered all over his front yard, the two knives that we think might have been used during the felony menacing but we know if he's got other knives in the house. He'd thrown those on his front yard. We had an - we went up and collected those knives so now they're out of the picture. At least, you know, he's not gonna use them for anything. So we grab those knives, put 'em in one of our cruisers and he comes outside again with what looks like a fire poker, but it's got three sharp edges on the end of it. It looks like it's cast iron and he's doing the same thing that he did with the wooden bat. Um, he starts swinging it around yelling, "I'm gonna kill you guys." So Inazu was at the neighbor's house talking with them and he comes out and he has his taser down and the guy sees Inazu kind of walking through the front yard and he runs back in the house (unintelligible). So we finally get him - after ten, fifteen minutes goes by he comes out again and we're trying - he - he's wear - he's changed sweatshirts. He's wearing a different sweatshirt now and I guess Sergeant Inazu recognized it to be a football team or a hockey team and he - the guy's claiming that he's playing for that professional league. So Inazu tried to engage him in conversation about that. "Oh, tell me a little a little more about that," or, "I can't really see your sweatshirt. Why don't you come a little closer to us?" 'Cause we - what we want to do is get him away from the house so we can grab him, cuff him, and now secure him in the vehicle and continue the investigation. What we didn't want is to walk up and then he barricades himself inside the home especially with a firearm. So we got him further away from the door as much as we think we could and what he was willing to do 'cause he came out to like halfway through his front yard. And we all kind of - we discussed it before where like we can get this guy far enough from his home we're gonna rush him or we're gonna drop him. So we kind of looked at each other and we're like all right I think this is as far as he's gonna go. I think we got enough distance between where he's at and the front door to grab him before he goes inside. So we ran towards him and he sees us and actually he starts running back in the home. Well he doesn't get the door shut right away. We were able to push it back open and also we didn't want one officer in there with the door shut and locked fighting with this guy and then we're outside and we can't get in the home. So we pushed the door open right as he was trying to close it. We get inside and my memory's kind of fuzzy from there because all I remember is running in. We grab him to try and grab his arms to cuff him and he throws us to the ground. During that - well I forgot a part. Before that, Inazu had called for a backup officer to show up. So he - it was him and a backup officer, uh, that was Officer Barth, um, who had came outside while we were talking to the neighbors. So she's there as well. So the four of us ran inside. I heard her pop the taser, um, but I don't remember that going. I just remember hearing the taser pop because I'm tryin' to wrestle one of his arms to get it from - 'cause he had his arms under him. We're trying to wrestle one of his arms out to get a cuff on it and then get the other one and get a cuff on that one. So, the taser goes off. Doesn't seem to work very well. Um, you can hear him kind of like say, "Ow." You know, in pain kind of grunt a little bit but I don't feel him lock up like he should or anything plus he's wearing a sweatshirt at this point now. So I think it was enough pain that we were able to grab one of his arms and put a cuff on that one and pull it out from under him and then this whole time we were all telling him, "Stop resisting." You know, "Give us your - give us your arms or give us your hands." Once we were able to get that first cuff on he gave us that other arm. So we put that cuff on and then he calmed - we all calmed down like, "Okay, cool." So were like, "Okay, Chad, you know, just cooperate with us. We're just - we're gonna walk you out to the car. We're gonna stand you up and walk you out to the car. Just - just walk out with us, okay?" And he kinda, you know, he's breathing. He's talking with us. I don't really remember what he said and I think he said something like, "Oh, okay. We're gonna walk out now." So we all stand him up and we start walking. He's - he's still hunched over and still trying to pull us back a little bit but we're able to kinda move him forward so he could walk. We get to the front door. As soon as we get to the front door he shoved me into the back of the wall and Officer Fleming and I are trying to get through the doorway and it's tight with the three of us. We get through the doorway. I don't know if he yanked us and pulled us down onto the ground or if his foot tripped on something, but it felt like we got pulled down to the ground forcefully - rather than he just tripped. So now we're on the front entryway of the front door on the - on the front sidewalk and he's still fighting us there. We don't use the taser again. Um, we were able to - and - and that only lasted maybe 20 seconds or so. At least that's what it felt like 'cause he kinda - he kinda calms down a little bit and then we - we stop. We're like patting him on the back like, "Chad come on. We're gonna get you secured in the vehicle which we gotta do, okay. Stop fighting us." So Barth runs over and gets her car and brings it up into the driveway in the front yard area so we don't have to walk as far to get to a vehicle and we can close that distance and get him secured as quick as we can. So she runs and gets his car and he - he's talking to Fleming and he says, "Hey, I just wanna - I wanna ask you one question." And Fleming's like, "Okay. You can ask me a question but I need you to stand up too. You can ask me that question as we're walking down to the car." So I never knew what the question was. We finally get him stood up again and then he don't even take one step forward. He knows what we're gonna - he knows we're trying to put him in the car and he throws us back inside the house. Now we're back in the front entryway of the home. And we all trip on the

front step into the front door and fall down onto the ground and he's still fighting us. And I'm up by his shoulder and I'm trying to keep his shoulder down, keep his arms from moving around and even though he's cuffed up like I'm trying to secure that part of his body while everyone else is trying to secure him to keep him from moving. Officer Carroll shows up at this point and comes inside and sees his legs are, uh, 'cause Inazu had got, um, like the sides - not the sides but, uh, trying to remember the name or what they're call but...

Q: Flex cuffs?

A: Yeah, flex cuffs. And put 'em on his ankles but it wasn't working too good. So Carroll had some leg shackles in his car so he ran out there and grabbed those. Cut off the flex cuffs and put the shackles on, um, 'cause he was still kicking around. And Fleming and I are up by his head and shoulders and the whole time I'm looking at his head and I'm making sure that it's not obstructed and I can see his face, I can see his mouth and nose. He's still breathing. He's still grunting and talking, trying to get away from us. Well as that goes on we finally get the flex cuffs on him. Once we get the flex cuffs on him - or not the flex cuffs but the, uh, ankle shackles on him then it seemed to kind of calm down a little bit. And I'm not - he's still really tense but he's not fighting as much anymore so we just - we're still holding him. Medical had already been on their way since we tazed him. We already called for medical. Um, so we looked - Inazu says, "Hey, just be careful. He could just be playing possum." And, you know, as we pick him the fight's on again. Um, so we're all mindful of that. So since he wasn't - since he was still tense so he wasn't kind of moving we made sure that his chest was rising and I could see - or everyone say, "Yeah, I can see a rise in his chest." The position I was in I couldn't really see anything but - of his sweatshirt but someone else announced that they could. I made sure I could still feel a pulse. Inazu checked, could still feel one. After about a - I don't know how much time went by but - and then again, we checked again, could still feel one and Inazu said he could see his eyes moving. So we rolled him onto his shoulder, um, and the plan was to wait, get medical, once medical showed up, get the stretcher out there, bring it to the front door and put him on a stretcher and wheel him into the ambulance. Because with the taser we already knew he was going to the hospital (unintelligible). So that way we could - we wouldn't have to walk him again. We'd just throw him on a stretcher, strap him down. Well then someone said they couldn't see his chest rising anymore so I think we had already bumped medical up to Code 3. Now they're running hot and - and I couldn't feel a pulse. Sergeant Inazu checked it. He couldn't feel a pulse anymore either. So we immediately rolled him onto his back and started compressions and worked him. And we - we traded off. Um, I think Inazu started then - then was Fleming and then I know I - and it was Fleming that started then I tagged Inazu out and then Carroll relieved me and then medical showed up and relieved him. And they did their life saving procedures but as we know it was unsuccessful. Trying think if I missed anything in the story. No.

Q: Okay. Well I take it, um, you were in uniform at this time?

A: I was, yes.

Q: Okay. Was it Class A, Class B?

A: It was Class B. Just regular patrol uniform. It had the (unintelligible) blue patches with the Colorado Springs Police, the badge, whole duty belt.

Q: So it was obvious you're officers?

A: Yep. And, uh, marked - two marked cruisers including Inazu's.

Q: Were - are you in a marked cruiser?

A: I was, yeah.

Q: Okay. Was there anybody riding with you?

A: Nope, just me.

Q: Did, uh, Chad ever acknowledge you as an officer or recognize you?

A: He kept calling us fake Police. But I had talked to - before all this happened I - when I talked to, um, the neighbor, the neighbor said that the previous day Chad was trying to give away valuables like his mom's pearl necklace, his - the wedding ring that his mom had, and then the title to his Corvette in the garage. And John thought that was kind of weird and he gave all the stuff back. Um, and then he was also, like when he threw all his property down onto the ground he was also claiming that, you know, him and John weren't friends unless John was a Texas Ranger and that he's only friends with Texas Rangers and he knows those guys. And then he said he was San Diego Police. And then someone had told - I think it was Broadmoor Security told us that he doesn't like Colorado Springs Police because he thinks they're fake Police. But he likes the Texas Rangers and San Diego Police. So he knew we were officers but I think he - in his mind he acknowledged that we weren't because he see CSPD as fake cops. So...

Q: What was your perception of his [REDACTED] state?

A: He was - he wasn't all there. Uh, as in he wasn't rational like - like you and I right now, you know. Running out - a rational person wouldn't run out of the house throwing items and yelling and screaming and running after cops and threatening them with a fire poker and baseball bats and stuff like that. Um, it wasn't normal behavior.

Q: What was your perception of his physical size in comparison to you three officers?

A: He was a lot bigger than us. Yeah, we initially were told he was about 6'7", 250 and when he first stepped out of the house he was 6'7", 250. Somewhere in the ballpark. He was a tall, big dude.

Q: And it sounds like you guys had difficulty...

A: Yeah, it was - it was - when we first started fighting him it was Barth, Fleming, Inazu and myself and I still felt like we were losing the fight so I called for more officers. Um, and even - and especially when the taser didn't work. I was like I just was thinking it's probably going to be best if we had at least one other person here. If we couldn't get his arms out we couldn't get him in cuffs. The taser wasn't working. Um, eventually we did get him in cuffs but...

Q: It took four of you to do it.

A: Yeah, it was - yeah it was - it was difficult. I've been in a few fights before and this was one of the most difficult ones.

Q: Um, at one point you mentioned I think that he threw you guys back into the house.

A: Yeah.

Q: Can you describe that better?

A: So as we stand up when we're in the front portion of the house, or on the front steps, as soon as we stood up I just - I felt him tense and then he just throws his whole body weight back inside to the front foyer of the home.

Q: Okay.

A: And that caused Officer Fleming and I to get pulled back into the house and as we get pulled back I think - it's not like I tripped on the front steps, it felt like my boot caught it and threw me onto the ground. Um, I just remember hitting like the - the back of my duty belt and all that hitting his, uh, table and whatnot because it was just so violent how he pulled us back into the home. And then once we went in we all went - fell right down onto the ground. And...

Q: So he was able to pull you off balance, pull you off your feet?

A: Yeah, we got pulled off our feet two or three times and that was with at least two or three of us holding onto him trying to control him.

Q: You mentioned your duty belt. What's on your duty belt?

A: So I have my two ammo caches, my cuffs, uh, my gun, my baton, Taser's on this side with my radio behind it and then I got a flashlight behind my radio and then my four belt keepers.

Q: Do you ever access any of your weapons?

A: No. The only time I - I had my gun out was when we were initially trying to make contact with him at the front door and I hear Fleming say, "He's got a knife in his hands." So I just unholstered it and hid it behind my - my leg. I want to be ready but I also didn't want him to see it because I wanted him to come out and talk with us and I was like, okay I want to be ready but if he sees a gun I don't want him to not open up the door.

Q: Okay.

A: So that was the only time I pulled it and then I never touched it for the rest of the call.

Q: Was there any thought of - did you ever have a thought of using your less lethal?

A: My less lethal?

Q: Mm-hm.

A: It crossed my mind right as I saw Barth had her taser out. And then once I knew her taser was out I'm not gonna pull mine out.

Q: Okay.

A: We need more hands on this guy to try and control him rather than two us trying to use our tasers. So she tazed him once and then arced it and both times didn't work.

Q: So you're over at the [REDACTED] Do you know those people's names?

A: I - I just - I never got the, uh, I didn't talk to, uh, wife. Fleming did. Um, I talked to the guy and his name is John. I can't remember his last name. I think it was - I think it was a simple last name but I can't remember.

Q: Fair enough.

A: It was like Smith or something like that. But I just remember his first name is John.

Q: Okay. As you're talking to John, how many times does Chad come in and out of the house?

A: Well I was in - when we were doing the - 'cause I did some basic detailed interviews with him. I did like two of 'em to try and clarify some questions. Chad had come out of the house at least four times. Um, and each time I would, you know, look over there, make sure they're okay or I'd break - break the interview and walk over there and see (unintelligible) and Chad would run back into the house.

Q: And when Chad's coming out how far out is he coming?

A: He'd come maybe - the first couple times he would come up to his front sidewalk and then just start...

Q: All the way out to the cul-de-sac?

A: Not the cul-de-sac but the front, uh, pathway that connects the driveway to the front door.

Q: Okay.

A: From like the beginning of the grass. Um, first couple times he'd come out to there and then we would start trying to - not me but Inazu seemed like he had a better rapport with this guy. He would start con- you know, trying to initiate a conversation with Chad to get Chad to talk to us so we could get Chad's side of the story but it never worked.

Q: And at that point you hadn't made the decision to arrest or anything, you just wanted to...

A: Yeah, at that point we were still in the initial investigation phase. We think - at that point we thought we probably had felony menacing but we wanted to clear up a few more details with the witness and the victim. Um, so we were really just trying to get Chad out so we could talk to him and say, "Hey, tell me your side of the story. What happened?" But he never engaged us in conversation. In fact he would just scream at us and I don't - I don't remember what he was saying. A lot of times in the middle of the cul-de-sac it was hard for me to hear. Um, then I would go back and talk to John and then he would come out a few more times. But when we were act- when Fleming and I were actually doing the detailed interviews with John and his wife that's when Inazu called for Officer Barth to be out there with him, uh, so he would have two people out there in case they did have to fight him. We - I don't know where Fleming was but I was inside the house with John in his office so I didn't see how many times he had come outside.

Q: So you complete that interview. You come out. And then what happened?

A: I come outside. Inazu had already moved his vehicle in front of the house in case he - just on the off chance that he comes out with a gun because we had information that he potentially could have a few firearms in that house. As soon as I come outside I think Chad had just gone back inside. I remember Inazu saying he was just outside. He had just gone back inside. And then I tell Inazu, I was like, "Hey, real quick. This is what I got. We're gonna have felony menacing because the victim was on his property and all the books and whatnot that he threw down was on his property." And he's like, "Okay. Well we can't leave in the course of a felony." And, uh, so then Chad comes outside and instead of - we were trying to avoid a barricaded situation, you know, with the information that he might have guns in there. We didn't want him to barricade himself inside that house and now we have to go in tactical and all that. We would rather just arrest him and, you know, that way we could get out of there and avoid that whole situation because, you know, barricaded situation is not good so we didn't want that to happen. But all the other - all the other neighbors were pretty nervous with Chad, um, and they all tried to avoid him. So we didn't wanna put them in - in danger either. And as Chad was coming outside there was a - there is a public sidewalk that goes parallel to his house and as he was outside yelling at us he was changing direction and starts cussing and screaming at people walking by that aren't even involved, just walking their dog and have no idea what's going on. Um, and then when - that was when he came outside and we were able to finally get him far enough away from the house where we felt

we could grab him and - and arrest him without him barricading himself inside.

Q: You guys make the decision to arrest. How many times has he come in and out of the house after that before you actually able to...

A: Make the arrest?

Q: Yes.

A: So before we made that decision, um, he had probably come out of his house ten times. And then when - that was when we got him as close it looked like he was gonna get to us.

Q: So on the decision to arrest at the time you were able to contact him he was in and out ten times?

A: Uh, no before that.

Q: Okay.

A: Before we made the decision to arrest and we went and contacted him it was probably about ten times but once I came out of the house and I was like, "No, we - we have probable cause to arrest him for felony menacing," it was just the one time. He had gone back in the house. He came out. We saw that as our opportunity to - to try and engage him in conversation. Again, "Hey, come talk to us," you know, "Let me see that sweatshirt," you know, "Tell me about you're - you're playing for the professional team." I think it was a hockey team or something like that. Um, and he seemed like he got a little comfortable, so he was taking a few more steps towards us and he just stopped and then we were like ok we can close this gap pretty quick let's - let's get him. And, um...

Q: So at that point were you just slowly walking towards him or was it just a full out charge?

A: No, it was a full out sprint.

Q: Okay.

A: It was a full out sprint and what we didn't want was him to get inside the house.

Q: You get inside the house, he falls, you described his arms as being underneath him.

A: Yes.

Q: So he must be like face down.

A: Yeah, he was face down but I think his head was turned.

Q: Okay. Was his face towards the front door or face into the living room?

A: I think he was facing into the living room.

Q: Okay.

A: I think he was if I remember correct. I think it was in the living room.

Q: What's he saying at that point; do you remember?

A: He's - he's more screaming trying to get off - trying to get us off of him and all that. And we're - we're telling him, "Chad, you're under arrest. Stop - stop resisting," um, you know, "Stop fighting us." And I just - I'm focused on getting his arm out from underneath him. We never got a chance to - to pat him down or anything like that. That was our first contact with him, our physical contact. Um, so we - I wanted his hands out from under him as quick as possible because I didn't know if he had shoved a gun in his waistband and then put a sweatshirt on to conceal it. Um...

Q: Which arm are you holding on?

A: I think it was his - I think it was his left arm. I think that was the first one to cuff first 'cause we were able to Barth and I were able to grab that and pull it out from under him and then put a cuff on that one.

Q: And who had his left - his right arm?

A: I think it was Inazu and Fleming. I remember someone was next to me trying to get that right arm. I don't remember who it was. It

had to have been the two of them 'cause there was only the four of us at this point.

Q: I think I understand the rest of it. Do you have any questions?

Q1: Did - did you see - did you use any choke holds on this guy?

A: No.

Q1: Did you see any choke holds used on this guy?

A: I didn't see any.

Q1: Did you see anything that was outside your training or CSPD policy?

A: No. Nothing.

Q1: What was your reaction when this guy died?

A: I was like - I was just like - I was surprised

Q1: Uh, did you - did you guys - did you, or in your presence any other officer, do anything that would cause death?

A: No. No, we were - we were all - when he - when he died we were like, "Holy shit." We weren't expecting this. You know, it was a shock to all of us. Like we - there was nothing that either one of us did that would - that I feel would've caused that.

Q: Did he ever complain of chest pains or...

A: No.

Q: ...shortness of breath or any medical distress?

A: Nothing. He never asked for medical. He never - even though we had medical on the way for the taser initially he never asked for it. He never complained of, "I can't breathe. I can't," nothing.

Q: And at the end there where he relaxes and stops fighting does he like close his eyes or...

A: No, his eyes were open. His eyes were open.

Q1: (Unintelligible) trying to see if he was still breathing...

A: Yes.

Q1: (Unintelligible) for his pulse?

A: Yep. I checked his pulse several times and I felt one. And then when I didn't I was like, "I don't have a pulse." And then that's when Inazu said, "Okay, roll him onto his back. Start compressions." The whole time I was - 'cause I was by his head and I was - I had my hand on his shoulder and I'm looking at his eyes and his eyes were open. And then Inazu says, "I can see him blinking."

Q: Were his eyes moving around like he was seizing?

A: No, they were - they were staring. They weren't moving. They were fixated on - on something.

Q: Did he say anything during that time?

A: Not that I remember. I think it was more just when we first fell down that last time. I think it was more of just him screaming and grunting trying to get - get away from us.

Q: How many times was he tazed?

A: He was tazed - initially he was hit with the probe and that didn't seem to work so then he was arced.

Q: Drive stunned?

A: No it was, um, once the - the probe fell out and they're in there you can - I don't know...

Q: Oh, it's a new taser?

A: Yeah, so you can hit a button on the side that arcs it and gives it another five second shot. Um, those were the only two times.

Q: So the first cycle was at - in your recollection was that a full five second cycle?

A: I believe so.

Q: And the second one?

A: Think so. I don't remember if the second one was a full five seconds or not. I just remember her saying, "Hey, I'm gonna arc it." And then Inazu saying, "Okay, watch your hands with the wires." And as she arced it I don't remember if it was a five second or not. It wasn't longer than five seconds. Um, but I don't remember if it was shorter or not. I just remember her going, "Okay, I'm gonna arc it," and then I - the wires are right next to my hands, so I remember moving my hands and repositioning to - so I'm not getting hit myself.

Q: When, um, when you three initially rushed him does he have anything in his hands?

A: I don't think he did. I think his hands were clear and I think that's why we - we rushed him too because we didn't see anything in his hands. If he had something in his hands we didn't wanna get hit with it.

Q: At any time during the struggle did he grab anything to use as a weapon?

A: No. Um, but I found out later that he was trying to grab for Officer Fleming's firearm.

Q: Fleming told you that?

A: What's that?

Q: How did you - how did you learn that?

A: That was during, um, our consultation when we were talking about it Fleming said that night. I didn't know that until after.

Q: Let me, um, let me step out for a few minutes to see if I missed anything.

A: Okay.

Q: Do you need bathroom, water?

A: No, I'm good.

Q: Stretch our legs

A: Can I leave my stuff here?

Q: Yeah. I have one last question that was suggested.

A: Okay.

Q: Uh, were you injured at all?

A: Was I injured? I have - I had like some blood right here. Uh, my belly was scraped initially. I don't know whose it was and then my shoulders were sore but I got a preexisting shoulder injury from a long time ago. It was just flared up. Other than that, no.

Q: Do you have any questions for me?

A: I don't.

Q: We're done then.

A: Okay.

Q: You have my card?

A: Yeah, I do.

DISTRICT COURT, EL PASO COUNTY COLORADO Court Address: 270 South Tejon Street, Colorado Springs, Colorado 80903		FILED IN THE DISTRICT AND COUNTY COURTS OF EL PASO COUNTY, COLORADO JUN 17 2020 RECEIVED ▲ COURT USE ONLY ▲
RE: Search Warrant of [REDACTED] Technologies, INC, 2200 Faraday Ave Suite #150, Carlsbad, CA 92008. For video footage for account associated to Arlo Device with Serial # [REDACTED] This device is associated to [REDACTED] Ashgrove Street, Colorado Springs, CO.		Case/File Number: 20-1767
El Paso County Sheriff's Office	Case Number: 20-6021	Division: Criminal Ctrm:
SEARCH WARRANT		

Whereas **Detective Courtney McCormack/13150** has made an Application and Affidavit to the Court for the issuance of a Search Warrant, and;

Whereas the application is in proper form and probable cause is found for the issuance of a Search Warrant to search the person(s) and or premises specified in the application.

THEREFORE, the applicant, and any other peace officer into whose hands this Search Warrant shall come, is hereby ordered, with the necessary and proper assistance, to enter and search within the next fourteen (14) days the person, premises, location and any appurtenances thereto, description of which is:

[REDACTED] Technologies, INC, 2200 Faraday Ave Suite #150, Carlsbad, CA 92008. For video footage for account associated to [REDACTED] Device with Serial # [REDACTED] This device is associated to [REDACTED] Ashgrove Street, Colorado Springs, CO.

NON-DISCLOSURE ORDER under 18 U.S.C 2705(B)

It is further ordered you do not notify any person (including the subscriber or customer to which the materials relate) of the existence of this order for 90 days in that such a disclosure could give the account holder an opportunity to destroy evidence, notify confederates, flee or continue flight of prosecution.

The following person(s), property or thing(s) will be searched for and if found seized:

See Attachment 'B' which is hereby incorporated in reference _____ as probable cause has been found to believe that it:

- Is designed or intended for use in committing a criminal offense, or
- Is or has been used as a means of committing a criminal offense, or
- Is illegal to possess, or
- Is stolen or embezzled, or

- Would be material evidence in a subsequent criminal prosecution, or required, authorized or permitted by a statute of the State of Colorado, or
- Is a person, property or thing the seizure of which is expressly required, authorized or permitted by a statute of the State of Colorado, or
- Is kept, stored, transported, sold, dispensed, or possessed in violation of a statute of the State of Colorado under circumstances involving a serious threat to the public safety, or order, or to the public health, or
- That would aid in the detection of the whereabouts of or in the apprehension of a person for whom a lawful arrest order is outstanding.

Furthermore, a copy of this warrant is to be left with the person whose premises or person is searched along with a list of any and all items seized at the time of its execution. If said person cannot be located or identified, a copy of the Search Warrant and the list of property seized shall be left at the place from which the property was taken.

Further, a return shall be promptly made to this Court upon the execution of this Search Warrant along with an inventory of any property taken. The property seized shall be held in some safe place until the Court shall further order.

So ORDERED this 17 day of June, 2020 at 10:37 A.M./P.M.

BY THE COURT:

Judge/Magistrate: 

EL PASO

Division: Criminal Ctrm:

APPLICATION AND AFFIDAVIT FOR SEARCH WARRANT

The undersigned, a peace officer as defined in 16-2.5-101 Colorado Revised Statutes, as amended, being first duly sworn on oath moves the Court to issue a Warrant to search those person(s) and/or premises known as:

██████████ Technologies, INC, 2200 Faraday Ave Suite #150, Carlsbad, CA 92008. For video footage for account associated to ██████████ Device with Serial # ██████████ This device is associated to ██████████ Ashgrove Street, Colorado Springs, CO.

NON-DISCLOSURE ORDER under 18 U.S.C 2705(B)

It is further ordered you do not notify any person (including the subscriber or customer to which the materials relate) of the existence of this order for 90 days in that such a disclosure could give the account holder an opportunity to destroy evidence, notify confederates, flee or continue flight of prosecution.

The undersigned states that there exists probable cause to believe that the following person, property or thing(s) to be searched for, and if found seized, will be found on the aforementioned person(s) and/or premises and are described as follows:

See Attachment "B" which is hereby incorporated in reference

The grounds for the seizure of said person(s), property or thing(s) are that probable cause exists to believe that it:

- Is designed or intended for use in committing a criminal offense, or
- Is or has been used as a means of committing a criminal offense, or
- Is illegal to possess, or
- Is stolen or embezzled, or
- Would be material evidence in a subsequent criminal prosecution, or required, authorized or permitted by a statute of the State of Colorado, or

- Is a person, property or thing the seizure of which is expressly required, authorized or permitted by a statute of the State of Colorado, or
- Is kept, stored, transported, sold, dispensed, or possessed in violation of a statute of the State of Colorado under circumstances involving a serious threat to the public safety, or order, or to the public health, or
- That would aid in the detection of the whereabouts of or in the apprehension of a person for whom a lawful arrest order is outstanding.

The facts submitted in support of this application are set forth in the accompanying attachment designated as Attachment A which is attached hereto and made a part hereof.

ATTACHMENT A		

In support of a request for the issuance of a Search Warrant to search the location as described as

██████████ Technologies, INC, 2200 Faraday Ave Suite #150, Carlsbad, CA 92008. For video footage for account associated to ██████████ Device with Serial # ██████████ This device is associated to ██████████ Ashgrove Street, Colorado Springs, CO.

Your Affiant, **Detective Courtney McCormack/13150**, a Deputy Sheriff for El Paso County Sheriff's Office, currently assigned to the Investigations division, state under oath that I have personal knowledge of the following facts:

On 5/24/20 at about 1315 hours, El Paso County Sheriff's Office (EPSO) detectives responded to a use of force incident involving the Colorado Springs Police Department (CSPD). The incident occurred at ██████████ Ashgrove Street, located within the city limits of Colorado Springs, El Paso County, State of Colorado.

CSPD officers were initially dispatched on 5/24/20 at about 0958 hours to ██████████ Ashgrove Street, where ██████████ reported her neighbor, Chad Burnett (DOB 8/16/70), pulled a knife out of his pocket and threatened her ██████████ Carolyn described Chad as a 49 to 50-year-old male, wearing sweatpants, and a tie dye red shirt, who lived in the area.

At about 1033 hours, CSPD officers arriving on scene reported to dispatch they were in contact with Chad at ██████████ Ashgrove Street and he was holding a knife. Chad went back inside and then came back out of the residence with a club.

At 1058 hours, EPSO Dispatch received a 911 call from ██████████ and the caller stated the "fake police" were telling him to evacuate. He confirmed his address as ██████████ Ashgrove but did not give a name. He screamed at the call taker to "get off his property" before hanging up.

At about 1133 hours, officers reported to dispatch they were in verbal contact with Chad who was again back outside, and everything was "code four", meaning "ok". At about 1140 hours, officers reported to dispatch a taser was deployed.

Statements taken from the involved officers later revealed the suspect went in and out of his house (█████ Ashgrove Street) multiple times. At one point when Chad exited the residence, it was determined the officers would attempt to take Chad into custody for Felony Menacing. While they attempted to do so Chad fled from arrest into █████ Ashgrove Street and a fight ensued.

During that altercation a taster was deployed. Eventually Chad was placed into handcuff and attempted to be walked out of the home. The officer whom deployed the taser can be seen on Body Worn Camera footage no longer utilizing the taser at this time. She is seen removing the wires from the device and holstering it. The officer then exits the home and goes to get a CSPD vehicle, moving it closer to the address.

As the other officers approached the entry way of the home Chad again began to fight with the officers causing the officers and Chad to fall onto the concrete entry way of the home.

Officers were again able to gain control of Chad. He was stood up and again attempted to be walked to a CSPD vehicle. At this time, Chad dove backwards into the home and a third fight occurred.

During this final altercation, Chad was able to be subdued and became calm. Chad then became unresponsive and officers began life saving measures. Medical was requested to respond emergent; however, paramedics were unable to resuscitate Chad.

A search warrant (20-1552) was issued for the home to assist in the investigation. During the search it was learned an █████ camera was in existence directly above the front entry way to the home.

A neighborhood canvas was conducted while detectives were on scene. At that time, it was learned from May 23, 2020 through May 24, 2020, Chad had been acting erratic throwing items such as shirts, books, and a metal disk throughout the neighborhood. Chad had also verbally berated other neighbors living around him and broke a window to a home across from his address. Chad had attempted to give away his personal belongings such as his corvette and family jewelry during those days. Chad was described by several of the neighbors to be having a mental breakdown during that time frame.

On 5/27/20, Detective Whitehead spoke with Chad's █████ who told him, among other things, that she had spoken with Chad recently about issues he had

with neighbors. [REDACTED] said she could not remember which neighbor Chad had an issue with, but that it was a woman whom he had previously confronted. Earlier in May 2020, Chad told Kathryn he believed a neighbor murdered his mother and would "take a knife out there if he had to". [REDACTED] further explained Chad's [REDACTED] died from a heart issue, and Chad suffered from [REDACTED]

CSPD records showed there were 16 calls for service prior to the incident on 5/24/20 beginning on 4/23/20, which shows Chad had a significant amount of police contact leading up to the incident on 5/24/20.

On 6/5/20, a search warrant (20-1652) for the [REDACTED] device that was collected was obtained in attempt to locate further footage of the incident. However, it was learned the device had no data stored on it and it is believed the device places it's video footage into digital cloud storage. The camera device is described as An Arlo (home surveillance system) base station (model VMB4000, Serial # [REDACTED])

Several companies maintain information regarding video footage and accounts on digital servers maintained by their company. This server is regularly referred to as cloud storage. Based on the location of the front door camera and presence Arlo home surveillance equipment in the residence, I believe video evidence may be obtained from the Arlo Technologies Inc. digital servers.

The scope of the search will be for photographic and video evidence stored by [REDACTED] related to occurring on May 23- 24, 2020. Detectives will be looking specifically for the information associated to the menacing occurring earlier in the day, the police contact associated to the call, and Chad's erratic behavior occurring before the incident occurred.

The facts set forth within this affidavit are based upon information Your Affiant has gained from this investigation, Your Affiant's personal observations, Your Affiant's training and experience, and/or information relayed to Your Affiant by other law enforcement officers. Since this affidavit is being submitted for the limited purpose of securing a Search warrant, Your Affiant has not included each and every fact known to him concerning this investigation, but has set forth only the facts that are necessary to establish probable cause to believe that evidence of a crime has occurred.

Supplement 20200617 0815 McCormack,Courtney 13150

Supplement for Case: 20-6021
INCIDENT: DFIT
Detective C. McCormack
Supplement #15

On Wednesday, June 17, 2020, at approximately 8:15 am, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division received follow up information in reference to this case.

I was previously advised by Detective Matt Kerr with Colorado Springs Police Department (CSPD) of a call for service for Mr. Chad Burnett that from the day after Mr. Burnett passed away (May 25, 2020).

The call was placed to CSPD by Mr. Burnett's [REDACTED] [REDACTED] [REDACTED] [REDACTED] stated he was contacted by Mr. Burnett on May 24, 2020.

Call to [REDACTED]
On today's day, I contacted [REDACTED] via telephone number [REDACTED] regarding the call for service. [REDACTED] explained he has known Mr. Burnett for almost 20 years. He was friends with Mr. Burnett's stepfather and has done dental work on Mr. Burnett over the past several years.

[REDACTED] stated he was aware Mr. Burnett had a drug problem previously and that Mr. Burnett had a "dry sense of humor". [REDACTED] advised he received the voicemail message from Mr. Burnett on her personal cellphone on Sunday, May 24, 2020 around 11am while he was at church.

Mr. Burnett left a voice mail on his phone stating; [REDACTED] this is "Chad Borchert" and you need call me or I will slit your throat from ear to ear.

Mr. Burnett stated he was a Nazi General. He also advised his father is [REDACTED] (Mr. Burnett's [REDACTED] - [REDACTED])

[REDACTED] thought maybe Mr. Burnett was trying to be funny or something and attempted to call him back. He later learned of the incident occurring. [REDACTED] advised the message was odd because Mr. Burnett had had his [REDACTED] and [REDACTED] mixed up. He also was using his [REDACTED] last name and not his.

A copy of the message was provided to me by [REDACTED] I conducted a review of the message and found it was exactly as [REDACTED] described.

Evidence
A copy of the voicemail was provided by [REDACTED] It was burned to a disk and placed into the El Paso County Evidence Facility as Item #87. The phone interview with [REDACTED] was recorded and also burned to a disk for evidence. The interview was placed into evidence as Item #88.

I have nothing further at this time.

A-Basin first ski resort to announce reopening

LESLIE JAMES
leslie.james@gazette.com

After having the ski season cut short in March by the coronavirus pandemic, Colorado's Arapahoe Basin is planning on a limited reopening Wednesday.

Lift tickets will only be sold to existing pass holders, including A-Basin, Ikon, Mountain Collective and Any Day passes.

Although it's known as the ski area with "The Beach," which is an area of several parking spaces where skiers typically tailgate, Arapahoe Basin will have a different vibe when it opens Wednesday.

In an online post Sunday, Arapahoe Basin Ski Area's chief operating officer, Al Henceroth, said, "This is going to be very different."

The reopening rules are as follows:

1. Reservations are required.
2. Physical distancing will be enforced and guests must wear face coverings in design-

nated areas.

3. Tailgating and other gatherings will not be allowed.

"We have been given an extraordinary opportunity. We need to take this very seriously and we need to respect the guidance given by our Summit County and State of Colorado health officials," Henceroth wrote. "We have to open in a responsible way. We need everyone to help."

Several Colorado counties had their health order variance requests approved to begin reopening dine-in services this week, but Arapahoe Basin's announcement is the first Colorado ski area to reopen.

Gov. Jared Polis ordered Colorado ski resorts to close on March 14 amid an outbreak of the disease in Aspen and other ski resorts traced to vacationers from Australia and other countries.

BRIEFLY

Suspect dies in struggle with police

The El Paso County Sheriff's Office is investigating an incident Sunday in southwest Colorado Springs in which a man died after going "limp" during a struggle with officers.

Colorado Springs police were summoned to intervene in a dispute between neighbors in 2700 block of Ashgrove Street in which one of them brandished a knife, authorities said.

When police attempted to arrest the man who threatened his neighbor, he resisted, leading one of the officers

to hit him with a Taser. The Taser strike wasn't "effective," said El Paso County sheriff's Sgt. Deborah Mynatt, and the struggle continued until the man went limp.

"We don't know what kind of maneuvers or physical force (were involved) outside of that one taser use," Mynatt said.

Five officers were involved in the arrest, and all were placed on administrative leave.

The death will be investigated by the Sheriff's Office as a neutral agency, which is customary whenever deadly force is used by a law enforcement officer.

Man killed in police struggle identified

BY LANCE BENZEL
AND OLIVIA PRENTZEL
The Gazette

A man police say went limp and died while resisting arrest in a gated community near The Broadmoor has been

identified as 49-year-old Chad Burnett, a well-liked former bike shop worker who relatives say behaved erratically in the weeks before his death.

Chad
Burnett

Burnett's cause of death remains under investigation, the El Paso County Coroner's Office said this week.

STRUGGLE

FROM PAGE 1

At 6-foot-7 and roughly 260 pounds, Burnett had struggled with as many as five Colorado Springs police officers Sunday morning in the 2700 block of Ashgrove Street, allegedly after a fight with neighbors in which he brandished a knife, according to police.

He had been hit with a Taser at least once, apparently without effect, and lost consciousness as the officers struggled to place him under control, authorities say.

"It's just a tragic end to a sad life," said Danny Kay, a Colorado Springs attorney who represents Mark Sather and Pauline Sisson, who are identified in court documents as Burnett's cousins. Both sought restraining orders against Burnett in mid-May, alleging threatening behavior, and Sather is listed as a victim in a May 7 incident in which Burnett allegedly barged into his family home on Lake Avenue.

Burnett has been "troubled for years," but Sather and Sisson said his conduct had grown "bizarre" before his death, Kay said.

"I don't know if there's ever been a diagnosis, but his behavior was very uneven, and it just kept getting worse," he said.

In the city's cycling industry, Burnett was known as a 22-year employee at Colorado Cyclist, a bike shop and national mail-order business on the city's east side. Burnett worked as a product buyer.

"He loved bicycles, just loved them. He really loved people, too. He loved the customers, he was very friendly with his contacts in the industry and very well-liked in the industry," said Doug Bruinsma, owner of Colorado Cyclist.

Longtime coworker Alan Keefe said Burnett loved hockey and mountain biking. "He used to follow the Grateful Dead when he was a young hippie," he said.

Burnett left the company in November and later opened Chaz Pro Bike Fit, a small business that adjusted bicycles to better fit their riders.

Burnett reportedly received a substantial inheritance after the death of his mother in January 2019, Kay said. Obituaries show that Sarah Harper Borchert died eight days after her husband, John Borchert. They married in 1979 when Burnett was about 10. Bruinsma said the deaths of Burnett's parents upset him.

Sather and Sisson were "interested parties" in a probate action brought by Burnett over his mother's estate, according to court records reviewed by The Gazette. Fur-

the 2nd Colorado Legislature, her obituary said.

Burnett's social media accounts, company website and personal voicemail identified him as Chad Burnett-Borchert. Sarah Stein, an attorney involved in the court battle over the Sarah Borchert estate, said Burnett recently adopted the hyphenated name, claiming it was never made official by the Clerk and Recorder's Office.

The El Paso County Sheriff's Office is investigating the deadly use-of-force. All five police officers involved were placed on administrative leave at the discretion of their supervisors, said sheriff's Sgt. Deborah Mynatt. She did not identify the officers.

Mynatt previously said she couldn't provide details about the "specific maneuvers" involved in Burnett's arrest. She said that Tasers can fail for a variety of reasons, including when both probes fail to penetrate a person's skin.

A news release on Thursday provided no new details about the dispute between Burnett and neighbors that culminated in his death. The Gazette has requested body camera footage of the confrontation; none has been released.

In the May 7 trespassing incident, Sather told police Burnett entered his home uninvited in the 0-100 block of Lake Avenue, and that Sather's wife confronted him in the kitchen, telling him to leave.

"Mr. Sather said Mr. Burnett was mumbling under his breath and said he just wanted to talk as he exited the kitchen," an affidavit said.

Surveillance cameras showed Burnett entering the home from a side door, authorities said.

When confronted by police later in the day, Burnett initially said he knocked on the door because he wanted to talk. Later, he changed his story, saying he believed his cousins were in Europe and that he went to check on their welfare. Finally, during the same interview with police, Burnett denied going to the home.

Instead of being arrested, Burnett was cited in a felony summons ordering him to appear in court. Police have increasingly turned to summonses rather than jailing people in a bid to reduce crowding at the El Paso County jail amid the COVID-19 pandemic, authorities have said.

Kay said his clients' fears were aroused again two days before Burnett's death, when Broadmoor security officers were called late on May 22 to investigate a complaint that he was behaving suspiciously near his blue Corvette, which he had parked on Lake Avenue.

When the officers arrived, they shone their spotlight near the car and saw Burnett,

EL PASO
08/25/20

her details of that litigation weren't available.

John Borchert was described in an obituary as a fourth-generation Colorado Springs native who in 1979 helped found LVW Electronics, which provides electrical systems for large businesses and the military. At the time of Borchert's death, the company had projects in 40 states, and touted "high-profile installations" at the Pepsi Center and the Ralph L. Carr Colorado Judicial Center in Denver and the Pikes Peak Center in Colorado Springs, among other state landmarks.

dressed in black, "coming up out of the ditch carrying an aluminum bat," Kay said, reading from a report prepared by Broadmoor security police.

Burnett ultimately lowered his bat, turned and walked away, Kay said.

Kay said Burnett also targeted a woman who was to serve as a witness for the restraining orders filed by his clients, accusing her on the street and calling her a lewd name, saying, "I own you." That woman had also considered seeking a restraining order, he said.

Kay said he believed that mental health issues contributed to Burnett's changing behavior.

BURNETT

**CHAD ALEXANDER BURNETT**

August 16, 1970
May 24, 2020

Chad Alexander Burnett, 49, died suddenly on Sunday, May 24, 2020 inside his Colorado Springs, Colorado home, after being detained by the Colorado Springs Police Department. Chad was born on August 16, 1970 in Ft. Collins, Colorado to Bill and Sarah Harper Burnett. They moved to California where Bill was a large animal veterinarian. Chad's parents divorced in 1973. Sarah moved Chad back to Denver, Colorado and then on to Colorado Springs where she taught home economics. After marrying John Reynolds "Renny" Borchert in 1979, she continued teaching until retirement age.

Chad shared that neither he nor his mother felt welcomed into the Borchert family which included his step-grandparents Paul and Niente Ingersoll Borchert, step-aunt Ann Winifred "Anwin" Borchert Sather, and step-cousins Mark

Sather and Pauline Sather Sisson. From the way he spoke, this relationship plagued him from the time he entered the family at nine years old until his death.

Chad's mother and stepfather were married for forty years until Renny passed away on January 2, 2019 and Sarah died in her sleep on January 10, 2019. Chad had helped them out at the house for a few years and moved in to take care of them full-time two months before Renny's fatal heart attack. Chad took care of their dog, Abby, before and after their passing. Abby gave him her unconditional love and has been re-homed into a loving family.

Chad had a challenging life and received a great amount of help from attending Alcoholics Anonymous meetings and from his sponsors. He loved cooking, gardening, reading, and playing his electric guitar. Riding high-end bicycles and playing hockey were his passions, founding the Misfits hockey team out of Colorado Springs and Monument, Colorado. He gave his all to everything he committed to.

Chad had a long-time battle with mental illness with symptoms of Clinical Depression beginning in his teens. Despite this struggle, Chad stood in extremely high regard in his chosen circle of friends, family, and his beloved dog

Abby. He was always there with a helping hand and had plans for the future, which included moving to Anson, Texas, his grandfather Fred Harper's hometown and where he and Chad's grandmother, Frances Powell Harper, spent their last days. Chad visited his aunt Kay Spears several times in Anson, enjoying the culture of small-town living, the people, and seeing farmers at work and cattle grazing while taking 30-mile rides on his bicycle.

The last year and a half of his life included retiring from Colorado Cyclist, taking care of his stepfather and his mother in their last days, and starting a new business, Chaz Pro Bike Fit, fitting other bike enthusiasts to their high-end cycles.

Chad was survived by his aunt, Kay Spears, his cousins, Elizabeth Johns, Matthew Spears and their families, Abby Borchert-Burnett, and his ex-wife, Kathryn. Memorials and donations would be greatly appreciated by any charity dealing with mental illness, such as NAMI (National Alliance on Mental Illness). Another great way to honor Chad's life would be to attend a class or workshop, in person or online, on what to do when you encounter or suspect a person is struggling with a mental illness. If not now, then when? If not you, then who?

Deverell served as chief of orthopedics and team physician for numerous Academy sports teams, as well as work at the U.S. Olympic Training Center. Throughout his career, he performed restorative surgeries on children with orthopedic problems.

He retired from the Air Force as a Colonel in 1976 and practiced orthopedic surgery in Colorado Springs for another twenty years. Upon retirement, he volunteered time with an indigent care clinic in Colorado Springs, directing patients to this or that colleague for care and surgery. "Don't charge them," he would tell his colleagues, "just do it."

He was immensely proud of his Irish heritage. His great grandfather Joseph Deverell was a famine-era Irish immigrant to North America who went on to distinguished service in the Union Army during the Civil War. Dr. Deverell's father, William Hobart Deverell, served in the United States Navy in World War I.

Over the years, Dr. Deverell visited Ireland several times, traveling with family, Irish cousins and other relatives. He found the Deverell family's ancestral farm in Mountmellick, County Laois. His Irishness endured through his love of craft beer and storytelling. As the end approached, the music of the Irish singer Enya comforted him. As his hearing faded, her singing got louder and

from high school.

Along with his wife, he was a devoted runner, competing in six marathons around the nation (Marine Corps, New York - twice -- Chicago, Big Sur, St. George), as well as innumerable runs in Colorado, including regular participation in the Boulder Boulder.

As a cyclist, he rode all over the U.S. and the world (Australia, Ireland, France, Newfoundland, Austria, Germany, and the Caribbean) and was an officer in multiple cycling clubs and organizations. His planning skills helped plot numerous rides for his friends and fellow cyclists. He and his wife rode Ride the Rockies eleven times, traveling up and down (and on top of) their beloved Colorado. He was a graceful skier and a fine Telemarker. He and his wife cross-country skied throughout Colorado and Norway. He and his family rafted the Colorado River through the Grand Canyon, which he also hiked in and out of twice. He knew the outdoors of the American West in winter, spring, summer, and fall.

He married Marne Anderson in 1956, and together they traveled the world in work and play through a marriage spanning nearly sixty-five years. They raised two children, William Jr. (Jenny) and Debra Jean, both of whom made their careers in education. He was the proud grandfather of Helen (19) and John (15)

As the end of his life approached, he said to his family as the end approached. He was comfortable in his medical knowledge of the cycle of life. He leaned on his faith. He was in the company of his family, at home, and in no pain. He liked a saying that summed up his view of life and of death. He revised it slightly. "Life is not a journey to the grave with the intention of arriving safely in a pretty and well preserved body, but rather to skid in sideways, thoroughly used up, totally wiped out; beer in one hand, strawberries in the other, exclaiming to one's self, to loved ones and to all these many friends, 'Woo Hoo! What a ride.'" His family discovered his "bucket list" file. It was empty. Dr. Deverell died at home surrounded by his family.

We love you Bill, Dad, Grandpa, Uncle Bill, and we will miss you.

Memorial contributions in Dr. Deverell's name may be made to the Medical School Class of 1958 Scholarship Fund Endowment in care of University at Buffalo Foundation, P.O. Box 730, Buffalo, NY 14226-0730 or to charity of choice.

The family thanks Pikes Peak Hospice and Palliative Care for their compassion and professionalism. Given the pandemic, services and a celebration of life will take place at a later date at the Church of St. Michael the Archangel in Colorado Springs.

Supplement 20200617 1406 McCormack,Courtney 13150

Supplement for Case: 20-6021
INCIDENT: DFIT
Detective C. McCormack
Supplement #17

On Wednesday, June 17, 2020, at approximately 2:06 pm, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division conducted follow up in reference to this case.

I spoke with Mr. [REDACTED] [REDACTED] whom was a close friend of Mr. Chad Burnett's stepfather. Mr. [REDACTED] stated he has known Mr. Burnett since he was 13 years old. Mr. Burnett has struggled with drug use and alcohol use throughout his life.

Over the past few years Mr. Burnett had gotten clean and was working in a bicycle shop located in Colorado Springs.

In 2019, Mr. [REDACTED] [REDACTED] passed away. His wife (Mr. [REDACTED] [REDACTED] passed away a few days later. After both deaths, Mr. Burnett received a large estate. After this occurred, Mr. Burnett left his job at the bike shop and attempted to establish several different businesses that were unsuccessful.

Mr. Burnett would contact Mr. [REDACTED] fairly regularly telling him what he was doing. Mr. Burnett was in a constant financial battle over the [REDACTED] estate. Mr. Burnett also discussed his [REDACTED] [REDACTED] and his [REDACTED] residing in Texas.

Mr. Burnett had talked to other members in the community stating he did not like his cousin "Paulene" and was going to get back at her.

Mr. Burnett contacted Mr. [REDACTED] around 3 weeks before his death. At that time, he claimed his ex-wife had stolen his shot gun. Mr. [REDACTED] told Mr. Burnett that he needed to report it to law enforcement and asked if he knew the serial number to it. Mr. [REDACTED] explained if he did not know the number there was an old photo of Mr. Burnett's stepfather and his friends out shooting with the gun. Mr. [REDACTED] suggested the photo may have the serial number in it. Mr. Burnett continued the conversation seeming off and out of it. Mr. [REDACTED] stated he was worried Mr. Burnett may have been using drugs and alcohol again.

A few weeks later Mr. Burnett again called Mr. [REDACTED] and was not making any sense during the conversation. Again Mr. [REDACTED] became worried Mr. Burnett was using drugs.

Three days before his death, Mr. [REDACTED] received a few family photos via messaging.

Mr. [REDACTED] believed Mr. Burnett had recently returned to Colorado Springs from visiting in Texas a few weeks before the incident occurred.

Evidence

The conversation with Mr. [REDACTED] was recorded on my office issued recorder and placed into evidence as Item #89.

Other info

Mr. [REDACTED] also provided Mr. Burnett's obituary and two Gazette reports regarding this case. These items were uploaded to this supplement.

I have nothing further at this time.

CASE STATUS- Active Investigation

Supplement 20200609 Gallagher,Patrick 11027

Case Number: 2020-00006021
Case Title: Assist Outside Agency
From: Detective Patrick Gallagher #11027
Date: 06/23/2020

On 06/09/2020 I, Detective Patrick Gallagher #11027 of the El Paso County Sheriff's Office (EPSO) assisted with this investigation.

EPSO Detective Courtney McCormack is the primary investigator for this case.

AUDIO RECORDING REVIEW

On 06/09/2020 at approximately 8:00a.m., I began reviewing the Colorado Springs Police Department (CSPD) radio traffic and 911 calls regarding this incident. The following is a summary of the recordings, not a word for word transcription.

CSPD RADIO TRAFFIC

I heard a dispatcher sending multiple officers to a, “weapons display” at [REDACTED] Ashgrove Street, for a neighbor who pulled a knife and started threatening the callers husband, described as a white male in sweat pants with a tie dye shirt, six foot seven inches tall, who went into 2729 Ashgrove armed with a knife.

Some units called out with Broadmoor security, others then said they were in contact with the subject at the front door of his house. Units advised they were in verbal contact and the subject does have a knife in his hand. Officers radio the subject is going inside and outside of the house repeatedly.

“93 send us some more units” is heard with garbled background yelling and sounds of an altercation. Followed immediately by a request for medical personnel and a Taser deployment. The dispatcher confirms, “Taser deployed 11:40” to mark the time of the transmission. Multiple other police officers can be heard saying, “Send it” meaning they are on the way to the call.

An officer calls out they have one person detained, dispatch confirms this transmission at 11:40. Dispatch then clears the channel of its “code” status meaning only units involved in the incident should transmit at 11:41.

An officer then requests to, “Step up medical” to an emergency “code 3” response saying, “He appears to be unconscious”, dispatch confirms the request at 11:48. Officers confirm their location as [REDACTED] for the responding medical personnel.

An officer radios, “Show CPR started” which dispatch confirms at 11:53.

CSPD 911 CALLS

The first 911 recording I reviewed is 7:27 long. This call is from [REDACTED], who says her neighbor Chad is threatening her husband with a knife in front of her house [REDACTED] Ashgrove, she then identifies her neighbor is Chad Burnett. [REDACTED] said it started because her neighbor’s dog was loose, another neighbor brought the dog to her house, Chad then came over and took a knife out of his pocket. [REDACTED] described the knife as a 5-7 inch blade that looked, “dirty” and described Chad as a white male, 49-50 years old wearing sweat pants and a tie-dye red shirt, named Chad Burnett. [REDACTED] answers questions from the call taker about a possible firearm she determined was not involved, and says her husband left the house to find Chad’s address. The call ends when officers arrive.

The next 911 recording is 4:31 long, from 2750 Ashgrove reporting her neighbor Chad Burnett, [REDACTED] reports her neighbor Chad pulled out a knife on her neighbors named [REDACTED] and held it over him, Chad then threw something and broke a window in her office. Mrs. [REDACTED] says she called Broadmoor security, and says Chad is a lunatic, describing him as Chad Burnett a white male, very tall with bushy hair a bulky build. Mrs. [REDACTED] reports everyone is in their houses and she doesn’t know if anyone needs medical attention.

EPSO 911 CALL

This call is 30 seconds long. The caller gives an address of [REDACTED] Ashgrove Street, and identifies himself as, “Chad R Borshay(sp)” and says, “Just got here from Japan, my jet is at Colorado Springs airport” and claims to be from Japan. The caller then says there are fake police trying to evacuate a, “Chad Burnett” but he is, “Chad R Borhsay(sp) and I own the Broadmoor”, the call taker can be heard trying to interject before the caller yells, “Get the fuck off my property” and the call disconnects.

I have nothing further at this time.

Case Number: 20-6021
Date: June 18, 2020

On June 5, 2019, I, Detective Michael Bauman (14003), of the El Paso County Sheriff's Office Investigations Division was assigned the following device to examine by Detective McCormack:

Color: [REDACTED] Make: HP Laptop Model: 15-dyl75lms

Serial#: [REDACTED] Search Authority: Warrant

At the time of examination, I observed no defects on the device. I photographed the device and placed the digital photos in the case file.

I booted the device to a Paladin Forensic Suite and created a forensic image of the storage drive on the device. Upon completion, I utilized the Magnet Axiom Suite of software to process the E01 image. A portable case was created and copied to optical media. The optical media was placed into evidence under item #90.

I have nothing further at this time.

Supplement 20200624 0945 Montville,Lisa 01060

Case Supplement, 20-6021

Detective Statement:

On June 24, 2020, at about 9:45 a.m., I, Detective Montville met with Colorado Springs Police Department Detective Matthew Kerr, at the Office of the Sheriff, located at 27 East Vermijo Avenue, in Colorado Springs, Colorado. Detective Kerr provided me with copies of the following CSPD case reports: 20-18512, 20-18728, 19-01287. Included with the case reports were copies of related photographs, interviews, legal paperwork, evidence sheets and emails.

I copied all of the files provided by Detective Kerr onto a CD. I entered the CD into the El Paso County Sheriff's Office Evidence Facility under item number 91. A copy of the evidence voucher is attached to this supplement.

Nothing Follows.

Case Status: ACT-INV

Supplement 20200624 1900 Montville,Lisa 01060

Case Supplement, 20-6021

Detective Statement:

On June 24, 2020, at about 7:00 p.m., I, Detective Montville received an email from Detective Matthew Kerr with the Colorado Springs Police Department. Attached to the email was a discovery log for the items I received on June 24, 2020 from him.

A copy of the discovery log is attached to this supplement.

Nothing Follows.

Supplement 20200615 0700 McCormack,Courtney 13150

Supplement for Case: 20-6021
INCIDENT: DFIT
Detective C. McCormack
Supplement #12

On Monday, June 15, 2020, at approximately 7:00 am, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division received follow up information in reference to this case.

Call for Service from CSPD 5/25/2020

I was advised by Detective Matt Kerr with Colorado Springs Police Department (CSPD) of another call for service for Mr. Chad Burnett that was located in their system under a different address (155 Lake Avenue, Colorado Springs, CO). The call is from the day after Mr. Burnett passed away (May 25, 2020).

The call was placed to CSPD by Mr. Burnett's [REDACTED] [REDACTED] [REDACTED] [REDACTED] stated he received an email from Mr. Burnett talking about Nazis. Mr. Burnett then called the dentist office stating he was going to slit Mr. [REDACTED] [REDACTED] throat. Due to the incident occurring on May 24, 2020 with Mr. Burnett passing away nothing further occurred with this call. The call appears to have been placed prior to Mr. Burnett's passing, possibly being left over the weekend on the office voicemail.

Detective Kerr advised he would follow up with the dentist.

Copies of the Call Screen was placed into the El Paso County Evidence Facility as Item #86 and is attached to this report.

I have nothing further at this time.

CASE STATUS- Active Investigation

Supplement 20200706 1027 McCormack,Courtney 13150

Supplement for Case: 20-6021
INCIDENT: DFIT
Detective C. McCormack
Supplement #19

On Monday, July 6, 2020, at approximately 10:27 am, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division conducted follow up in reference to this case.

Forensic Downloads

Previously search warrants were issued for several devices taken for evidence while on scene at [REDACTED] Ashgrove Drive, located in Colorado Springs, CO. The warrants were conducted by Detective Robert Sirois, whom also conducted the forensic download of the devices.

At that time Detective Sirois advised the download of the computer and [REDACTED] base station were unsuccessful. Detective Sirois was able to complete a download on Mr. Chad Burnett's cellular phone however advised it would not contain all information due to security settings of the device.

A review of this download was completed by me at this time.

[REDACTED] Information

I was unable to locate any information associated to the [REDACTED] camera system located at Mr. Burnett's address.

911 Phone Call

I was unable to locate calls made by the phone that were obtained through the download. Voicemails were able to be viewed through the download, however, none were associated to the 911 call made by Mr. Burnett.

I have nothing further at this time.

IN THE COUNTY COURT IN AND FOR THE COUNTY OF
EL PASO AND STATE OF COLORADO
Search Warrant # 20-1767
CRIMINAL PROCEEDINGS NO. 20-6021

Report of Execution of Search Warrant

On the 17th day of June 2020, a search warrant was issued by the County Court for El Paso County and State of Colorado directing that a search may be made of the following described premise, location or person:

██████████ Technologies, INC, 2200 Faraday Ave Suite #150, Carlsbad, CA 92008. For video footage for account associated to Arlo Device with Serial # ██████████ This device is associated to ██████████ Ashgrove Street, Colorado Springs, CO.

and on the 6th day of July, 2020Error! Reference source not found., the undersigned, as one of the persons authorized to conduct such a search and seizure and who did conduct such search and seizure reports the following was found and seized:

Nothing recovered

The undersigned does further inform the Court that if property was seized that the person from whose premises the items were taken was furnished with a copy of the search warrant as well as a copy of this inventory of the goods seized.

Done this 6th day of July, 2020.

Detective Courtney McCormack #13150
El Paso County Sheriffs Office
(Person who helped to conduct the search and seizure)

Dear Detectives McCormack and Montville,

We promptly located and locked the account of interest after receiving the attached warrant on June 17, 2020. There were, however, no videos in the account.

In addition, there is no way for us to recover any videos that may have been in the account at one time. [REDACTED] was developed not to keep the personal information of its users if this information is not needed to provide the [REDACTED] service – privacy by design – so we generally do not have much information about our users beyond their videos, which they can permanently delete at their will. As more tangible examples, we do not keep track of login – logout history, video deletion history, IP address login history, and we do not keep videos that were deleted by users or that have become too old a user’s particular [REDACTED] Subscription Plan. This means that if an Arlo user intentionally deletes videos from his account then we have no way to recover them, and they are forever lost.

Thank you.

RESULTS, OPINIONS, INTERPRETATIONS AND CONCLUSIONS

NOTIFICATION:

On Sunday, May 24, 2020, at approximately 1310 hours, I, Crime Scene Investigator (CSI) Amanda Kimball (4867) received a request from Sergeant Jake Abendschan (02020) with the El Paso County Sheriff's Office (EPSO) to assist in a Deadly Force Investigation Team (DFIT) case involving five officers with the Colorado Springs Police Department (CSPD), where a Taser had been deployed during an arrest and the suspect had died on scene. Sergeant Abendschan stated EPSO Detective David Glenn (13076) would meet me at the Colorado Springs Police Operations Center (POC) to process

METRO CRIME LABORATORY

REPORT CONTINUATION

Lab Case No.: **20MCL01389**

Agency Case No.: **20-06021 [EPSO]**

RESULTS, OPINIONS, INTERPRETATIONS AND CONCLUSIONS

the five officers prior to reporting to the scene.

RESPONSE:

At approximately 1340 hours I responded to the POC Investigations Division and met with Detective Glenn; also present were CSPD Detectives Marcus Lehmkuhl (1867) and Kyle Lambert (5136).

BRIEFING:

According to Detective Glenn, officers responded to a call for service involving a male, identified as Chad Burnett (DOB: 08/16/70) who was menacing neighbors. Officers got into an altercation with the suspect at his residence and ultimately deployed a Taser on the suspect. The suspect went into medical distress shortly thereafter and was deceased on scene.

OFFICER PROCESSING:

The first officer processed was Caroline Barth (5568). Officer Barth was the officer who deployed her Taser during the incident. I photographed Officer Barth to include documenting a small injury on her right shoulder. The Taser was then photographed and collected.

The second officer processed was Jake Carroll (6156). I photographed Officer Carroll to include documenting dirt and scuff marks on his pants. Officer's Carroll's gloves were then photographed and swabbed for trace DNA.

The third officer processed was Sergeant Michael Inazu (2413). I photographed Sergeant Inazu to include small injuries on his right hand.

The fourth officer processed was Officer Matthew Fleming (6164). I photographed Officer Fleming to include possible blood and a scratch on his left arm, and injuries on his knees. I collected Officer Fleming's nitrile gloves and a swab was taken of the blood on his arm.

The fifth officer processed was Officer Joseph Daigle (3609). I photographed Officer Daigle to include possible bloodstains on his vest and left arm. Officer Daigle's gloves were then photographed and swabbed for trace DNA. Swabs were also collected from the bloodstains on his vest and arm.

I completed processing the officers at approximately 1557 hours. All evidence collected was placed in a secured processing room in the Metro Crime Lab.

SCENE PROCESSING:

At approximately 1630 hours I departed the Metro Crime Lab en route to the scene at [REDACTED] Ashgrove Street. I arrived at 1652 hours and met with EPSO Detectives Courtney McCormack (13150) Detective Jon Price (02034), and Sergeant Jake Abendschan. Also present was CSPD Detective Chris McCleary (1615). It should be noted the weather conditions were cloudy and windy with intermittent rain showers.

SCENE WALKTHROUGH:

[REDACTED] Ashgrove Street was a single family home located in a cul-de-sac at the south end of the street. Several items were located in the front driveway and front yard of the residence, to include Taser wire, books, a bicycle, and a knife. According to detectives, the suspect was throwing these items. Detective McCleary also pointed out a crack in the window of 2750 Ashgrove Street, reportedly damaged by the suspect during the incident.

METRO CRIME LABORATORY

REPORT CONTINUATION

Lab Case No.: 20MCL01389

Agency Case No.: 20-06021 [EPSO]

RESULTS, OPINIONS, INTERPRETATIONS AND CONCLUSIONS

On the front porch of [REDACTED] Ashgrove were a cut ziptie and possible bloodstains. There was also a container south of the door that held several knives. The interior of [REDACTED] Ashgrove consisted of a front foyer, a living room, kitchen area, dining room, an office, and two bedrooms. The suspect was located lying face up in the front foyer; his clothing had been cut by medical personnel and his shirt covered his face. Medical intervention devices were located on and around him. A pair of partially uncuffed handcuffs were on his right arm.

Signs of a struggle were evident beyond the victim in the living room, with overturned chairs and rugs. A small amount of possible bloodstains and the Taser probe were located on the living room floor.

SCENE DOCUMENTATION:

I began processing the scene by taking photographs of the exterior of the scene. Placards were then placed down to document items of evidence to be collected that were located in the street, driveway, and front yard. Additional photographs were taken with the placards in place. These items were then collected due to inclement weather conditions.

Exterior scene placards:

- Placard 1: Taser wire
- Placard 2: white dress shirt in packaging
- Placard 3: hardcover novel
- Placard 4: silver folding knife
- Placard 5: white dress shirt in packaging

I then photographed the interior of the residence. Placards were placed to document items of evidence to be collected and additional photographs were taken. FARO scans of the front porch and front foyer area were then taken to further document the scene.

Refer to the crime scene diagram in Figure 1 for an overview of the interior of the scene, including a list of placards.

At approximately 1920 hours Deputy Coroners Stephanie Pape and Robb Stephenson arrived on scene. Additional photographs were taken of the decedent at this time. Additional Taser wire was found near the victim at this time. Detectives then searched the residence. Additional items of evidence were recovered, to include a wooden dowel in the master bedroom, and a .45 pistol in the bathroom; a complete list of evidence recovered has been included with this report.

Processing of the scene was complete at approximately 2045 hours. I cleared the scene shortly thereafter and returned to the Metro Crime Lab, where all items of evidence recovered were placed in a secured processing room. All items of evidence recovered from the officers processed and the scene were subsequently inventoried, packaged and sealed, and submitted to the EPSO Evidence Technician.

The photographs of the scene were uploaded to the Digital Imaging Management System, reference set #5. Additional evidence photos were uploaded under set #7 and #9. The scans of the scene were uploaded under set #10 and the Scene2GO program was uploaded under set #11. Photographs of the officers were uploaded under sets #1, #2, #3, #4 and set #8. The digital image of the scene diagram was uploaded to Set #12.

There is no further information in regards to this request.

Supplement 20200722 1500 McCormack,Courtney 13150

Supplement for Case: 20-6021

INCIDENT: DFIT

Detective C. McCormack

Supplement #20

On Wednesday, July 22, 2020, at approximately 3:00pm, I, Detective Courtney McCormack of the El Paso County Sheriff's Office (EPSO), Investigations Division received follow up information in reference to this case.

Autopsy Report

Previously the autopsy for Mr. Burnett was requested from the El Paso County Coroner's Office. On today's date I received the report and placed it into evidence.

A brief review of the report was conducted at this time. The autopsy was conducted by Dr. Daniel Lingamfelter on May 26, 2020. The autopsy shows Mr. Chad Burnett was under the influence of THC and Ethanol alcohol at this time of his death.

Mr. Burnett's death was ruled a homicide (death at the hands of another person/persons) by Dr. Lingamfelter. Dr. Lingamfelter stated Mr. Burnett "died as a result of sudden death associated with physical altercation, taser deployment, cardiac hypertrophy with myocardial fibrosis, and bipolar disorder featuring acute psychotic episode."

A copy of the autopsy is attached to this report and was placed into the El Paso County Evidence Facility as Item #93.

I have nothing further at this time.

Officer Statement

During the review of the autopsy report, it shows my assignment out of Colorado Springs Police Department, which is incorrect and should show El Paso County Sheriff's Office.

CASE STATUS- Active Investigation
