### Narrative

Year 2 Personnel

(CSPD) Continuation funding is requested for two clerical support positions (Investigative Clerks) at CSPD. Investigative Clerks prepare supplements for case reports, review and assign cases to the appropriate investigative unit, generate victim contact letters, check individuals for wants and warrants and assist with the electronic warrant program. These positions are existing full-time grant-funded positions. The City of Colorado Springs Human Resources Department establishes salaries for all job classifications based on experience and time in the position. It is anticipated that grant funding from Year 2 will provide funding for approximately 9 months for Janine Talbot and for Barbara Proctor starting January 2023 through September 2023.

Investigative Clerk TALBOT:      \$26.46/hr \* 1,600 hrs = \$42,336

Investigative Clerk PROCTOR:      \$26.46/hr \* 1,600 hrs = \$42,336

(CSPD) In addition, continuation funding is requested for a part-time Civilian Criminal Investigator (CCI) to work in the Adult Sexual Assault Unit. This position actively investigates criminal

cases and works alongside law enforcement personnel to seek justice for victims of sexual assault. This position is a part-time position (maximum of 30 hours per week). It is anticipated that grant funding from Year 2 will provide funding for approximately 9 months starting January 2023 through September 2023.

Year 2- Subaward

(EPSO) The purchase of approximately one-hundred sixty five (165) Individual First Aid Kits (IFAK's) will allow for the standardization of first aid kits (IFAKs) that are deployed in agency vehicles for available use to care for community members and/or agency personnel. It was identified that IFAKs must be easily accessible and contain the proper equipment that is consistent with the training received by members. Trauma-only kits are currently located in marked vehicles and there are many unmarked or administrative vehicles that do not have any supplies for response to trauma/bleed/puncture needs.

The IFAK's purchased will replace old existing "like" products that are approaching end of life or are no longer useful that are currently in vehicles as well as to supply additional vehicles that currently have no first aid equipment available.

EPSO will follow the formal procurement process established by the El Paso County Procurement Office and will follow Federal financial guidelines.

165 IFAK's X \$304.695/ per kit = \$50,274.67 rounded up \$50,275

### Purpose:

The Budget Detail Worksheet is provided for your use in the preparation of the budget and budget narrative. All required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be left blank. Indicate any non-federal (match) amount in the appropriate category, if applicable.

### How to use this Workbook:

The workbook includes several different worksheets. The first worksheet (this one) is an instruction sheet; the next worksheet includes the budget detail worksheet and narrative for year 1. There are duplicates of this worksheet for years 2-5 that can be completed as necessary. The last worksheet is a Budget Summary. It compiles all of the relevant budget information into a single location and should be reviewed for correctness before the workbook is uploaded to the GMS application.

#### Step by Step Usage:

1. Please read and print this instruction page. It can be used as a reference while completing the rest of the document.
2. For each budget category, you can see a sample by viewing the 'Budget Detail Example Sheet'.
3. The 'Definitions' tab explains terms used in the instructions for the various budget categories.
4. **Record Retention:** In accordance with the requirements set forth in 2 CFR Part 200.333, all financial records, supporting documents, statistical records, and all other records pertinent to the award shall be retained by each organization for at least three years following the closure of the audit report covering the grant period.
5. The information disclosed in this form is subject to the Freedom of Information Act under U.S.C. 55.2.

<b>Budget Category Descriptions:</b>	
<i>Personnel</i>	List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization. In the budget narrative, include a description of the responsibilities and duties of each position in relationship to fulfilling the project goals and objectives. All requested information must be included in the budget detail worksheet and budget narrative.
<i>Fringe Benefits</i>	Fringe benefits should be based on actual known costs or an approved negotiated rate by a Federal agency. If not based on an approved negotiated rate, list the composition of the fringe benefit package. Fringe benefits are for the personnel listed in the budget category (A) and only for the percentage of time devoted to the project. All requested information must be included in the budget detail worksheet and budget narrative.
<i>Travel</i>	Itemize travel expenses of staff personnel (e.g. staff to training, field interviews, advisory group meeting, etc.). Describe the purpose of each travel expenditure in reference to the project objectives. Show the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X subsistence). In training projects, travel and meals for trainees should be listed separately. Show the number of trainees and the unit costs involved. Identify the location of travel, if known; or if unknown, indicate "location to be determined." Indicate whether applicant's formal written travel policy or the Federal Travel Regulations are followed. <b>Note: Travel expenses for consultants should be included in the "Consultant Travel" data fields under the "Subawards (Subgrants)/Procurement Contracts" category.</b>
<i>Equipment</i>	List non-expendable items that are to be purchased ( <b>Note:</b> Organization's own capitalization policy for classification of equipment should be used). <u>Expendable</u> items should be included in the "Supplies" category. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technological advances. <b>Rented or leased equipment costs should be listed in the "Contracts" data fields under the "Subawards (Subgrants)/Procurement Contracts" category.</b> In the budget narrative, explain how the equipment is necessary for the success of the project, and describe the procurement method to be used. All requested information must be included in the budget detail worksheet and budget narrative.

## Budget Sheet Instructions

<i>Supplies</i>	List items by type (office supplies, postage, training materials, copy paper, and expendable equipment items costing less than \$5,000, such as books, hand held tape recorders) and show the basis for computation. Generally, supplies include any materials that are expendable or consumed during the course of the project. All requested information must be included in the budget detail worksheet and budget narrative.
<i>Construction</i>	<b>Provide a description of the construction project and an estimate of the costs. Minor repairs or renovations may be allowable and should be classified in the "Other" category. OJP does not currently fund construction programs. Consult with the program office before budgeting funds in this category. All requested information must be included in the budget detail worksheet and budget narrative.</b>
<i>Subawards (Subgrants), Procurement Contracts, &amp; Consultant Fees</i>	<p><b>Subawards (see "Subaward" definition at 2 CFR 200.92):</b> Provide a description of the Federal award activities proposed to be carried out by any subrecipient and an estimate of the cost (include the cost per subrecipient, to the extent known prior to application submission). For each subrecipient, enter the subrecipient entity name, if known. Please indicate any subaward information included under budget category G. Subawards (Subgrants)/Procurement Contracts by including the label "(subaward)" with each subaward entry.</p> <p><b>Procurement contracts (see "Contract" definition at 2 CFR 200.22):</b> Provide a description of the product or service to be procured by contract and an estimate of the cost. Indicate whether the applicant's formal, written Procurement Policy or the Federal Acquisition Regulation is followed. Applicants are encouraged to promote free and open competition in awarding procurement contracts. A separate justification must be provided for sole source procurements in excess of the Simplified Acquisition Threshold set in accordance with 41 U.S.C. 1908 (currently set at \$150,000).</p> <p><b>Consultant Fees:</b> For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. Consultant fees in excess of the DOJ grant-making component's maximum rate for an 8-hour day (currently \$650) require additional justification and prior approval from the respective DOJ grant-making component. All requested information must be included in the budget detail worksheet and budget narrative.</p>
<i>Other Costs</i>	List items (e.g., rent, reproduction, telephone, janitorial or security services, and investigative or confidential funds) by type and the basis of the computation. For example, provide the square footage and the cost per square foot for rent, or provide a monthly rental cost and how many months to rent. All requested information must be included in the budget detail worksheet and budget narrative.

## Budget Sheet Instructions

<i>Indirect Costs</i>	<p>Indirect costs are allowed only if: a) the applicant has a current, federally approved indirect cost rate; or b) the applicant is eligible to use and elects to use the “de minimis” indirect cost rate described in 2 C.F.R. 200.414(f). (See paragraph D.1.b. in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals for a description of entities that may not elect to use the “de minimis” rate.) An applicant with a current, federally approved indirect cost rate must attach a copy of the rate approval, (a fully-executed, negotiated agreement. If the applicant does not have an approved rate, one can be requested by contacting the applicant’s cognizant Federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. (Applicant Indian tribal governments, in particular, should review Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals regarding submission and documentation of indirect cost proposals.) Narrative for any indirect costs should clearly state which direct costs the indirect cost agreement is being applied to. All requested information must be included in the budget detail worksheet and budget narrative.</p> <p>In order to use the “de minimis” indirect rate an applicant would need to attach written documentation to the application that advises DOJ of both the applicant’s eligibility (to use the “de minimis” rate) and its election. If the applicant elects the de minimis method, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. In addition, if this method is chosen then it must be used consistently for all federal awards until such time as the applicant entity chooses to negotiate a federally approved indirect cost rate.</p>

(CSPD) Continuation funding is requested for two clerical support positions (Investigative Clerks) at CSPD. Investigative Clerks prepare supplements for case reports, review and assign cases to the appropriate investigative unit, generate victim contact letters, check individuals for wants and warrants and assist with the electronic warrant program. These positions are existing full-time grant-funded positions. The City of Colorado Springs Human Resources Department establishes salaries for all job classifications based on experience and time in the position. It is anticipated that grant funding from Year 3 will provide funding for approximately 6 months for Janine Talbot and for Barbara Proctor starting October 2023 through approximately March 2024.

Investigative Clerk TALBOT:

\$26.46/hr (10/01/2023 – 12/31/2023) \*520 hrs = \$13,759.20 - rounded up to \$13,759

\$27.25/hr (reflects a 4% pay increase effective 01/01/2024) \* 320 = \$8,720

Investigative Clerk PROCTOR:

(CSPD) In addition, continuation funding is requested for a part-time Civilian Criminal Investigator (CCI) to work in the Adult Sexual Assault Unit. This position actively investigates criminal cases and works alongside law enforcement personnel to seek justice for victims of sexual assault. This position is a part-time position (maximum of 30 hours per week). It is anticipated that grant funding from Year 3 will provide funding for approximately 7 months, starting October 2023 through approximately April 2024.

Civilian Criminal Investigator GRAINGER:

\$31.35/hr (effective 10/01/2023 - 12/31/2023) \* 360 hrs = \$11,286

(CSPD) The City of Colorado Springs and the Colorado Springs Police Department pay the following fringe benefits for civilian employees as a percentage of salary:

Retirement 14.7% + Medicare 1.45% + Life Insurance 0.5% + Worker's Compensation 0.25% = 16.9%

In addition to the percentage-based fringe benefits, employees are entitled to medical and dental insurance coverage. Insurance premiums vary depending on which plan and which coverage the employee selects (whether only the employee is covered or if family members are covered in addition). Medical and dental cost projections are based on the employee's current coverage option but may change if the employee changes medical and/or dental plans or selects a different coverage option. Medical and dental options are expected to increase by 5% starting January 2024.

Investigative Clerk TALBOT:

Fringe Benefits: 16.9% of \$22,479 = \$3,798.95 - rounded up \$3,799 (Approximately 10.01.2023 – 03/31/2024)

Medical & Dental: (10/01/2023 – 12/31/2023)

Medical: \$575/month \* 3 months = \$1,725

Dental: \$48/month \* 3 months = \$144

Total - \$1,869

Medical & Dental: (01/01/2024 – 03/31/2024)

Medical: \$604/month \* 3 months = \$1,812

Dental: \$50/month \* 3 months = \$150

Total - \$1,962

Investigative Clerk PROCTOR:

Fringe Benefits: 16.9% of \$22,479 = \$3,798.95 - rounded up \$3,799 (Approximately 10.01.2023 – 03/31/2024)
